Some Through The Waters:

Do Not Be Deceived! G. Matthew Forbes, 2021-08-13 Be strong in the Lord and in the power of his might Put on the whole armour of God that ye may be able to stand against the wiles of the devil For we wrestle not against flesh and blood but against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in high places Wherefore take unto you the whole armour of God that ye may be able to withstand in the evil day and having done all to stand Stand therefore having your loins girt about with truth and having on the breastplate of righteousness And your feet shod with the preparation of the gospel of peace Above all taking the shield of faith wherewith ye shall be able to quench all the fiery darts of the wicked And take the helmet of salvation and the sword of the Spirit which is the word of God Ephe

Blessed Dr. Richard Marklund, Ann Marklund, 2025-07-08 Blessed Blessed Eight Steps to Emotional Relational Spiritual Wholeness The Healing Power of the Beatitudes will challenge the reader to a deeper application of Jesus's words as they apply to health in a contemporary global context Overview Blessed to be envied wealthy fortunate happy Yes This is what one seeks in life But after forty years of preaching about the Beatitudes the most famous Blessed passage in the Bible the authors feel strongly that what the Lord says leads to blessings and what the World means by blessings are almost diametrically opposed Blessed Eight Steps to Emotional Relational Spiritual Wholeness The Healing Power of the Beatitudes explores the excruciating journey everyone must take to arrive at a life of fulfillment and joy Jesus leaves us guidelines that transcend time and culture Modern psychology and sociology have many insights for this journey however they are not really modern The Bible outlined these processes thousands of years before our current academic pursuits discovered them Describing current psychological thought such as archetypes and self-fulfilling prophecy through the lens of the Beatitudes provides the reader with a means to discuss and apply biblical truths The authors seek to add a cultural depth to the understanding of health and wholeness as they reflect on their years of overseas ministry Cultural sidebars enlighten the topics discussed Stories about beggars exemplify filial piety are included Each blessed is part of a relationship an attitude Humankind is responsible for four basic relationships with self society nature technology and God How do the specifics of the Beatitudes express themselves through these relationships How does one bring wholeness out of the dysfunction in each of these areas The Beatitudes have the answer The Beatitudes succinctly demonstrate how to progress in life and the specific rewards for one's efforts The Beatitudes were presented by Jesus as the beginning of his Sermon on the Mount They encapsulate his teaching as very few other statements They were examined for millennia by specific scholars of that time who spoke directly to that culture and people group Contemporary culture looks for an approach that examines Christ's words from a psychological sociological perspective and speaks to relationships
