**The Gentleman's Magazine**, 1877 **Why Kierkegaard Matters** Marc Alan Jolley, 2010. Monographs on philosophers multiply daily but on occasion the question of why a particular philosopher matters. If we stop thinking about them by asking why then will they cease to exist. When Mercer University Press opened its doors more than thirty years ago it committed itself to religious studies in general and to several thinkers. One of those was Søren Kierkegaard. Now as the Press concludes a major publishing event with the completion of the International Kierkegaard Commentary it seeks to honor the only series editor it has known Robert Perkins. The method of this honor is by asking *Why Kierkegaard Matters*. The leading Kierkegaard scholars have contributed essays that range from the very personal and memoir-esque to the academic and analytical. As a result this festschrift is not only a book to honor an extraordinary editor but is in its own right a major contribution to the assessment of the importance of Kierkegaard. Written with the general reader in mind this collection will prove useful by both scholar and student and will lead the general reader to encounter one of the most original Christian philosophers in the history of the world. *The Madness of Crowds* Louise Penny, 2021-08-24. Chief Inspector Armand Gamache returns to Three Pines in 1 New York Times bestseller. Louise Penny's latest spellbinding novel. You're a coward. Time and again as the New Year approaches that charge is leveled against Armand Gamache. It starts innocently enough. While the residents of the Quebec village of Three Pines take advantage of the deep snow to ski and toboggan, to drink hot chocolate in the bistro and share meals together, the Chief Inspector finds his holiday with his family interrupted by a simple request. He's asked to provide security for what promises to be a non-event. A visiting Professor of Statistics will be giving a lecture at the nearby university. While he is perplexed as to why the head of homicide for the Sûreté du Québec would be assigned this task, it sounds easy enough. That is until Gamache starts looking into

Professor Abigail Robinson and discovers an agenda so repulsive he begs the university to cancel the lecture They refuse citing academic freedom and accuse Gamache of censorship and intellectual cowardice Before long Professor Robinson s views start seeping into conversations Spreading and infecting So that truth and fact reality and delusion are so confused it s near impossible to tell them apart Discussions become debates debates become arguments which turn into fights As sides are declared a madness takes hold Abigail Robinson promises that if they follow her a va bien aller All will be well But not Gamache and his team know for everyone When a murder is committed it falls to Armand Gamache his second in command Jean Guy Beauvoir and their team to investigate the crime as well as this extraordinary popular delusion And the madness of crowds **Littell's Living Age** ,1882 *Club 217* A R Harris,2019-01-15 Inside a city full of nameless faceless anonymity Two people adrift in their own personal nightmares meet Can they face the secrets that threaten to destroy them both And can they escape Club 217
