*Small Group Idea Book* Cindy Bunch,2003-12-04 This revised and expanded resource edited by Cindy Bunch offers hundreds of field tested activities to help leaders develop healthy and vibrant small group life that includes community worship and prayer study and nurture outreach and fun      Revolutionary Churches in Revolutionary Seasons: Dagmawi M. Wube,2018-01-20 Since the downfall of the Derge and the establishment of the decree for religious freedom there have been types of problems related to the size and type of groups that have greatly affected the Ethiopian evangelical church The first category of problem is due to the attraction that many contemporary church leaders have for reaching multitudes and building mega church ministries at the expense of small group ministries Because of the priority on the large group environment small group ministries have been neglected resulting in a whole generation of students and people who have never experience the vibrant spiritual benefits of a small group As a result believers are inclined to attend only Sunday Worship Services and the rest of the week live disconnected from vital relational community and involvement Too many churches in Ethiopia today have chosen to focus on the quantity of the people rather than the quality of the disciple resulting in the spiritual diseases of nominalism and carnality Discipleship and biblical Koinonia are being ignored therefore many people are not experiencing the richness of biblical Christianity in many practical ways This has resulted in the loss of Ethiopian Evangelicals identity as well as an influence on all aspects of Ethiopian culture including her institutions and government      Keeping in Touch Carol F. Krau,2003 Krau describes 5 processes essential to every teacher or small group leader 1 Experiencing God through the means of grace 2 Listening to the deep yearnings of others 3 Reflecting on personal experience in the light of Scripture and Christian tradition 4 Participating in ministry mission 5 Building knowledge and skills for discipleship      New Directions for Small-group Ministry Paul Borthwick,1999 Six fresh easy to implement models help to build adult small groups that work including honest evaluations of the strengths and weaknesses of each      **Covenant Companion** ,1996      **Deepening Youth Spirituality** Walt Marcum,2001 This new and expanded edition of Living in the Light provides adult leaders with a wealth of ways to lead youth to deeper connections with God It also helps leaders understand what spirituality is and provides keys to spiritual growth      □□□□□:- Dagmawi M.
