In the Open Timothy E. Donohue, 1997-11-08 Timothy Donohue lives in a world we have seldom understood He spends his days in missions and flophouses daily labor offices and the work they provide public libraries in which this and other manuscripts have been written and many campsites in several states including Minnesota California Nevada and Hawaii These campsites are neglected corners of out of the way lots where Donohue pitches his small tent and keeps his belongings or they are culverts or abandoned boxes and containers where his gear is stolen Remarkably his writings have somehow survived his bouts of self destruction and the accidents and vicissitudes of his hard life We see his world from the inside We learn the coping strategies the natural reactions the logic and self deceptions of the homeless alcoholic Donohue remembers most of the details of his prodigious drinking Alcohol produces pleasant highs increasing his perceptual acuity and his poetic appreciation for landscape He experiences momentary optimism followed by pits of despair Alcohol becomes the Devil s visit the ruination of all plans the substance that leads him to alienate those he loves and even to insult strangers and otherwise behave in a manner for which he later feels revulsion and guilt Donohue tries to stop drinking using rational methods such as limiting his drinking to a predetermined amount but fails He inherits money which he will use as the basis of a sober productive life but fails Yet his life is suffused with hope and will Donohue spends many nights in the desert writing songs and melodies He calls upon Emerson when discussing balance and natural justice in creation he reflects on Einstein s theories of space and how they confirm the existence of God He even develops an extensive proposal for food stamp reform while working for a food processing industry Donohue is an economist a composer a social critic a theologian and a writer whose prose is as honest and uncompromising as it is fluid and poetic *In the Open* is a brilliant journal Like Orwell s *Down and Out* it will make an enduring contribution to our understanding of a fringe of social life

Time Travel in Popular Media Matthew Jones, Joan Ormrod, 2015-03-27 In recent years numerous films television series comic books graphic novels and video games have featured time travel narratives with characters jumping backward forward and laterally through time No rules govern time travel in these stories Some characters move by machine some by magic others by unexplained means Sometime travelers can alter the timeline while others are prevented from causing temporal aberrations The fluid forms of imagined time travel have fascinated audiences and prompted debate since at least the 19th century What is behind our fascination with time travel What does it mean to be out of one's own era How do different media tell these stories and what does this reveal about the media's relationship to time This collection of new essays the first to address time travel across a range of media answers these questions by locating time travel narratives within their cultural historical and philosophical contexts Texts discussed include Doctor Who The Terminator The Georgian House Save the Date Back to the Future Inception Source Code and others

Love in the Afterlife Richard Striner, 2016-04-29 This is a definitive study of films that have been built around the themes of love death and the afterlife films about lovers who meet again and love again in heaven via reincarnation or through other kinds of after death encounters Far more than books about mere ghosts in the movies or religion in movies Love in the Afterlife presents a complex but highly distinctive and unique pattern the love death afterlife pattern as it was handed down by the ancient Egyptians and Greeks in the Isis and Orpheus myths for example developed by Freud and his followers in the duality of Eros and Thanatos and then featured in popular movies from the 1920s to the recent past Among its other qualities Love in the Afterlife may encourage readers to look at movies differently and reflect upon the possibility that other patterns in cinema may have gone undetected for years Furthermore this book will show how the love death afterlife theme found its way into all sorts of different film types melodramas comedies war films horror films film noir

and other genres The book will be well illustrated and quotations from film reviews will enliven its pages A long appendix gives production data on almost sixty individual films
