Something of Myself for My Friends Known and Unknown ,1937 **Something of myself** Rudyard Kipling, 1964 Kipling's Something of Myself for My Friends Known and Unknown ,1937 **Rudyard Kipling: Something of** Myself and Other Autobiographical Writings Rudyard Kipling, 1991-06-28 Rudyard Kipling's autobiography Something of Myself was the author's last work but it has not received the serious attention it deserves Thomas Pinney's edition of the work supplemented by other autobiographical pieces aims to change that Professor Pinney a leading textual editor currently engaged on Kipling's letters has consulted the available source material relating to Something of Myself He has constructed an outline of the book's composition described the history of its publication established a text and a set of variants and given a critical account of the book s design and its main themes His annotations to the work and to the supplementary pieces identify references and allusions and provide a biographical context against which Kipling's selections omissions and distortions may clearly be seen The extent to which Kipling's description of his life failed to match what actually happened is extraordinary Two of the additional items presented here Kipling's Indian diary of 1885 and the illustrations he made for his autobiographical story Baa Baa Black Sheep are previously unpublished Pinney shows how they and other forms of autobiographical writing reflect upon or complicate the narrative of Something of Myself This carefully prepared edition sheds new light on Kipling as a man and writer Something of Myself Rudyard Kipling, 2020-09-07 This unfinished autobiography by Rudyard Kipling offers a glimpse into the author's early life and some of the periods he spent working on his most famous books and poems Little of this autobiography refers to the private life of the author his purpose instead being to shed light on the creative inspirations which he saw and which inspired Kipling's celebrated literary works However Kipling does mention early recollections such as how as a child in Southsea he was introduced to the ideas of adventurous travel by his father A bookish person by nature Kipling also remembers the stories he enjoyed in these formative years Once the narrative reaches his young adulthood Kipling reminisces on the appearance and atmosphere of far flung locales in which he lived and travelled Life in colonial India and South Africa is described in detail the duties Kipling had and times spent with the garrison soldiers and others at the British Club the culture of the locals and everyday life in the villages and towns As such we gain an impression of the life which inspired acclaimed works such as the Jungle Book and Kipling s characteristic verses that remain well recognized in the modern day *The Cambridge Companion to Rudyard Kipling* Howard J.
