**A Pastor's Story** Pastor Dave,2016-01-23 What makes an ordinary man husband coach or restaurant owner suddenly wake up one morning and wonder about God David Stevens was just a regular guy making a living and providing for his wife and family and who loved to spend his weekends with friends having drinks dancing and sleeping in on Sunday morning Dave figured he had plenty of time left to get things right until the night he had the dream that made him realize that his life could end at any moment before he got things right with God Daves search brought him to the realization that his life was not about Dave but it was about God Dave discovered that God had not just a plan for him but a calling on Daves life to go and tell people about the saving grace of Jesus Christ Dave went from just an ordinary man to an extraordinary man of God who preaches and teaches about the salvation we can all receive through Jesus Christ Through the incredible teachings of Christ in the Bible and the testimonies of other godly men Daves life was transformed from a man centered on what the world said was acceptable to a man who desired on what God said was acceptable He met men and women whose lives had been changed because of their interaction with Christ through dreams through life experiences or through the revelation of Christ Pastor Dave as he is now known shares his journey of coming to Christ through his own experience of meeting the Savior As he was mentored by other men of God Pastor Dave began to see the urgent need to share the love mercy and grace of surrendering ones life to Christ and sharing that message with his friends and family and finally to others Minister Bonetta J Hutson

*The Framework of the Story of Jesus* Karl Ludwig Schmidt,2021-04-14 Now available for the first time in English Karl Ludwig Schmidt s The Framework of the Story of Jesus Der Rahmen der Geschichte Jesu has been a foundation of New Testament studies Through meticulous analysis Schmidt demonstrates that the Synoptic Gospels are collections of individual stories that circulated orally and independently in the earliest Christian communities In their oral forms most of these traditions existed apart from any sequence or specific temporal or geographic location The chronology and locations now evident in the Gospels Schmidt argues are frameworks that the evangelists applied to the stories while collecting and recording the oral traditions Across much of the twentieth century and even into the present day this argument has undergirded Gospel interpretation But given that The Framework of the Story of Jesus remained untranslated Schmidt s ideas have been sometimes ignored and often misunderstood Synoptic Gospels discussion and study will surely be enriched by engagement with the evidence and argument of this classic
