The Films

of Robert Wise Richard C. Keenan,2007-08-22 From his early days as a film editor at RKO studios where he helped Orson Welles shape Citizen Kane to his success as a director and producer of musical blockbusters of the 1960s Robert Wise had a long and illustrious film career Unlike contemporaries such as Alfred Hitchcock John Ford or Howard Hawks however Wise s films lack any clearly discernible characteristics to signify his work There are few striking camera angles or visual flourishes that might distract from the primary obligation to present the story And like Hawks Wise never specialized in one or two genres but brought his directing skills to all manner of films His work as a director resists auteur categorization and that is a chief reason why some critics have been unduly negative in their consideration of his work In *The Films of Robert Wise* Richard Keenan examines the nearly forty features that represent the director s career from *Curse of the Cat People* in 1944 to *A Storm in Summer* 2001 the only television production Wise ever directed Keenan offers a reappraisal of Wise s films so that the true quality of his work can be better appreciated Keenan argues that if there was a flaw in Robert Wise as a director it was that he lacked the ego and temperament of the artist which was not necessarily a flaw at all Indeed Wise was a conscientious craftsman who saw his work not primarily as a vehicle for his own ideas and visual style but as an opportunity to present narrative that quite simply engages informs and entertains It was this perspective that helped produce a number of memorable films over the years including the gritty noir *Born to Kill* the one two punch of *The Set Up* and *Somebody Up There Likes Me* the sci fi prophecy *The Day the Earth Stood Still* and the gripping indictment of capital punishment *I Want to Live* classics all Wise also won a pair of Oscars for two of the most memorable not to mention successful musicals of all time *West Side Story* and *The Sound of Music* Drawing on more than 30 hours of interviews with Wise as well as additional interviews with a number of his collaborators Keenan offers a welcome reassessment of the director s work In his analysis of each film Keenan reveals both Wise the craftsman and the artist In doing so *The Films of Robert Wise* finally confers upon this underappreciated director the recognition he deserves [Delmarva's Southern Foods Can Be Healthy](#) Charmaine Leah Matthews,2022-09-28 Delmarva s Southern Foods Can Be Healthy From The Garden to the Kitchen Table Just like Mama And Daddy Use To Make By Charmaine Leah Matthews Raised on the Delmarva Eastern Shore by parents that were great home cooks Charmaine Leah Matthews was blessed to have grown up helping her parents make hearty and healthy southern food dishes from a young age From savory entrees like Lemon Turmeric Fried Catfish to Onion Roll Smoked Paprika Crab Cake with Fries indulgent desserts like Strawberry Whip Cream Shortcake and adult beverages like Garlic Pickle Hot Sauce Shot you ll truly get a taste for old fashioned homestyle southern cooking *Teaching with Favorite Marc Brown Books* Bonnie Brown Walmsley,Sean A. and co author Gabe Ulla Much like the irresistibly warm restaurant that inspires it The Four Horsemen Food and Wine for Good Times is about more than just amazing food The story begins in 2014 when four friends with practically zero restaurant experience between them naively decided to open a restaurant in New York City They called the place The Four Horsemen and they hired a largely unknown chef Nick Curtola to lead its tiny kitchen Even though they did almost everything wrong at the start The Four Horsemen now has a Michelin star a waiting list for tables seven nights a week and a James Beard Award for the best wine program in the United States not to mention a global reputation as a must visit destination in New York City Of Curtola s food New York Times restaurant critic Pete Wells wrote in a glowing review The effortlessly casual plates are not in fact effortless or casual a realization that only dawns on you as you re wondering why this sausage or that pickle is the best thing you ve tasted in ages In the acclaimed restaurant s debut cookbook Curtola explains his approach to simplicity with warmth clarity and more than 100 recipes The book begins with a humorous and moving introduction by co founder James Murphy which sets the stage for Curtola s writing and recipes casual and informative essays by natural wine pioneer Justin Cherno and appearances by Murphy and Cherno s fellow horsemen Christina Tops e and Randy Moon Throughout readers will also find suggestions related to a subject on which the four unwitting friends were experts long before they built the restaurant how to have fun Includes Photographs and Illustrations Survey of Conditions of the Indians in the United States: Navajos in Arizona and New Mexico United States.
