**The Vietnam War: Vietnamese and American Perspectives** Jayne Werner, Luu Doan Huynh, 2015-02-18 This volume derives from an unprecedented seminar held at Columbia University's School of International and Public Affairs in November 1990. At the seminar leading Western diplomatic and military historians and Vietnam scholars met with prominent Vietnamese Communists to reflect on the Vietnam War. The book contains four parts: The Vietnamese Revolution and Political Military strategy; the war from the American side; the war in the South and Cambodia; and retrospective and postwar issues. In addition to Jane Werner and Luu Doan Huynh, the contributors are Mark Bradley, William Duiker, David Elliott, Christine White, George Vickers, James Harrison, George Herring, Ronald Spector, Paul Joseph, Jeffrey Clarke, Ngo Vinh Long, Benedict Kiernan, Marilyn Young, Keith Taylor, and Tran Van Tra. General Tra was Commander of the People's Liberation Armed Forces of South Vietnam from 1963 to 1975. His eye-opening analysis of the Tet Offensive has never before been available in English.

**Turkish-American Relations in the 21st Century** Ozan Örmeci, Herbert R. Reginbogin, 2024-12-15 Turkish American relations have been considered a model partnership between a great and middle power during the Cold War due to the positive nature of relations being advantageous to both sides. While the United States took advantage of Turkey's geopolitical position and military strength against the USSR, Turkey benefited from American economic power and military technology. However, with the end of the Cold War and the emergence of new regional and global developments, a stable framework to clarify and shape Turkish American relations has not yet been crafted. Additionally, crises such as the non-approval of the 1 March memorandum in 2003 to support the American war effort in Iraq and the 15 July 2016 coup attempt in Turkey further distanced these two historical allies. To discuss these issues frankly and to provide some suggestions to improve the two countries' relations in many different regions/fields including Syria, Iraq, the Eastern Mediterranean, the Caucasus, the defense industry, the energy sector, and much more, *Turkish American Relations in the 21st Century* aims to bring important experts on Turkish foreign policy and Turkish American relations together.
