Recovering Intimacy in Love Relationships Jon Carlson,Len Sperry,2011-01-11 The loss of intimacy is one of the most difficult but also one of the most common factors in the destruction of any relationship *Recovering Intimacy in Love Relationships* lays out practical evidence based guidelines on which clinicians can depend as they wade through the intense emotions and fragile bonds of couples in crisis With care and sensitivity the book s authors analyze the increasingly complex context in which the cycle of intimacy develops wanes and recovers The chapters delve into diverse populations attitudes toward intimacy and provide an entire section on cultural gender and religious issues Clinicians looking for a research based practical take on the many facets of intimacy in the twenty first century need look no further than this book *Love and Intimacy* Joseph Warren Walker (III),2010 This is straight talk and teaching Bishop Joseph W Walker III draws on scripture to describe five ways for men and women to give and receive the kind of love that leads to what we all want a fulfilling committed relationship These steps include how to be ready for a holy hookup meeting the standard being real being on the same team and living to the glory of God together A long lasting loving intimate relationship is a beautiful thing I should know because I ve been blessed with two The day I married Dr Diane Greer was one of the happiest days of my life But that did not last because Diane died a few years later This past year I married Dr Stephaine Hale It was a day I will never forget God gave me the desires of my heart and proved to me that He is a restorer I am convinced that that day began the best days of the rest of my life Because I ve been there I also know that relationships take work They don t just happen They are give and take propositions But after all the fluff is brushed away there are five basic steps in this journey of getting together and staying together from the book *Love, Marriage and Intimacy among Gujarati Indians* Katherine Twamley,2014-02-11 This book compares understandings and experiences of love and intimacy of one distinct cultural group Gujarati Indians born and brought up in two different countries In a rapidly globalizing world this comparative ethnographic study explores how the context in which we are brought up shapes our most intimate attachments and family lives **Falling Out of Romantic Love** Crystal Wilhite Hemesath,2019-07-04 In this innovative and user friendly guide Crystal Wilhite Hemesath identifies the

factors that lead to relationship breakdown and suggests key strategies for the prevention and treatment of falling out of romantic love

FORL Grounded in research and two decades of clinical experience Falling Out of Romantic Love outlines strategies for preparing and maintaining healthy enduring romantic relationships as well as what to do when FORL becomes a threat Applicable to daily life and relevant to a wide range of scenarios this book contains a plethora of information for individuals just beginning an intimate partner relationship long married couples or for those simply curious about romantic relationships and the problems that may arise Helpful tips are also provided for individuals trying to decide if they should remain in a relationship and for those experiencing heartbreak on the receiving end of FORL Rich in real life examples this book arms professionals with a greater understanding of why people fall out of romantic love It s an indispensable guide for marriage and family therapists as well as other mental health professionals or clergy looking to incorporate additional tools and clinical interventions into their work

Intimate Relationships, Marriages, and Families F. Philip Rice,1996

The Ultimate Intimacy Ivan Klima,1997 As they engage in an adulterous affair in the Czech capital Prague a married Protestant minister finds himself losing his faith while by contrast his atheistic mistress discovers God By the author of *Waiting for the Dark* *Waiting for the Light*

Mapping the Subject Steve Pile,Nigel Thrift,2005-11-22 Rejecting static and reductionist understandings of subjectivity this book asks how people find their place in the world Mapping the Subject is an interdisciplinary exploration of subjectivity which focuses on the importance of space in the constitution of acting thinking feeling individuals The authors develop their arguments through detailed case studies and clear theoretical expositions Themes discussed are organised into four parts constructing the subject sexuality and subjectivity the limits of identity and the politics of the subject There is here a commitment to mapping the subject a subject which is in some ways fluid in other ways fixed which is located in constantly unfolding power knowledge and social relationships This book is moreover about new maps for the subject

The Myth of Romantic Love and Other Essays Michael Novak,2017-07-28 Written by noted Catholic philosopher Michael Novak the selections in *The Myth of Romantic Love and Other Essays* highlight the arc of his intellectual career Collectively demonstrating the fundamental unity of Novak s work the sixteen essays in this book span a broad range of political economic and social topics The selections offer clarity of thinking for the sake of concrete ends For example *The Myth of Romantic Love* the chapter from which the title of this work is drawn sharply distinguishes the love that popular culture portrays from the true Christian vision of love And *The Family out of Favor* argues if things go well with the family life is worth living when the family falters life falls apart Thus true Christian love manifest in marriage and family life is a greater resource for civilized society than any other institution Although this collection shows that Novak s viewpoints did evolve over time he remains a thinker that is clearly rooted in the ancient and medieval Catholic tradition From his discussions of gender relations to economics culture and politics his perspective honors the primacy of man and his immediate experience and thereby ultimately glorifies the Creator Novak s writing will infuriate some readers and inspire

many others but both comrades in arms and intellectual opponents will find the clarity and intensity of his writings undeniable

Intimate Inequalities Cristen Dalessandro, 2021-07-16 When it comes to the topic of romantic and sexual intimacy social observers are often quick to throw criticisms at millennials However we know little about millennials own hopes fears struggles and triumphs in their relationships from the perspectives of millennials themselves *Intimate Inequalities* uses millennials own stories to explore how they navigate gender race social class sexuality and age identities and expectations in their relationships Situating millennials lives within contemporary social and cultural conditions in the United States *Intimate Inequalities* takes an intersectional approach to examining how millennials challenge or rather uphold social inequalities in their lives as they come into their own as full adults *Intimate Inequalities* provides an in depth look into the intimate lives of one group of millennials living in the United States demystifying what actually goes on behind closed doors and arguing that millennials private lives can reveal much about their ability to navigate inequalities in their lives more broadly

Semiotics of Friendship Claus Emmeche, 2025-01-27 A friend should be able to be an attentive listener which made semiotician Roland Barthes wonder in his intriguing dictionary of love cannot friendship be defined as a space with total sonority This volume takes on the encyclopedic task in the sense of Umberto Eco where an encyclopedia is a very complex sign to explore friendship in detail not only as a form of love but in all its complexity as a bond that connects people and forms communities *Semiotics* the study of signs and meaning making is used alongside insights from a wide range of friendship studies to create a far reaching intellectual resonance or sonority around friendship as a central human experience As a study of the significance of friendship it presents findings from friendship research across the globe enabling new ways of thinking about friends It includes key concepts from semiotics sociology anthropology and other fields briefly explained major models of friendship from antiquity to contemporary societies proverbs and sayings about friendship from Africa America Asia and Europe stories about famous or forgotten friends from mythology fiction and real history summaries of research on friendship from selected academic disciplines bibliographical references for further studies

The Distance Cure Hannah Zeavin, 2021-08-17 Psychotherapy across distance and time from Freud s treatments by mail to crisis hotlines radio call ins chatbots and Zoom sessions Therapy has long understood itself as taking place in a room with two or more people engaged in person to person conversation And yet starting with Freud s treatments by mail psychotherapy has operated through multiple communication technologies and media These have included advice columns radio broadcasts crisis hotlines video personal computers and mobile phones the therapists broadly defined can be professional or untrained strangers or chatbots In *The Distance Cure* Hannah Zeavin proposes a reconfiguration of the traditional therapeutic dyad of therapist and patient as a triad therapist patient and communication technology Zeavin tracks the history of teletherapy understood as a therapeutic interaction over distance and its metamorphosis from a model of cure to one of contingent help She describes its initial use in ongoing care its role in crisis intervention and symptom management and our pandemic

mandated reliance on regular Zoom sessions Her account of the distanced intimacy of the therapeutic relationship offers a powerful rejoinder to the notion that contact across distance or screens is always less useful or useless to the person seeking therapeutic treatment or connection At the same time these modes of care can quickly become a backdoor for surveillance and disrupt ethical standards important to the therapeutic relationship The history of the conventional therapeutic scenario cannot be told in isolation from its shadow form teletherapy Therapy Zeavin tells us was never just a talking cure it has always been a communication cure

Love Robert C. Solomon, 2010-12-08 Love our hearts yearn for it we fall into it or out of it we'll do almost anything to attain and keep it Those who have experienced the power of love whirl from its embrace It is delicious anguish gut wrenching pain and intoxicating allure Nations go to war over it crimes are committed to satisfy its demands lives are often ruined because of it and extraordinary feats of courage and sacrifice are performed in its name But beyond the clichés and greeting card platitudes do we really understand what love is and how it alters the way we think feel and behave Should love be viewed as little more than a lusty romp or is there more to it What is the relationship between love and romance caring concern compassion thoughtfulness sex and the many other components that our society jumbles together in this potent potpourri whose power can give strength to the weakest among us or turn powerhouses of strength into emotional mush It is precisely because love is such an important part of our lives that we owe it to ourselves to reach beyond overwhelming passion and the roadblocks of illusion to achieve real understanding of this extraordinary human phenomenon It won't always be easy in fact it's sometimes quite painful But the rewards are many for those who will risk exploring their own cherished attitudes about a subject that has held us in its grip for centuries and shows no signs of letting go Some of the topics covered are What I Feel in My Heart On the Alleged Origins of Romantic Love What Do I Want When I Want You Why Do I Love You The Importance of Being Honest Love Sex and Intimacy Beyond Sex and Gender What's So Good About Love
