Something Wicked Five Star Romance:

Something Wicked in L.A. Suzanne G. Rogers, 2019-09-21 Demons are pouring into Los Angeles and Tori seems to be the only one who notices. If she can manage to survive past her eighteenth birthday she hopes to graduate from her performing arts high school. Unfortunately, something wicked this way comes, and the only thing standing between her and a blood sacrifice is a mysterious new classmate, a classically trained actor from London who knows more about her than she does herself. This version includes the prequel *Apocrypha*, which introduces the character Jem, the Demon Jem, who is dedicated to the diabolical through and through but is the demon losing her taste for leading the susceptible into sin. One man thinks so, and he uses her image in his supernatural game. Is Jem destined to be anything more than a beautiful face on a playing card, or will she ultimately have a greater role in the real-life battle between good and evil? Darkly humorous and witty, *Something Wicked in L.A.* will keep you guessing until the end.
