Some Of It Was Funny:

Some of the Funniest Things Happen in the Most Unlikely and Unexpected Places Glenn W. Martin, 2005-03-03

This collection of stories was written for only one purpose to make you laugh These stories are not aimed at your mind but at your funny bone They are not supposed to make you smarter or wiser but might keep you from taking yourself and life too seriously When enjoying these stories you may venture into restaurants or churches attend weddings or funerals and spend some time in the Army And you may meet people who did not intend to be funny but did funny things These stories should put a smile on your face and a chuckle in your voice And if you laugh out loud that would be okay too Laughter is not only good for your health but it also does wonders for your spirit and your soul

Principles of Philosophy Michael Jean Nystrom-Schut, 2018-10-27 Not just anyone sits down to write their own personal Bible The famous one popular with millions of Christians was penned by 35 40 different authors over a span of some 1100 years As of 1995 it was still considered Guinness the world s 1 best seller of all time In stark contrast Michael s 2 volume Principles of Philosophy was meditated contemplated drafted and written in deep anonymity and solitude over a daily and nightly 30 month span His two books come in at over 800 000 words the same as ten 80 000 word works With the King James Old and New Testament totaling just over 783 000 words it is easy to see why Michael views himself as both prolific plentiful and loquacious talkative when it pertains to laying down thought As the Bible is for millions on the planet Michael feels his principles are also a template an owner s manual a guidebook for in particular how to 1 view life on earth 2 work on the detail of one s philosophy and worldview and 3 examine and conduct a balanced meaningful existence on this planet The Holy Bible consists of 80 books 39 in the Old Hebrew part 14 in the Apocrypha and 27 in the New Christian part Michael s Principles Volumes One and Two each cover 84 chapters of the basic areas of life as he views them with 21 chapters outlined each for 1 the mental 3 the social and 2 the material 4 the spiritual areas of our lives A detailed numbering system is in place for quick reference to topics Each volume happens to come in at 613 entries making a total of 1226 separate entries in the two books By dictionary definition a principle is defined as a fundamental truth or proposition that serves as the foundation for a system of belief or behavior or for a chain of reasoning This is precisely why he chose principles in the title His own personal philosophical principles are what he tries to practice daily Michael even states they are likely the reason he is still with us in bodily form on the earth and remains in relative possession of his right mind as well Since leaving organized religion early on in life these tenants practiced in balance have been what Michael has focused on for several decades They work well for him In the course of these pursuits he says he has come to thousands of conclusions And they all point to the balanced life As he insists for him it is all about equivalent portions of mind mental body material relationships social and spirituality God the Universe Basically everything can be summed up within these four primary areas of life Michael seems to never hesitate to conclude that he has found his own personal means of salvation in the midst of pursuing his balance of the Principles of Philosophy Tanya Walker

The Todd Glass Situation Todd Glass,2015-06-23 A triumphant The New York Times memoir from beloved comedian Todd Glass about his decision at age forty eight to finally live openly as a gay man and the support from his illustrious collection of comedy pals As Todd Glass tells it growing up in a Philadelphia suburb in the 1970s was an easy life Well easy as long as you didn t have dyslexia or ADD or were a Jew And once you added gay into the mix life became more difficult So Todd decided to hide the gay part no matter how comic tragic or comically tragic the results It might have been a lot easier had he chosen a profession other than stand up comedy By age eighteen Todd was opening for big musical acts like George Jones and Patti LaBelle His career carried him through the Los Angeles comedy heyday in the 1980s its decline in the 1990s and its rebirth via the alternative comedy scene and the explosion in podcasting But the harder he worked at his craft the more difficult it became to manage his situation

There were the years of abstinence and half hearted attempts to cure himself The fake girlfriends so that he could tell relationship jokes onstage The staged sexual encounters to burnish his reputation offstage It took a brush with death to cause him to rethink the way he was living his life a rash of suicides among gay teens to convinced him that it was finally time to come out to the world Welcome to The Todd Glass Situation your front row seat to more than thirty years of comedy history and a deeply personal story about one man s search for acceptance This is a humorous lively and humane memoir Kirkus Reviews *Waiting for Good News* Sally Wilke,2018-08-01 Support and wisdom when serious illness strikes Sally Wilke gets it She has lived with and through the serious chronic illness of someone she cared deeply about And she has provided pastoral care to individuals and families in similar situations Waiting for Good News captures her hard won helpful and hope filled wisdom Wilke organizes this book around seven questions that those who face serious illness often ask From What Is the Diagnosis to Where Do I Find More Help she accompanies readers on their own journey The heart of the book is the stories Wilke s own those of others who have struggled with severe illness and accounts from the Bible Here readers will find strength support and a way forward in a difficult situation As practical as she is wise Wilke offers tools tips ideas and resources for reflection and for obtaining additional support Chapters conclude with questions that may be used for personal reflection and discussion with family members patients and support groups Clergy other pastoral care providers and family and friends of those who struggle with serious illness will find examples and helpful practices to guide their efforts as they partner with those seeking to find their way
