Small Enterprise Development:

Small Enterprise Development Philip A. Neck, Robert E. Nelson, 1987 Value for Money? Malcolm Harper, Gerry Finnegan, 1998 The authors show that it is possible to measure and compare the costs and benefits of small enterprise development programmes and that donors NGOs tax payers and small business people themselves should demand that those who are responsible for such programmes must demonstrate that they are providing value for money *Small Business, Entrepreneurship and Enterprise Development* Graham Beaver, 2002 Providing an introduction to the establishment development and managerial issues confronting the smaller enterprise this text is particularly concerned with the kinds of action and behaviour that seem to characterise successful new business ventures **Small Enterprise Development in South-East Europe** Will Bartlett, Milford Bateman, Maja Vehovec, 2012-12-06 Since the end of the Kosovo war in 1999 increasing attention has been paid to the problems of economic development and reconstruction in South East Europe In a context of limited resources small and medium sized enterprises SMEs have a key role to play in creating jobs and building a dynamic entrepreneurial economy Small Enterprise Development In South East Europe presents important findings from recent empirical research on key factors which hinder sustainable SME growth in South East Europe Finance is identified as a critical barrier to growth and the role of commercial banks micro finance institutions and credit cooperatives in assisting growth is addressed Yet finance alone is not enough A rebuilding of social capital a reduction of the unofficial or grey economy and the promotion of inter firm networks and clusters are also of vital importance in promoting sustainable growth The book concludes with critical analyses of SME policies in Albania Croatia and Macedonia countries which hitherto have received little attention in the literature Small Enterprise Development in South East Europe will be of great interest to policy makers business consultants and academics and post graduate students working on economic development and reconstruction in South East Europe *Entrepreneurship Development and Small Business Enterprise* Poornima M. Charantimath, 2005 **Administration's Small and Minority Enterprise Development Programs** United States. Congress. House. Committee on Small Business. Subcommittee on SBA and SBIC Authority, Minority Enterprise, and General Small Business Problems, 1982 **Small Enterprise Development** P. M. Mathew (Writer on business), 2000 Papers presented at an Internal Conference on Small Enterprise Development at Cochin held in 2000 organised by Institute of Small Enterprises and Development **Design Thinking for Smaller Enterprise Development** Adina Tarry, 2019-09-12 Design Thinking for Smaller Enterprise Development captures the zeitgeist and concerns of the new Millennium and offers a fresh view on how business can be successful by benefiting the wider society it should serve It also highlights the systemic negative impact of a consumption and profit focussed economy and introduces an original model SOCIETALByDesign™ as a constructive alternative to relentless resource depletion through an agile adaptive and respectful enterprise which protects nature and civilisation and embraces a balanced and holistic purpose to serve people planet and a positive legacy as the

heart of its very reason of being The original SOCIETALByDesign™ model positions purpose principles framework and current techniques for a modern business to utilise and holistically integrate benefits for employees society and environment thought its products and services The SOCIETALByDesign™ model links purpose and business and synthesises an operating model that can be adopted adapted and applied by any enterprise wishing to focus on shared prosperity and the good of people and planet instead of profit at any price The book is intended for business practitioners such as business founders and owners angel investors entrepreneurs portfolio managers of investment funds managers and leaders of companies large and small It is also helpful for external business and organisation development consultants mentors coaches and specialists who provide services and expertise to enterprises design change and optimisation Because the book provides a practitioner s perspective on business it can also be useful to students lecturers and academics *Entrepreneurship Development in India* Anshuja Tiwari,2007 **Private Sector and Enterprise Development** Lois Stevenson,2010 This important and well researched book examines the challenges to private sector growth in twelve Middle East and North African MENA countries assessing comparative performance against a number of indicators and focussing on the special role of SMEs and entrepreneurial activity Lois Stevenson highlights the variation among countries in private sector dynamism and performance the major government policy initiatives supporting private sector and SME activity in each country and the perspectives of government officials researchers and other stakeholders on research policy and institutional capacity needs The author concludes with a framework for guiding a comprehensive set of policies and strategies to unleash the potential of entrepreneurship as a platform for future private sector growth Private Sector and Enterprise Development will be an invaluable resource for the policymaking research and donor communities stakeholders involved in building capacity in PSD and SME policy development and scholars interested in entrepreneurship and development in the MENA region
