Mr Todd's Reckoning Iain Maitland, 2019-04-25 Behind the normal door of a normal house in a normal street two men are slowly driving each other insane One of them is a psychopath The father Mr Todd is at his wits end He s been robbed of his job as a tax inspector and is now stuck at home with him Frustrated Lonely Angry Really angry The son Adrian has no job no friends He is at home all day obsessively chopping vegetables and tap tap tapping on his computer And he s getting worse disappearing for hours at a time sneaking o to who knows where The unholy spirit in the safety of suburbia one man has developed a taste for killing And he ll kill again Slapstick and Comic Performance L. Peacock, 2014-07-03 Slapstick comedy has a long and lively history from Greek Theatre to the present day This book explores the ways in which comic pain and comic violence are performed within slapstick to make the audience laugh It draws examples from theatre television and film on both sides of the Atlantic The Lively Audience Patricia Palmer, 2023-12-22 The Lively Audience 1986 studies television from the children's own point of view Contrary to most prevailing opinion it contends that television has much to teach children and that their relationship with the medium is not one of passive dependency after all Research shows that what children gain from television depends very much on the child's age and social experience and that children see television differently from adults This book examines this issue and gives us a different understanding of the child audience Ossie Martin King, Martin Knight, Peter Osgood, 2012-01-27 In a 16 year career and the impact of their television viewing spent with Chelsea and Southampton goal scoring legend Peter Osgood made 560 appearances scoring 220 goals and winning two FA Cup winner's medals He was part of the victorious Chelsea side that defeated the mighty Real Madrid in the 1971 European Cup Winners Cup final and is the last player to have scored in every round of the FA Cup including the final Ossie tells the story of the career and the extraordinary roller coaster personal life of the man who spearheaded a team that made as many headlines off the field as on The truth about the hard drinking and hard living antics of these Kings Road dandies Hudson Cooke Baldwin and company has never before been told Osgood tells of his strained relationship with manager Dave Sexton which resulted in his and other stars departures triggering a decline in Chelsea FC s fortunes that took some 20 years to reverse He recounts his experience in the Mexico World Cup of 1970 and is brutally honest about the challenges and problems faced by ex footballers as they attempt to adjust to life in mainstream society Peter Osgood was no ordinary footballer and Ossie is no ordinary football autobiography Like the King of Stamford Bridge himself was this book is entertaining outspoken and full of surprises The Listening Service Tom Service, 2022-05-17 Based on his critically acclaimed BBC Radio 3 programme The Listening Service in which Tom Service takes an idea on an ear opening and mind expanding walk through the musical landscape every week this book is a celebration of music s multi dimensional power in our lives With 101 short chapters based on the programmes and grouped thematically the book will open ears and imaginations to find answers to the guestions we all have about why and how music from Toots and the Maytals and J S Bach

Gustav Mahler and Miley Cyrus to Anna Meredith and Mozart works its magic over us With direct links to the programmes using a QR code the chapters draw on powerful and communicative anecdotes and analogies as well as the latest scientific research and above all a spirit of discovery and connection across genres cultures and histories At its heart is the conviction that music changes us <u>Last of the Summer Wine</u> Andrew Vine, 2010-09-25 An insider s look at story behind the longest running situation comedy in British television history Quite simply Last of the Summer Wine is the longest running comedy programme in the world It premiered thirty seven years ago in 1973 and after thirty one series it finally came to an end even though all its original protagonists Compo Foggy even Nora Batty are now dead Remarkably for a series of such longevity and international appeal it is all about elderly people has little action or plot and is set and filmed in and around the small Yorkshire town of Holmfirth Now Andrew Vine the deputy editor of Yorkshire's daily newspaper has written the definitive history of this television phenomenon It covers the show s inauspicious beginnings with low ratings its endless reinvention as participants like Bill Owen Michael Bates Brian Wilde and Kathy Staff retired or died the appearance of a string of quest stars from John Cleese and Norman Wisdom to Thora Hird and Russ Abbott both of whom soon found themselves fixtures in the cast and the ingenious plot contrivances as the protagonists became too old and frail to attempt any of the slapstick stunts with runaway prams indeed any outdoor action The town of Holmfirth is now a year round tourist attraction and the endless availability of the show via streaming ensures that Last of the Summer Wine and the book it inspired will live on for generations of fans The Last Summer Mary Jane Staples, 2011-11-30 Job and Jemima Hardy weren t Londoners by birth They had both lived in a Sussex village until lack of work had sent Job and the family to Walworth to a house in Stead Street They got it cheap because of the poltergiest but they were sensible folk and decided that eight shillings a week rent was a bargain and well if the floors and doors sometimes moved a bit they could live with it They settled guickly into London life particularly Jonathan the eldest Jonathan got a job at Camberwell Green and it was there in Lyons teashop that he met Emma Somers niece of Boots Adams Over a long and hazy summer the summer of 1939 the two young people met always at lunchtime and never allowing their friendship to progress too far Then as the clouds of war gathered over Europe Jonathan got his call up papers And the first alarms of conflict began to affect the Adams family in other ways Boots on the Officer's Reserve list was called onto the staff of General Sir Henry Sims and Polly Sims herself joined the Auxiliaries Suddenly there was only a little time left for people to lead ordinary lives and Jonathan Hardy and Emma Somers had to make decisions about their future **Orion is Upside Down** Amy Kernahan, 2011-09-12 This sea story from the bottom of the earth takes the reader on a philosophical voyage through many realms religious and secular mathematical and poetic natural and mechanical Something akin to a Scottish Bill Bryson Amy Kernahan who was born and grew up on the Isle of Lewis the largest of the chain of islands off the northwest coast of Scotland sets out with her travelling companion her father to journey in the Antarctic and follow her dreams of seeing and even standing in the places where Sir Ernest Shackleton had been

Casting Shackleton in the role of Virgil to her Dante she follows his trail through the ice fields around the Antarctic Peninsula a vision here on earth as hellish as the frozen Lake Cocytus at the centre of Dante's Inferno Along the way the might of the sea and the glories of the Antarctic set Amy pondering themes of Judeo Christianity seeing Antarctica as a remnant of Eden unpopulated by both mankind and sin The mathematics of nature reveals itself to her and she is awed by the prophetic soul of Coleridge and his Ancient Mariner Amy has set out on her journey believing it to be a pilgrimage to Shackleton's grave but as she sojourns beneath striking southern skies where even the familiar is alien she realises that she is on another more spiritual pilgrimage called by the ancient Christians of her homeland peregrinatio the search for what they called the place of one's resurrection or true home The outcome although perhaps not surprising is not quite as clear cut as it might have been

Underclass John Welshman, 2007-01-10 Who are those at the bottom of society There has been much discussion in recent years on both Left and Right about the existence of an alleged underclass in both Britain and the USA It has been claimed this group lives outside the mainstream of society is characterised by crime suffers from long term unemployment and single parenthood and is alienated from its core values In Underclass A History of the Excluded 1880 2000 John Welshman shows that there have always been concerns about an underclass whether constructed as the social residuum of the 1880s the problem family of the 1950s or the cycle of deprivation of the 1970s There are marked differences between these concepts but also striking continuities Indeed a concern with an underclass has is many ways been as long as an interest in poverty itself This book is the first to look systematically at the question providing new insights on contemporary debates about behaviour poverty and welfare reform In a speech in 2006 Tony Blair signalled a major push on social exclusion He aimed to show the Government's determination to tackle a hard core underclass estimated at 1 m people. The focus in Whitehall had moved to what were termed high risk high harm and high cost families and to children in care teenage mothers and people with mental health problems on benefit In all of this the rhetoric of a cycle of deprivation and of inter generational continuities was ever present and it is those continuities that this book seeks to explore Will You Manage? Musa Okwonga, 2010-08-12 Bloody obvious isn t it tell the defenders to route one out to Drogba That's what they we been doing all night and look where it s got them The final ball has just not been weighted enough in any case his touch is too heavy 120 000 a week and look how little they put themselves about Players today are mercenaries in my day they lived and died for their local team It was a way of life now it s just a cheque at the end of the month blah blah Every weekend in pubs and living rooms all over the country women and mainly men discuss the day s games and how they could have done better than the cretinous manager Few people think they can fix their leaking sink better than a plumber or defend their dodgy cousin better than a barrister and yet every Tom Dick and Harriett is convinced that they can do a better job than their team s manager Why is this In Will You Manage Musa Okwonga breaks down the job of football management into its different components and shows exactly what skills the great managers have He interviews big and little cheeses on the football scene and provides essential tips for Fantasy Football success As a new season gets underway and managerial heads begin to roll the reader of Will You Manage will deservedly have a knowing sickening smirk on his face **Studies in General and English Phonetics** Jack Windsor Lewis,2012-08-21 Rhythm intonation exotic and familiar languages as well as computer sythesized audio communications procedures in forensic linguistics pronunciation lexicography language change and sociological aspects of speech such as English regional accents and dialects in Britain and other parts of the world are covered in these thirty eight articles in tribute to Professor J D O Connor by an international list of contributors including many world famous names With an invaluable up to date bibliography no university library will be complete without it

Only Fools and Stories David Jason, 2017-10-05 The Hilarious Number One Sunday Times Bestseller The follow up autobiography to one of Britain's best loved actors and national treasures As seen in David and Jay's Touring Toolshed on BBC Two In his first book David Jason told us about himself from his early years training as an electrician through to making it as one of Britain's greatest actors. This autumn in a follow up autobiography he tells us about the many other lives he has lived his characters From Del Boy to Granville Pop Larkin to Frost he takes us behind the scenes and under the skins of some of the best loved acts of his career And in the process he reflects on how those characters changed his life too The result told with his characteristic charm and wit is both funny and poignant honest and heart warming The ^AOxford Handbook of the British Musical Robert Gordon, Olaf Jubin, 2016-11-21 The first comprehensive academic survey of British musical theatre from its origins The Oxford Handbook of the British Musical offers both a historical account of musical theatre from 1728 and a range of in depth critical analyses of key works and productions that illustrate its aesthetic values and sociocultural meanings Superhero Comics and Scottish Identity David John Boyd, Julie Briand-Boyd, 2025-06-25 Superhero Comics and Scottish Identity explores the life and career of Glasgow born Eisner Award winning and internationally acclaimed Marvel DC and Image Comics artist Frank Quitely With a prolific career spanning more than three decades Quitely played a pivotal role in the British superhero renaissance of the 1990s and 2000s and in the explosive emergence of the Scottish new wave of comics a movement that included peers like Alan Grant Mark Millar and Grant Morrison but has been underrepresented in both comics studies and Scottish studies This work investigates questions of historical and contemporary expressions of Scottishness in transcultural comics genres such as superhero science fiction and fantasy Framed through the lens of comics and literary genres as well as their British and American editors Quitely's approach to Scottishness is oblique and self reflexive his expressions of Scottishness are tensely bound to current nuanced examinations of Scottish national literary and historical subjectivity His work oscillates between two axiomatic antipodes the regional provincial and local versus the transnational cosmopolitan and global This comprehensive study also features an in depth interview with Quitely as well as unearthed archives sketchbooks notes and donated or personal artworks not available elsewhere Where Did I Go Right? Geoff Norcott, 2021-05-13 Few people walk the line of thought provoking and laugh out

loud funny like Geoff Norcott Romesh Ranganathan Where Did I Go Right is sharp considered insightful and helped me make sense of the other side And because Geoff Norcott is so funny it unfortunately means I can t dismiss his views entirely It s so important to have a friend you can disagree with but still admire and Geoff can be that friend to you Katherine Ryan I ve always thought the benefit of having batsh t parents is it increases the chance of you growing up funny It's certainly worked for Geoff Norcott David Baddiel Brave and vividly evoked How the left lost me is a phrase that should haunt Kier Starmer et al Looking at the collapse of the red wall at the last election there do seem to be a lot of disgruntled Geoffs out there The Telegraph While I stand firmly at the other end of the political spectrum it provided fascinating and well considered insights into how the half think and as such should be read by both Reds and Blues Love Reading UK Voting Conservative is like buying a James Blunt album loads of people have done it but weirdly you never meet them Comedian Geoff Norcott should have been Labour through and through He grew up on a council estate both of his parents were disabled and his Dad was a Union man So how was it that he grew up to vote Tory In this courageously honest and provocative memoir Geoff unpicks his working class upbringing and his political journey from left to right Raised by a fierce matriarch and a maverick father on a South London council estate where they filmed scenes for The Bill Geoff spends his youth attempting to put out kitchen fires with aerosols and leaping in and out of industrial skips But as he reaches adolescence his political views begin to be influenced by major events including the early 90s recession the credit crunch and a chance encounter with Conservative PM John Major As an adult Geoff begins to have the gnawing feeling that the values and traditions he grew up with no longer match Labour's And as Brexit appears he feels even more like a double agent operating behind enemy lines Written with warmth wit and often laugh out loud humour Where Did I Go Right is Geoff's attempt to understand why he ended up voting for the bad guys and why blue collared conservatism could be here to stay Praise for Geoff Norcott A mature sharp take on modern politics The Sunday Times Gently abrasive but that s what makes him so entertaining with a sharp self knowing wit The Times Geoff Norcott genuinely has something original to say New European A refreshingly brilliant new comedic voice Spectator Norcott is an out and out rebel Express The Twelve Quizzes of Christmas Frank Paul, 2022-11-04 What do these people share in common Anne Boleyn Harry Bailey Ira Gershwin and Peppa Pig Legendary quizmaster Frank Paul invites us into our favourite Christmas stories with a twist Try to outwit a cold blooded child genius in his empty home save Christmas from the vengeful monster Grod and enjoy the cheesy romance of Love Factually From conundrums told entirely in Seussian verse to Die Hard inspired riddles Frank's puzzles offer an anti social alternative to all the revelry All you need for Christmas Good Nights Out Aleks Sierz, 2019-12-12 London's West End is a global success story staging phenomenal hit is Frank shows that have delighted millions of spectators and generated billions of pounds in revenue In Good Nights Out Aleks Sierz provides a thematic survey of such popular theatre shows that were enormous commercial successes over the past 75 years He argues that these outstanding hits have a lot to say about the collective cultural social and political attitudes and

aspirations of the country and about how our national identity and theatre's role in creating it has evolved over the decades. The book spans a range of work from almost forgotten plays such as R F Delderfield's Worm's Eye View and Hugh Hastings's Seagulls Over Sorrento to well known mega hits such as The Mousetrap and The Phantom of the Opera Such popular work has tended to be undervalued by some critics and commentators mainly because it has not been thought to be a suitable subject for inclusion in the canon of English Literature By contrast Sierz demonstrates that genres such as the British musical light comedy sex farce or murder mystery are worth appreciating not only for their intrinsic theatrical qualities but also as examples of the dream life of the British people The book challenges the idea that mega hits are merely escapist entertainments and instead shows how they contribute to the creation of powerful myths about our national life The analysis of such shows also points towards the possibility of creating an alternative history of postwar British theatre

**Frightmares** Ian Cooper, 2016-11-08 An in depth analysis of the home grown horror film each chapter anchored by close studies of key titles consisting of textual analysis production history marketing and reception **The DI Barton Crime** Series Boxset 4-6 Ross Greenwood, 2024-01-10 Discover the chilling DI Barton series from bestseller Ross Greenwood A rich cast of characters and an explosive plot kept me turning the pages until the final dramatic twist Richard Burke This boxset contains books 4 6 in the DI Barton series from Ross Greenwood The Cold Killer The Fire Killer The Santa Killer The Cold Killer When a tired old inmate is found dead in his cell the prison is obligated to investigate and so DI Barton attends The men he interviews have been convicted of some of the worst things a human being can do but it appears likely that the death was due to natural causes When the house of the dead man is burgled and that crime is followed by a suspicious fire Barton desperately needs to speak to his widow but she s nowhere to be found In the space of twenty four hours everyone he wants to talk to has vanished Barton's investigation goes full circle through a series of brutal murders back to the prison and all signs are pointing to the fact that he s made a terrible mistake The Fire Killer When DI Barton is asked to investigate a seemingly innocuous fire that kills he believes it s either children fooling around or a worrying racially motivated crime As he delves deeper into the case he soon realises that there is a history of similar blazes spread out over many years all within a close area An idea suggested by pathologist Mortis makes Barton suspect he has the arsonist's motives wrong When a night worker comes forward with a tip Barton narrows down the suspects But with all of them acting suspiciously he knows for sure that one or more of them must be lying And when a huge house blaze shocks everyone Barton fears the killer has lost all control The Santa Killer One night less than two weeks before Christmas a single mother is violently assaulted It s a brutal crime at the time of year when there should be goodwill to all When DI Barton begins his investigation he s surprised to find the victim is a woman with nothing to hide and no reason for anyone to hurt her A few days later the mother of the woman attacked rings the police station Her granddaughter has drawn a shocking picture It seems she was looking out of the window when her mother was attacked And when her grandmother asks the young girl who the person with the weapon is

she whispers two words Bad Santa The rumours start spreading and none of the city s women feel safe which one of them will be next. **The Cold Killer** Ross Greenwood, 2021-11-25 A shocking page turning crime thriller from top 50 bestselling author Ross Greenwood It's hard to live when you think you deserve to die When a tired old inmate is found dead in his cell the prison is obligated to investigate and so DI Barton attends The men he interviews have been convicted of some of the worst things a human being can do but it appears likely that the death was due to natural causes When the house of the dead man is burgled and that crime is followed by a suspicious fire Barton desperately needs to speak to his widow but she s nowhere to be found In the space of twenty four hours everyone he wants to talk to has vanished Then he receives some post which makes him believe he could be the next to disappear Barton's investigation goes full circle through a series of brutal murders back to the prison and all signs are pointing to the fact that he s made a terrible mistake There s a violent killer on the loose who wants everyone to learn that some people deserve to die Praise for Ross Greenwood Ross Greenwood is at the top of his game O I Mullen Move over Rebus and Morse a new entry has joined the list of great crime investigators in the form of Detective Inspector John Barton A rich cast of characters and an explosive plot kept me turning the pages until the final dramatic twist Richard Burke Master of the psychological thriller genre Ross Greenwood once again proves his talent for creating engrossing and gritty novels that draw you right in and won t let go until you ve reached the shocking ending Caroline Vincent at Bitsaboutbooks blog Ross Greenwood doesn't write clich's What he has written here is a fast paced action filled puzzle with believable characters that s spiced with a lot of humour Kath Middleton
