Sommers Scandal The Felling Of Trees And Tree Lords:

The Sommers Scandal Betty O'Keefe,Ian Macdonald,1999 In 1953 Forests Minister Robert E Sommers was one of the most powerful men in BC able to influence the province s major industry forestry with a stroke of his pen Five years later he plummeted from the heights when he was sent to jail for conspiracy and accepting bribes The Sommers scandal was the first and biggest stain on the record of Premier W A C Bennett s Socreds Betty O Keefe and Ian Macdonald have recreated those stormy days of the mid 1950s when Sommers Bennett Attorney General Robert Sommers Phil Gaglardi and Gordon Gibson rocked the rafters of the Legislature with bellowed accusations and denials Weaving interviews with major players and the media reports of the day they show the relentless process by which Sommers was finally brought to trial and reveal the confusing array of verdicts for Sommers and his co accused The Sommers story is also the story of BC s forest industry The forest management system was under attack and investigation as the Sommers scandal unfolded and the decisions made in the 1950s set the course for the death of logging towns the corporate concentration and the crisis of overcutting some 30 years later

Canadian Holy War Ian Macdonald,Betty O'Keefe,2011-02-01 Scottish nursemaid Janet Smith was the victim of a 1924 tragedy that ignited racial tension in a very young Vancouver At the core of the issue were the mysterious circumstances surrounding Smith s death particularly the fact that the only other adult in the house at the time was the Chinese houseboy When Smith s death was followed by the assassination of Davie Lew a well known Chinese man it only strengthened the European view that Vancouver s Asian community was a hotbed of violence and corruption Newspaper editors and most of Vancouver s white community raised an outcry charging the police with incompetence and demanding arrests while Presbyterian indignation called for law and order as well as an end to Chinese immigration Before the summer was over the tongs of Chinatown and the clans of Canada s West Coast were set to defend their own and one Scottish minister went so far as to declare it a time of holy war

Dr. Fred and the Spanish Lady Betty O'Keefe,Ian Macdonald,2004 In the wake of SARS and H1N1 this story of medical health officer Dr Fred Underhill and his battle against the 1918 Spanish influenza that killed 25 to 50 million people worldwide is particularly relevant Underhill is symbolic of the senior public health officers in cities across Canada and the U S who mounted the best defence they could against the killer flu His vision his tireless efforts and his dialogue with colleagues in Seattle and elsewhere saved many lives And his patient advice and findings are still relevant today as we await the new viral epidemics that undoubtedly lie ahead In their enlightening account of the events of that era authors O Keefe and Macdonald have crafted a compelling story of people coming together in a time of crisis

Scandal!! William Rayner,2001 Lotus Land s scandals of the past 130 years may seem to be all about money but there s also been sex corruption staggering incompetence and outright lies Jump aboard as veteran political junkie William Rayner explores BC s scandal ridden history Read about the comely juror and the murder suspect the two politicians who fell in love on the job the crooked cops the scam artists the double talking bureaucrats and above all the

fast ferries from hell **Militant Minority** Benjamin Isitt, 2011-01-01 Militant Minority tells the compelling story of British Columbia workers who sustained a left tradition during the bleakest days of the Cold War Through their continuing activism on issues from the politics of timber licenses to global questions of war and peace these workers bridged the transition from an Old to a New Left In the late 1950s half of B C s workers belonged to unions but the promise of postwar collective bargaining spawned disillusionment tied to inflation and automation A new working class that was educated white collar and increasingly rebellious shifted the locus of activism from the Communist Party and Co operative Commonwealth Federation to the newly formed New Democratic Party which was elected in 1972 Grounded in archival research and oral history Militant Minority provides a valuable case study of one of the most organized and independent working classes in North America during a period of ideological tension and unprecedented material advance **Canadian Books in Print. Author and Title Index** ,1975 **Quiet Reformers** Ian Macdonald, Betty O'Keefe, 2010 This lively biography of Bishop Edward Cridge and his wife Mary paints a vivid picture of early Victoria as it developed from an isolated Hudson s Bay Company post into the bustling capital of British Columbia Recruited from England by Governor James Douglas in 1854 to be the Church of England chaplain of Fort Victoria Edward Cridge became an important figure in the spiritual life of the city as the rector of Christ Church The Cridges also became two of Victoria s foremost social reformers leaving an indelible mark on British Columbia s social institutions Living through the terrible smallpox and black measles epidemics the latter taking four of their own children the inseparable pair worked to create the first hospital beginning with a few beds in a rented cottage and living to see it transformed into the Royal Jubilee As the first superintendent of education Cridge played an essential role in B C s early school system When abandoned children were left at the parsonage door Mary created Victoria s first orphanage The biography also tells of Cridge s very public argument with Bishop Hills a dispute that caused him to break with the Church of England to found and build the Church of Our Lord a Reformed Episcopal church which is today an historic Victoria landmark Included also are cameos by many of the notable people of the day such as Emily Carr who as a young girl lived opposite the Cridge family Canadian Book Review Annual Joyce M. Wilson, 2001 **America, History and Life** ,2002 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide *Index de Périodiques Canadiens* ,2001 *American Book Publishing Record* ,2001
