Dread in the Beast Charlee Jacob, 2024-04-08 DREAD IN THE BEAST used to be a novella about the goddess of waste and the king of wasters Now it is a novel stuffed full of the gruesome and horrible Taken from the mythologies and histories of humankind it follows the trail of the Mother Spirit of the worst that the world is capable of producing From the catacombs of ancient Rome where a blasphemous sect twisted the message of the early Christians to modern America with its obsession with violence deities and saints and the reincarnations of beasts battle over sublime and profane where the very reasons for existence for us all may lie in the unthinkable Edward Lee author of CITY INFERNAL MONSTROSITY INCUBI and SUCCUBI says in his introduction to this new novel length version What's most unique of all here and jealously fascinating are the creative guts of

the author If there s an ultimate dichotomy in the horror genre it s got to be Jacob armed with a talent to write the most beautiful prose yet using that talent to examine the most unspeakable and detestable horror It s one of my all time favorite novels in the field **Mongoose** Anthony Haas,2008-02 It was a conscious decision while reading Henry Miller s somewhat obscure book called The Time Of The Assassins and then getting into Rimbaud s Illuminations it was a decision to write from my unconscious and Hermitically as well It was a difficult time when I first started on these writings but I m glad I wrote it down because the past vanishes practically into the vast blue nowhere time is such a sneaky weasel Its been a heck of a ride Gradually though I become less introverted and the poems I think their content and form become more and more public almost a kind of journalism away from the freaky trapped scared and half nutshell crazed Also around the time I started writing these poems I was catching my first real and protracted study of philosophy in particular Nietzsche s The Birth of Tragedy And technically as well as the ideas astounded me really and it really felt great to be able to read and then write hoping to run parallel with philosophy and whatnot This then these precarious poems where walking the plank is for real is my attempt to climb out of my self the ole mind cage of lonesome fears the shadowland and enter in into the now of the implacable hub of no perspective but that of now If there is a message to these poems its probably just in the inherent fact that one exists lives delves under and to the very heart where mind and soul dance that eternity dance of one any how way and who **drag queen in the white house** skitzysandcastle,2020-02-16 imagine waking ma ana and a drag queen is president what would america look like with wild injections of colorful yes emancipated lands of yes and await you whole celestial realms outside the absurd world of no drag queen in the white house is a reimagining a game a queer piece of living theatre about what happens when we set fear down there are 500 000 offices up for election pick one i ll go first i m 35 today i think i ll run for president why not drain the anger strain the disappointment if not now when if not us who this book is our love letter to the universe gutter to the gods bop around the schizopedia we lose to find skitzysandcastle 2020 expressyourmess.com **ROAR** Bruce Wagner,2022-11-15 A new novel by Hollywood s master of satire The myth of an epic public life its triumphs and tragedies is a particularly American obsession ROAR is a metafictional exploration of such a life and attendant fame of an extraordinary and completely made up man Born in Nashville in 1940 and adopted by a wealthy San Francisco couple Roger Orr Roar became an underground stand up comedian with a cult following while still in his teens segueing to an acclaimed songwriter in the Sixties In the decades that followed his talent spanned the worlds of entertainment from film directing and books to fine art paintings sculpture His promethean energies expanded to the world of medicine he became a dermatologist the first to patent cadaver skin for burn victims A spiritual seeker who returned to India throughout his life Roar was also a voracious lover of both men and women The journey of Roger Orr was a premonition of the cultural earthquakes to come It wasn t until his 40s that Roar learned his birth mother was black and it wasn t until his early 60s when he began the hormonal treatment and surgeries that chipped away at the armor covering what he always

knew was his true identity that of a woman Roar's saga is best told by a cacophony of voices family members critics historians and the famous Meryl Streep Amanda Gorman Dave Chappelle Andy Warhol including some heard from the grave In ROAR Wagner brilliantly paints a vivid picture of one man our times and our culture's enduring obsession with fame
