More than 550,000 American soldiers died during the battles of the Civil War. This critically acclaimed television and video series from the National Museum of American History is a sweeping and compelling look at the war's military, political and social history. Each episode features dramatic reenactments of important campaigns; first-hand accounts of eyewitnesses and participants read by distinguished actors; period photographs, paintings and artifacts; intriguing expert challenges to traditional historical thinking; original contemporary illustrations; computer enhanced maps; and music of the time.
