Hertzke, 2015-01-13 This truly interdisciplinary volume brings together respected historians social scientists legal scholars and advocates As their contributions attest understanding religious freedom demands taking multiple perspectives The historians guide us through the contested legacy of religious freedom from the nation s founding and the rise of public education to the subsequent waves of immigration that added successive layers of diversity to American society

Interfaith Marriage in America E. Seamon, 2012-11-09 Seamon explores the historical theological and societal dynamics of religious intermarriage as a way to introduce scholars to the myriad of factors that have contributed and will continue to contribute to the complete transformation of religion and Christianity in the twenty first century Darwin Day in America John G. West, 2014-04-22 At the dawn of the last century leading scientists and politicians giddily predicted that science especially Darwinian biology would supply solutions to all the intractable problems of American society from crime to poverty to sexual maladjustment Instead politics and culture were dehumanized as scientific experts began treating human beings as little more than animals or machines In criminal justice these experts denied the existence of free will and proposed replacing punishment with invasive cures such as the lobotomy In welfare they proposed eliminating the poor by sterilizing those deemed biologically unfit In business they urged the selection of workers based on racist theories of human evolution and the development of advertising methods to more effectively manipulate consumer behavior In sex education they advocated creating a new sexual morality based on normal mammalian behavior without regard to longstanding ethical and religious imperatives Based on extensive research with primary sources and archival materials John G West s captivating Darwin Day in America tells the story of how American public policy has been corrupted by scientific ideology Marshaling fascinating anecdotes and damning quotations West s narrative explores the far reaching consequences for society when scientists and politicians deny the essential differences between human beings and the rest of nature It also exposes the disastrous results that ensue when experts claiming to speak for science turn out to be wrong West concludes with a powerful plea for the restoration of democratic accountability in an age of experts Socialist Revolution in America Simona Pipko, 2021-09-20 We are at war This war is aimed at you your family your country and the Western Civilization as a whole

Afghanistan and the Socialist Revolution in America are parts of this long war As a compilation of articles written during the last thirty years this book represents the history of ideology that brought the world and America to its current crisis The pages of this book reveal the faceless and nameless enemies that have been secretly operating under the radar for decades The book exposes the driving force behind the International Terrorism today Russia and her Counterintelligence operations Being a profound and meaningful work this book is a rich arsenal of information based on the author s first hand experiences and factual data This book will bring to light myriads of compelling and grim secrets behind such names as Joseph Stalin who married the Communist ideology with Islamic Jihad Yuri Andropov who designed the monumental infiltration into the midst of our society by simultaneous intrusion of our intelligence apparatus and the media and Vladimir Putin who is successfully implementing their strategy in the 21st century Exposing the core of today s terrorism its roots ideology and operations Socialist Revolution in America is an eye opener in comprehending the major underlying problems in America and the world To survive and win this war awareness and knowledge of the enemy is urgent and crucial
