Something Special Redfeathers:

The Haunting at Red Feathers Peter Meredith, 2011-02-16 There is nothing more frightening in the world of horror than a ghost story that is actually true When Peter takes his new wife Stacy up to the mountains for a weekend of fishing hiking and hopefully some intense cuddling their day starts off great when they think they find the perfect spot The seclusion of the little lake seems at first to be a plus but they soon realize that there is a reason the area around the black waters and the looming hills is empty Don't let the night catch me here These are the words that run through their minds as the day folds in on itself with terrifying speed releasing something blacker than the night This book contains three stories all of which are paranormal in nature The first two are works of non fiction true to life ghost stories if you can believe it but the third is completely fictional
