Some Days Were Happy:

Boy Days Were Happy, Happy Days Leroy S. Rose, 2012-08-31 Boy days is that period of growing up where you become aware of yourself as you progress from a small boy going to school and gradually enter the world as an adult During those formative years boys experience and experiment with all aspects of adolescent life Not all boys do experience these wonderful stimuli of growing up and later in their adult lives if they are unable to do certain things they are often told that they did not have boy days This book is about a person who experienced the whole gamut of boy days Accompany him as he and his friends go from one boyhood adventure to another Do things with your mind that make you wish you had done in your growing up years Parts of this book will bring back fond memories to some and maybe misery to others Sit back lie back relax and reminisce about all our yesteryears They were indeed happy happy days **Some Days** J. L. Lora, 2022-02-28 Dutiful daughter my brother's keeper civil servant and protector of my city that's me Officer Dahlia Wicker I'm a master at switching hats until an ambush in the line of duty forces a new title on me gunshot victim I wake up in the emergency room scared to death and staring into the face of an angel with soft yet firm hands and a smile that makes my heart tremble Dr Weston Ellison's promise to look after my little brother eases my anxiety His hands on my skin remind me I haven't been touched by a man in a long time After my recovery I can't stop running into him and I'm forced to admit how often I think about his lips and how badly I want them on me We are way too different Weston comes from generational wealth and I'm Baltimore humble Desire opens the door to our relationship but feelings break in and take us hostage When my brother is unjustly arrested a spotlight blares on our differences Our bond falls victim to prejudice privilege and racism Are we strong enough to withstand these age-old threats or will they destroy us for good **SOMEDAYS(forever)** John Middleton, 2015-02-25 Chase is your normal young guy with the dream of becoming a Rock Star It is when he is introduced to the world of drugs that he begins to see his dream slowly slip through his fingers Between the pain of his family friends and himself Chase must make a decision The drugs or his dreams We follow Chase through this decision and fight He may realize that some days decisions can last forever **Godey's Lady's Book**, 1876 **The Bible Christian magazine, a continuation of the Arminian magazine** Bible Christians, 1856 *Widow's Walk* Ruth Jackson, 2012-05-11 Blog excerpts are taken from a young widow's life after her husband dies from cancer The author writes openly about the ups and downs of the first five years of her journey as a single parent teacher woman homemaker and follower of Christ The common thread woven through it all is the reality that the goodness of God has nothing to do with life's circumstances and everything to do with who God is This is a down-to-earth incredibly real journey logged day by day moment by moment over a five-year period Anyone who has experienced loss will be encouraged and challenged as they read this collection of blog excerpts from thejackson4.com **From the Chocolate Part of Switzerland** Esther Groninger, 2007-08 Growing up during World War II as the oldest of five children and the only girl was not always easy Esther's childhood in Switzerland is documented in 38

short stories which reflect the cultural climate and practices of those years Her adventures continue during subsequent travels to various countries in Europe culminating in her crossing the Atlantic to Canada and on to the United States It was her intention to return to Switzerland some day but destiny held other plans She met her husband to be three short weeks after her arrival in the U S Throughout the book we are given glimpses of her spiritual journey and her search for meaning in life She now knows that only God could have engineered circumstances the way they occurred and she is thankful for his hand of protection over her Esther Groninger lives with her husband George in Grand Rapids Michigan They have two grown daughters and one granddaughter who have chosen to trade Michigan winters with the more moderate climate of the South Esther still loves to be outdoors whether it is tending her garden or harvesting nature s bounty at surrounding farms and preserving it for later use During the winter she loves to knit for babies an art she has perfected over many years She also volunteers at RBC Ministries on a regular basis
