Slippery And Other Stories:

The Art of Dying and Other Stories Githa Hariharan, 1993 Twenty stories of contemporary Indian life by an astonishingly original writer This striking collection of stories demonstrates the remarkable range of one of India's most accomplished writers Sometimes comic yet tinged with sadness as in *The Remains of the Feast* where an old woman near the end of her life suddenly feels the urge to sample all the food she has been forbidden sometimes with a twist as in *Gajar Halwa* where Chellamma a servant girl from a small town finally understands what makes a big city work sometimes moving as in *The Reprieve* and always executed with a precision of style and magical imagery these stories never fail to surprise and delight

Slippery and Other Stories R. A. Lafferty, 1985-02-01 *In Bad Company and Other Stories* Rolf Boldrewood, 2020-08-03 Reproduction of the original *In Bad Company and Other Stories* by Rolf Boldrewood [The Secret Sharer and Other Stories \(International Student Edition\) \(Norton Critical Editions\)](#) Joseph Conrad, 2016-04-04 This Norton Critical Edition includes four stories two set on stormy seas two on calm seas all four based on the same incident that speak to each other in interesting ways The stories in this Norton Critical Edition maintain the connection and sequencing that Joseph Conrad saw among them In his Author's Note to *Twixt Land and Sea* Conrad writes of his two Calm pieces *The Secret Sharer* and *The Shadow Line* and his two Storm pieces *The Nigger of the Narcissus* and *Typhoon* This edition is based on the first English book edition for the stories and the first American edition for the Author's Note for *The Shadow Line* *Typhoon* and *The Secret Sharer* The stories are accompanied by explanatory annotations a note on the texts including a list of textual emendations and a preface *Backgrounds and Contexts* brings together relevant correspondence and contemporary reviews from both British and American sources Also included are documents related to Conrad's sources for the stories among them Charles Arthur Sankey's *Ordeal of the Cutty Sark A True Story of Mutiny Murder on the High Seas* To help readers navigate the editor includes a glossary of nautical terms as well as diagrams of the kinds of ships that appear in the stories Criticism includes fifteen essays representing both new and established voices The essays are arranged by story with the focus on Conrad's major themes colonialism narrative gender and race Albert J Guerard Lillian Nayder Mark D Larabee Fredric Jameson F R Leavis and John G Peters are among the contributors A chronology of Conrad's life and work and a selected bibliography are also included [Amazing](#), 1985-11 *Nightmare Envy and Other Stories* George Blaustein, 2018-01-05 What has it meant to be an Americanist What did it mean to be an Americanist through fascism war and occupation *Nightmare Envy and Other Stories* is a study of Americanist writing and institutions in the 20th century Four chapters trace four routes through the mid twentieth century The first chapter is the hidden history of American Studies in the United States Europe and Japan The second is the strange career of national character in anthropology The third is a contest between military occupation and cultural diplomacy in Europe The fourth is the emergence and fate of the American Renaissance as the scholar and literary critic F O Matthiessen carried a canon of radical literature across the Iron Curtain

Each chapter culminates in the postwar period when the ruin of postwar Europe led writers and intellectuals on both sides of the Atlantic to understand America in new ways. Many of our modern myths of the United States and Europe were formed in this moment. Some saw the United States assume the mantle of cultural redeemer. Others saw a stereotypical America rich in civilization but poor in culture overtake a stereotypical Europe rich in culture and equally rich in disaster. Drawing on American and European archives, the book weaves cultural, intellectual, and diplomatic history with portraits of Matthiessen, Margaret Mead, Ruth Benedict, David Riesman, Alfred Kazin, and Ralph Ellison. It excavates the history of the Salzburg Seminar in American Civilization where displaced persons, former Nazis, budding Communists, and glad-handing Americans met on the common ground of American culture. Others found keys to their own contexts in American books: reading Moby Dick in the ruins, Nightmare, Envy, and Other Stories chronicles American encounters with European disaster. European encounters with American fiction and the chasms over which culture had to reach.

Past Master R. A. Lafferty, 2019-10-03

Wolf Hall meets The Man in the High Castle in this mind-bending science fiction classic now presented in an authoritative new edition from Library of America. Plucked from time, Sir Thomas More arrives on the human colony of Astrobe in the year 2535 A.D. where there is trouble in utopia. Can he and his motley followers save this golden world from the Programmed Persons and the soulless perfection they have engineered? The survival of faith itself is at stake in this thrilling, uncategorizable, wildly inventive first novel, but the adventure is more than one of ideas. As astonishingly as Philip K. Dick and other visionaries of the 1960s new wave, Lafferty turns the conventions of space opera science fiction upside down and inside out. Here are fractured allegories, tales within tales, twinkle in the eye surprises, fantastic byways, and alien subjectivities that take one's breath away. Neil Gaiman has described Lafferty a genius, an oddball, a madman. Gene Wolfe calls him our most original writer. Long hailed by insiders and now with an introduction by Andrew Ferguson as well as unpublished, omitted passages included in the notes, Past Master deserves to perplex and delight a wider audience.

A Humble Romance and Other Stories Wilkins Freeman, Mary E., 2023-07-26

A Humble Romance and Other Stories is a collection of short stories first published in 1887. Widely popular upon publication, the stories tell of rural New England folks, mostly women. Each story is engrossing yet surprising in its simplicity of characters and plot. Far from beautiful heiresses or men on panting steeds, the main characters are mostly old spinsters and sometimes a plain niece or two.
