Rankine,2018-12-06 A searing poetic riff on race in America fusing prose poetry movement music and the visual image Snapshots vignettes on the acts of everyday racism Some of these encounters are slights seeming slips of the tongue and some are intentional offensives in the classroom at the supermarket at home on the tennis court with Serena Williams online on TV everywhere all the time Those did that really just happen did they really just say that slurs that happen every day and enrage in the moment and later steep poisonously in the mind And of course those larger incidents that become national or international firestorms As Rankine writes This is how you are a citizen **An American Glossary** Richard Hopwood

Thornton,1912 In this compilation are included forms of speech now obsolete or provincial in England which survive in the U S words and phrases of distinctly American origin nouns which indicate quadrupeds birds trees articles of food etc that are distinctly American names of persons classes of persons and of places words which have assumed new meanings words and phrases with earlier American examples than in English writers **An American Trilogy** William Pisani,2011-04-20

Michael Corso knew that as a third generation Italian American his future had already been decided for him He was expected to take over Corso Construction the family business started by his grandfather long ago and to continue the bitter rivalry with their archenemies the Ryans But he loved Kathy Ryan the stunningly beautiful daughter of nemesis Jack Ryan a proud Irish American Yet it would be Kathy who would ultimately determine not only Michael s fate but that of the venerable company founded by his grandfather years before AN AMERICAN TRILOGY is both a family epic and love story rooted in the immigrant experience and the ethnic tensions that have long been a part of it *THE PRICE OF AN AMERICAN DREAM*

Szabo,2012 A heartwarming tale of human resilience and strength An American Immigrant s History retells the story of Albert Szabo and his wife Edith and their fight against the effects of Hitler and Stalin Starting in Hungary the couple must find a way to move west and they start their quest for the United States Many obstacles stand in their way including the constant threats of wars bombing and Nazi guards All the while the couple finds strength in their stable relationship and the love they have for one another Using their skills to trick and manipulate guards the two of them make their way from one city

to the next always maintaining their desire to move west in search of safety and freedom Forced to do hours of painstaking manual labor they are often times challenged physically and mentally with the threat of injury or death always lurking close to them Denied basic human rights the two of them continually cling to each other and to one of their very few personal items an alarm clock named Ruthy Told from the personable and humorous point of view of Albert Szabo An American Immigrant s History captures the detailed story of two individuals who have been misplaced under leaders who do not care about them With a desire to survive and an insatiable appetite for freedom Albert and Edith fight their way across the globe in the ultimate story of survival

Mabel Daniels: An American Composer in Transition Maryann McCabe,2017-10-05 Mabel Daniels 1877 1971 An American Composer in Transition assesses Daniels within the context of American music of the first half of the twentieth century Daniels wrote fresh sounding works that were performed by renowned orchestras and ensembles during her lifetime but her works have only recently begun to be performed again The book explains why works by Daniels and other women composers fell out of favor and argues for their performance today This study of Daniels s life and works evinces transition in women s roles in composition the professionalization of women composers and the role that Daniels played in the institutionalization of American art music Daniels s dual role as a patron composer is unique and expressive of her transitional status
