## Small Tragedy:

**Small Tragedy** Craig Lucas, 2005 Backstage and global politics unexpectedly collide during an amateur production of Oedipus This powerful timely play investigates the contemporary meaning and relevance of tragedy launching a surprisingly funny sharply pointed salvo directly at the heart of a generation *Alexander Pushkin's Little Tragedies* Svetlana Evdokimova, 2003 Alexander Pushkin's four compact plays later known as The Little Tragedies were written at the height of the author's creative powers and their influence on many Russian and Western writers cannot be overestimated Yet Western readers are far more familiar with Pushkin's lyrics narrative poems and prose than with his drama The Little Tragedies have received few translations or scholarly examinations Setting out to redress this and to reclaim a cornerstone of Pushkin's work Evdokimova and her distinguished contributors offer the first thorough critical study of these plays They examine the historical roots and connective themes of the plays offer close readings and track the transformation of the works into other genres This volume includes a significant new translation by James Falen of the plays The Covetous Knight Mozart and Salieri The Stone Guest and A Feast in Time of Plague *Pushkin* The U. S. S. R. Society for Cultural Rel, 2002 He is the greatest artist in the world the beginning of all the beginnings of Russian literature He was the founder of our poetry and always the teacher of all us Maxim Gorky He will always remain great an exemplary master of poetry and teacher of art His poetry possessed the peculiar virtue of being able to develop in people a sense of artistic refinement and a sense of humanity The time will come when he will be held up in Russia as a classical poet whose works will guide the formation and development of not only the aesthetic but also the moral sense Vissarion Belinsky The time Belinsky predicted in 1846 has come for the world **Grasshands** Kyle Winkler, 2024-01-19 Grasshands fulfills the promise of the term mindbending in ways drugs never could Prose and dialog that are effortlessly engaging horror that builds in an almost absurdist fashion making the dread that much more effective when it drops And oh how it drops More than the sum of its parts and damn those parts are impressive on their own Grasshands is a vehicle for experiencing the human condition the ultimate drive for horror I'll be thinking about it for a long long time Laurel Hightower author of Below and Crossroads In his novel Grasshands Kyle Winkler once again renders the deeply familiar pervasively uncomfortable I find no place to rest in his work where time keeps shifting good and evil constantly switch positions like mobile surfaces on a semantic Rubik's cube and the nostalgia of beloved fairy tales clashes with the modern reality of bills eviction imperfect love and existential uncertainty Grasshands is both mournful and hopeful passionate and disappointed a gorgeous romp through the conflicted folklore of our everyday lives Joe Koch author of The Wingspan of Severed Hands and Convulsive Everything wrong with the world is wrong with books When overworked assistant Sylvia Hix finds a strange moss smothering the library books there's little to worry about But when patrons start eating it gaining direct knowledge of the books then losing their minds Sylvia has deep problems Moreover her supervisor is a glue addict her best friend Albert is growing into a giant and Clara Gamelin the Library Board

Director is shaping her to be the next ball busting head librarian It is a job she does not want Sylvia is haunted by the moss because it s somehow connected to a horrific creature from her childhood A creature she once named Grasshands and since forgotten Stopping Grasshands from decaying the town s mind the library s books and the slow rot of time is the only job now available to her whether she wants it or not A novel of biblio horror body horror and melancholic friendship Grasshands is ready for check out Get your library card ready Grasshands is an enchanting and lovely dark fantasy novel with echoes of Bradbury Jackson and Gaiman yet its own startlingly original creation Kyle Winkler is a distinctive and inventive young writer with an exciting future ahead of him Dan Chaon author of Sleepwalk     German Tragedy in the Age of Enlightenment Robert R. Heitner,     **Hearings** ,1970     **The Shaggy Dog & Other Stories** John Pascal,2017-07-31 Here is John Pascal once again with a new book of entertaining fictiona collection of sixteen Shaggy Dog stories and four more traditional tales one a novelette Saki H H Munro and O Henry William Sidney Porter wrote short stories with surprise endings but mainly satirical not comedic As Pascal tells us in his Preface to them All Shaggy Dog tales are comedies high or low depending upon their subject matter and the writers art Briefly getting to the conclusion of a good Shaggy Dog story can be well worth the wait and in a truly great one there can be a lot of fun along the way And he would agree that since traditionally these anecdotes have been related orally at a Club bar or other private or limited venues they have not been given the attention they deserve nor the entertainment they would provide to a larger audience     Voltaire and the Theatre of the Eighteenth Century Marvin A. Carlson,1998-10-28 Born in the final years of the seventeenth century and dying a decade before the beginning of the French Revolution Voltaire was a quintessential figure of the eighteenth century so much so that this era is sometimes called the Age of Voltaire At a time when French culture dominated Europe Voltaire dominated French culture His influence was broad and powerful and he made major contributions to almost every sphere of intellectual activity including the sciences trade and commerce politics and especially the arts Despite the astonishing range of his literary activities the theatre occupied a central position in his life from the beginning of his career to its close His first and last literary triumphs were plays the first written when he was only 17 the last completed when he was 84 He created a total of 56 and there was rarely a time in his life when he was not working on a theatrical script At the end of his career his works were produced more frequently on the French stage than those of any other serious dramatist and served as models for aspiring young playwrights throughout Europe Written by a leading authority on French theatre and culture in the eighteenth century this book traces the theatrical career of Voltaire from his college days through his final works The most influential dramatist of the period he successfully wrote in a number of genres including tragedy comedy opera comic opera and court spectacle His theatrical biography involves all aspects of acting and staging in amateur and society theatre as well as on major professional stages and performances at court His extended visits to England and Germany are covered in chapters that also provide an introduction to the theatre in those countries and his international interests and

correspondence provide insights into the eighteenth century theatre in places such as Italy Russia and Denmark Due to his literally life long concern with the theatre his dominance in this art and his reputation and involvement with the theatre outside France Voltaire s theatrical biography is also in large measure a chronicle of the European stage of the eighteenth century

to Shen Congwen Gang Zhou, Sihe Chen, Zhang Xinying, Jeffrey C Kinkley, 2019-06-07 This volume is about studies of Shen Congwen 1902-1988 one of the most important writers in modern China but more importantly it is about how Shen Congwen has been received in and beyond Mainland China. By presenting the best literary criticism on Shen Congwen in Mainland China over the past 80 years and views of how Shen Congwen has been understood, interpreted and appreciated in Japan, the US and Europe the editors propose a new way to approach the topics of canonic writers, modern Chinese literature and world literature. This is itself a translated project. Its Chinese edition appeared in May 2017. The bilingual rendering of the best criticism of Shen Congwen from a global perspective intends to initiate and advance dialogues between Chinese and English language scholarly communities. We strive to explore the complexities of worldwide images and interpretations of Shen Congwen. By calling attention to the foreign spaces into which overseas Shen Congwen and modern Chinese literature are reborn as world literature we acknowledge and celebrate the study of Shen Congwen and modern Chinese literature as ongoing and endless cross cultural dialogues and manifestations. **Opening the Borders** James V. Here is clearly laid out all the stages of the trial from the gruesome act itself to the final verdict. First published in 1920 *The Trial of H H Crippen* sheds light not only on the elaborate layers of deceit used to cover up the heinous crime but also on the intricate details of the trial, the fascinating word

for word dialogue of the courtroom of 1910 and how ultimately a murderer was brought to justice     The Academy ,1900
