protests in Kingston Jamaica against British colonial rule While history books rightly credit Mahatma Gandhi and Martin Luther King Jr with popularizing nonviolent protest strategies in later years little is known about Leonard Howell and his vision of self reliance poor people working together to build a society of their own When Howell first started preaching on street corners in Kingston he was immediately perceived as seditious and he became a target for police harassment Howell soon founded an organization called the Ethiopian Salvation Society His idea was to add a religious element to Marcus Garvey s message of African independence Although Christian values were part of his belief system he decided to make a break from the Christian interpretation of the Bible and extend the idea of divinity to a living man Emperor Haile Selassie I who had been crowned king of Ethiopia in 1930 Jamaican journalists coined a name for the group the Ras Tafari or Rastas Howell was arrested several times and was eventually found guilty of sedition and sentenced to prison for two years of hard labor In 1940 Howell and his growing group of followers moved to an old estate in the parish of St Catherine They named their land Pinnacle and for the next sixteen years built a self reliant community that would ultimately give birth to the Rastafari movement In 1942 Leonard Howell s wife Tenneth gave birth to their second child who they named Bill In Pinnacle The Lost Paradise of Rasta Bill Blade Howell offers his firsthand account of this utopian community that suffered near constant persecution from Jamaican authorities Howell also dispels many misguided notions about the origins of Rastafari culture including allegations of sexism and homophobia Pinnacle was built on egalitarian principles and steered clear of all religious dogma Pinnacle The Lost Paradise of Rasta provides a crucial and highly informed new perspective on the Rastafari subculture that Bob Marley would later help to spread across the globe The volume includes photographs and original documents related to Pinnacle

WHAT YOU CAN T SEE CAN KILL Deputy Sheriff William Shannahan doesn t feel like a detective at least not like the ones he admires on TV Not that he needs to be the small town of Graybel Mississippi is a peaceful place with acres of farmland neighbors who always

take care of their own and noise from the outside world muted by a hundred miles of forest That silence is about to be broken When a child is found dead in the woods the medical examiner deems it a dog attack But the paw prints belong to something far larger than any creature in the Mississippi forests and what animal would remove the victim's eyes Though no one believes him William can't shake the feeling that a human killer lurks in the shadowed woods And his girlfriend Cassie has a son the same age as the victim Cassie Parker was raised amid horrors she's long pushed from her mind but her scars won't let her forget Nor do the hallucinations dreams so vivid she can feel and smell and taste them And no one is more terrified than Cassie when another victim is found mauled to death because this body has been drained of blood She knows exactly what type of person would sacrifice a child and why they're after hers But how can she explain it to William This is William's chance to act like a detective to protect the woman and child he's desperate to save Pushing back against prejudice and presumption he uncovers a trail of cruelty that spans decades but each clue brings him closer to a truth more horrifying than killer beasts in the forest For concealed beneath small town politics is knowledge that will shatter everything he knows to be true about his town and the people in it O'Flynn weaves elements of the procedural and the occult into a masterful psychological thriller replete with staggering unpredictable twists Readers should beware any notion that they can predict the ending of *Shadow's Keep* Believe me reader you cannot Bestselling Author Wendy Heard
