

A portrait of Eric Benét in a recording studio. He is wearing dark sunglasses and a dark, shiny, button-down shirt. He is sitting and looking directly at the camera with a slight smile. A vintage-style silver microphone is suspended in the air to his left. The background is dark and out of focus.

authority and offer to that authority explicit intellectual allegiance This is most obvious in the development after the classical period of the philosophical schools with agreed founders and most importantly canonical founding texts There also developed a tradition of commentary interpretation and discussion of texts which itself became a mode of philosophical debate As time went on the weight of a growing tradition of reading and appealing to a certain corpus of foundational texts began to shape how later antiquity viewed its philosophical past and also how philosophical debate and inquiry was conducted In this book leading scholars explore aspects of these important developments
