spurring them to new career heights and new levels of personal achievement Reading *Mergers Acquisitions The Human Side* gives servant leaders what they need to thrive in a robust new world *The Management of People in Mergers and Acquisitions* Theresa A. Daniel, Gary Metcalf, 2001-05-30 Financials alone don't make an M A deal work Equally important is what's behind them an organization's people How to understand this reality and benefit from it is the thrust of this unusually comprehensive practical readable but conceptually rigorous book Daniel and Metcalf see HR executives as change agents during the delicate maneuverings before a deal is done and then after when it's time to tackle the fine grained problems of integrating disparate corporate cultures and the people who vitalize them They examine the recent and ongoing waves of mergers and acquisitions across industries setting them in the broader context of organizational change With concepts theory and real life examples drawn from their long impressive experience as consultants and executives Daniel and Metcalf provide step by step guidance through the stages common to all corporate combinations They define and explain the roles to be played in the process by HR professionals and executives elsewhere in the organization and show how by interacting productively with each other they will thus maximize the total contribution to the success of any corporate transaction

*Balancing Employee Needs with Organizational Wants in a Merged Culture, a Process that Allows Both Parties to be Successful, to Find Vitality and Validity, and to Better Compete in Today's Global Economy* Richard D. Thomson, 2004 The intent of this research was to answer the question how do leaders in a merged organization balance employee needs with corporate wants a process that allows both parties to be successful to find vitality and validity and to better compete in today's global economy The review of popular books and research showed that for both parties to win in this ever changing cycle of change an organization must first must put the right people in the right positions and then allow those employees to be motivated by a leader who can direct communicate make difficult decisions fairly and care about them as contributors Leaf 3

*The Human Side of Mergers and Acquisitions* Anthony F. Buono, James L. Bowditch, 2003 This eye opening study based on the authors direct and personal observation of a bank merger has three basic analytical focuses the human issues presented by mergers at both an individual and a cultural level the organizational issues that these human concerns raise and the resulting implications for managing the merger and acquisition process With keen insight the authors delve into a complex web of reactions The intrigues cultural clashes hostilities and tensions that emerged from this friendly merger are mind boggling The dynamics that characterized the dual nature of the merger run the gamut of human responses to a stressful situation trust and betrayal openness and deception hope and despair support and retaliation all driven by nascent opportunities or restricted options This impressive study has many lessons to teach about the role that human resource considerations should play in any large scale organizational change ***The Employee Survival Guide to Mergers and Acquisitions*** Price Pritchett, 1987
