his articles would qualify as a book He wanted to thank all the church members who enjoyed the articles or homilies asked for more and then pushed him to publish this collection Of course no long married writer should avoid dedicating his work to his wife Tena has put up with a lot of interesting adventures with him and he prays she continues to do so for a long time They are at sixty one years of marriage as he writes this and have four great kids who serve the public well in their professions They are enormously proud of them This was really an enjoyable adventure for him and he hopes all of you find the time to put your thoughts and memories in writing too Enjoy *The Ultimate Christmas Fake Book* Hal Leonard
