Son Of A Gun:

Son of a Gun Joanna Wayne, 2012-04-03 Amid a freak snowstorm Texas rancher Damien Lambert made the unlikeliest find on his Bent Pine Ranch a bloodied woman and her infant daughter in hiding Though her story was transparent as ice the heat he saw in her eyes made him offer her refuge After a ruthless kidnapping and a harrowing escape Emma Muran needed a hero and the baby needed a home She'd found both in Damien the perfect man with a cowboy's swagger and a lover's touch until he learned about the incredible danger they faced After that Emma knew it would take all the cowboy Damien had to keep her and the child alive

Son of a Gun Justin St. Germain, 2014-03-05 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY In the tradition of Tobias Wolff James Ellroy and Mary Karr a stunning memoir of a mother son relationship that is also the searing unflinching account of a murder and its aftermath Includes an exclusive conversation between Alexandra Fuller and Justin St Germain Tombstone Arizona September 2001 Debbie St Germain's death apparently at the hands of her fifth husband is a passing curiosity A real life old West murder mystery the local TV announcers intone while barroom gossips snicker cruelly But for her twenty year old son Justin St Germain the tragedy marks the line that separates his world into before and after Distancing himself from the legendary town of his childhood Justin makes another life a world away in San Francisco and achieves all the surface successes that would have filled his mother with pride Yet years later he's still sleeping with a loaded rifle under his bed Ultimately he is pulled back to the desert landscape of his childhood on a search to make sense of the unfathomable What made his mother a onetime army paratrooper the type of woman who would stand up to any man except the men she was in love with What led her to move from place to place man to man job to job until finally she found herself in a desperate and deteriorating situation living on an isolated patch of desert with an unstable ex cop Justin's journey takes him back to the ghost town of Wyatt Earp to the trailers he and Debbie shared to the string of stepfathers who were a constant sometimes threatening presence in his life to a harsh world on the margins full of men and women all struggling to define what family means He decides to confront people from his past and delve into the police records in an attempt to make sense of his mother's life and death All the while he tries to be the type of man she would have wanted him to be Praise for *Son of a Gun* A spectacular memoir calls to mind two others of the past decade J R Moehringer's *Tender Bar* and Nick Flynn's *Another Bull* _____ Night in Suck City All three are about boys becoming men in a broken world What might have been in the hands of a lesser writer the book's main point is amplified from a tale of personal loss and grief into a parable for our time and our nation If the brilliance of *Son of a Gun* lies in its restraint its importance lies in the generosity of the author's insights Alexandra Fuller *The New York Times Book Review* A gritty enthralling new memoir St Germain has created a work of austere luminous beauty In his understated eloquent way St Germain makes you feel the heat taste the dust see those shimmering streets By the end of the book you know his mother even though you never met her And like the author you will mourn her forever NPR If St Germain had stopped at examining his mother's psycho social risk

factors and how her murder affected him this would still be a fine moving memoir But it s his further probing into the culture of guns violence and manhood that informed their lives in his hometown Tombstone Ariz that transforms the book elevating the stakes from personal pain to larger important questions of what ails our society The Boston Globe A visceral compelling portrait of St Germain s mother and the violent culture that claimed her Entertainment Weekly **Son of a Gun** Melvin J.
