Welcome to Japan's Dark Side! Bertrand Puard Mcskyz, 2025-10-21 Explore the shocking true crime stories that have rocked Japan revealing the hidden complexities

beneath a seemingly orderly society In this gripping collection true crime expert Mcskyz uncovers eight infamous cases that reveal a side of Japan rarely seen From the notorious Lucie Blackman case to the chilling story of a model s tragic end at the hands of her own brother these stories expose the darker undercurrents of a society often seen as safe and predictable Among the cases explored are A futon salesman who defrauds and murders seven people Masumi Hayashi who poisons a family with arsenic laced curry Three individuals who bring their disturbing fantasies to life on the Dark Web A bank robber who poisons twelve employees and then vanishes A shocking case of violence at a Tokyo elementary school Follow the investigation uncover the psychology of the perpetrators and learn about the trials that followed each crime With detailed accounts and a deep dive into the justice system this book provides a compelling thought provoking look at Japan s criminal underworld

*Summer in Paradise* R. J. Hore,2024-06-10 Only one road leads to paradise and he found it University graduate James Witson needs a change of scene in order to get away from the English professor who ruined his life and the other painful memories James wants to forget He randomly chooses a remote coastal village in which to find himself and write a great novel Paradise Cove is perched on the edge of the continent a thin strip of civilization between the storm tossed ocean and a thick dark forest Most of the locals appear friendly enough although they hold a few odd beliefs such as little people in the forest and a White Lady who haunts the by ways James has no use for ghosts or witches but even he has to admit things in Paradise Cove are strange From the mansion down by the harbor that looks more like a pagan temple than a home to the uncanny way the girl at the general store anticipates his wishes But James isn t the only one hunting for something An archaeologist is already in the village rummaging through her rental house trying to find an old journal that is the key to a mysterious tomb and possible riches When Dr Edith Bernard s student helpers flee the dig site on the barrens she enlists James as her assistant As they try to understand why the original inhabitants abandoned the area over two thousand years before the Europeans arrived there are more questions than answers Searching for himself James Witson finds far more than he bargained for

*Back to Black* Donald Brackett,2016-11-01 Book Be a fly on the wall of sound get the inside history and behind the scenes events in the making of a masterpiece In this refreshing book which focuses solely on Amy Winehouse s musical artistry stylistic influences and creative collaborations with great producers and musicians instead of her personal problems Donald Brackett explores pertinent questions about the importance of pop music in contemporary culture In this incisive and fascinating study of Amy Winehouse s second and last album released in 2006 *Back to Black* he opens the door not only to the full experience of this great record but also explores the seductive sonic hook that pop artists always strive for and unearths what makes the record unique influential and unforgettable He reveals the creative steps in its inception and production the technical virtuosity that makes it special and why it deserves to be considered a pop classic In an album that continually strips down the branches of popular music to draw from its muscular trunk Amy Winehouse with significant help from producers Mark Ronson and Salaam Remi used the deep longing of 60s girl group pop such as the

Ronettes to fuel the torch sound she perfected in her debut Brackett fully considers Winehouse's legacy ten years after her multi Grammy winning album exploring the origins of a global cultural phenomenon by examining her roots as a storyteller studying her swift arrival as a demonic pop diva the crucially important creative role played by her gifted producers in the studio the historical musical influences on her style the soul magic of her superb backup band the Dap Kings her live performance style onstage and her magnetic public image as a video star Back to Black is also explored song by song in an appreciation of its status as a true pop art artifact In the end it's the songs that make up Back to Black which go far beyond our potentially prurient fascination with the unique singer's early demise five years ago and instead bring vibrantly to life the surprising pop majesty she personified
