Smell The Coffee:

Wake Up and Smell the Coffee, 1998 **Wake Up and Smell the Coffee** Ann Landers, 1998-05-01 Mrs. Paddy's Political Parodies Mrs Paddy, Paddy, 2009-05 Mrs Paddy's Political Parodies A Tea Party Songbook for the New Revolution was born from the author's blog on Townhall.com Mrs Paddy takes swipes at our politicians and culture often with a humorous tone Personalities from Obama to McCain are lampooned as well as political hot buttons like Global Warming Immigration and Tax and Spend policies It is both a retrospective of the last election cycle and a running commentary on current events all set to familiar tunes Wake Up and Smell the Coffee Eric Bogosian, 2012-09-15 100% pure high octane Bogosian Bogosian's latest and greatest monologue His wit is as venomous as ever his material even more devastating and polished than before New York Daily News Bogosian hasn't simply crossed the line of good taste he has snorted it The Daily Texan Wake Up is Bogosian's meditation on making it to the top of the ladder on falling off the ladder and on the exhilarating thrill of the ultimate crash and burn Once again the author offers a blisteringly funny and dead on take of the chaos and alienation of post modern life in the U.S. of the year 2000 As Michael Feingold so ably offered in his Village Voice review Bogosian is there watching out for the downtrodden ridiculing the arrogant rich defending battered wives and neo hippie hitchhikers and never losing sight of his own capacity for being classed among the batters and bullies But his 95 minutes is as fast and exciting a read as the theatre community offers In our time the stage has almost been what classical thinkers saw it as a medium for criticizing life How perfect that a solo performer should rediscover its roots by choosing his own life as the object of his criticism Eric Bogosian born in Woburn Massachusetts has performed his plays and monologues at venues nationwide Winner of Obie and Drama Desk Awards he has made four films of his work most notably Talk Radio and Suburbia His novel Mall was recently published by Simon and Schuster Wake Up and Smell the Coffee Jones Mike (author), 1901

world's most famous coffee company looking beyond baristas movie cameos and Paul McCartney CDs to understand what Starbucks can tell us about America Bryant Simon visited hundreds of Starbucks around the world to ask Why did Starbucks take hold so quickly with consumers What did it seem to provide over and above a decent cup of coffee Why at the moment of Starbucks profit generating peak did the company lose its way leaving observers baffled about how it might regain its customers and its cultural significance Everything but the Coffee probes the company's psychological emotional political and sociological power to discover how Starbucks explosive success and rapid deflation exemplify American culture at this historical moment Most importantly it shows that Starbucks speaks to a deeply felt American need for predictability and class standing community and authenticity revealing that Starbucks appeal lies not in the product it sells but in the easily consumed identity it offers
