# Some Dreams Come True A Journey Through Infertility

**Fabiana Bacchini**

## **Some Dreams Come True A Journey Through Infertility:**

*Some Dreams Come True* Robin Lee, 2004-12 Today 6 1 million women in the United States suffer from infertility according to Resolve the national infertility association What do you do when all you want is to have a baby How much time and money are you willing to invest with no guarantee of success What do you do if you are single and Mr Right is nowhere in sight How do you handle everyday life when pregnant women and babies are everywhere This personal account details the trials and tribulations associated with infertility and the blessing when all efforts pay off The author hopes that the personal words written within this book will comfort others who suffer from infertility letting them know that they are not alone

### **From Surviving to Thriving: A Mother's Journey Through Infertility, Loss and Miracles** Fabiana

Bacchini, 2018-10-09 After living through an emotionally turbulent journey of infertility and the birth of one son Fabiana was thrilled to discover that she was pregnant again this time with twins She did not expect to encounter a tumultuous road until she was told that one of her twins had no chance of survival Then only weeks later she gave birth prematurely Her surviving twin spent months in a neonatal intensive care unit and later became a child with special needs From Surviving to Thriving is about finding the joy making the choice to see hope where others only see despair pain loss and sorrow The book teaches the reader valuable life lessons including how to face any adverse event and find something to be thankful for One can only feel inspired and connected with Fabiana as she recounts how she took her family on a journey from surviving to thriving In Vitro: My Journey Through the World of IVF Anastasia Sputnik, 2013-12 This book is a personal testimony from a patient who underwent 15 In Vitro fertilization IVF treatments over a 7 year period It is a story about male infertility combined with the female s fertility declined with the age which lead the partners to proceed with In Vitro Fertilization IVF as the only option In today s western world one in every six couples face fertility problems and this story could become a reality for millions of couples in the world This book is raising awareness about female fertility and reproductivity potential for women after their mid thirties It also reveals some of the hidden truths and misconceptions about IVF and demystifies information provided by the press and media A similar book with details of the latest IVF trends facts and experiences from the patients perspective has never been published The first part of the book is a chronicle of the author s experiences as an IVF patient where she shares medical information facts experience and lessons learned during IVF treatments In the second part of the book the author is offering valuable advice recommendations and tools including tips on how to save money for IVF This is also a patient s story about the emotional impact of IVF The book is unique in presenting a serious family and marriage crisis throughout battles with infertility and how the journey through the IVF drastically affected the couple s relationship It is also a story of a personal life crisis that the female patient was going through The author describes her own turmoil when she decided to end IVF IVF closure after many years of living in the IVF bubble when she faced not only the cruel fact that she will never be able to have more children but also experienced a career failure financial difficulties and her husband being

ready to leave her due to the inability to have a big family together This book is also a relevant resource for medical practitioners to better understand patients physical and emotional needs and improve the service in IVF clinics Quote from the book My greatest hope is that reading this book leads to positive outcomes for as many women and couples as possible
