Radio-electronics ,1983 *Video Slut* Sharon Oreck, 2025-09-23 When video killed the radio star Sharon Oreck was calling the shots Video Slut takes an irreverent look behind the scenes of the music video industry during its eighties heyday Oreck one of the top producers of all time bluffed her way into the business with no experience whatsoever and went on to produce more than six hundred video shoots with Madonna Sting Mick Jagger Prince and several members of the increasingly unstable Jackson family not to mention a cadre of delinquent caterers deranged interns self absorbed record executives and malfeasant animal trainers Oreck also shares the at turns hilarious biting and poignant story of her origins as a single teen mother disowned by her middle class parents and of her journey from welfare to kung fu movie sets to film school She approaches her own delinquency and that of the superstars she encountered with humor and candor The result is an acerbic but sympathetic account of the outrageous effects of fame power and money on people in the entertainment business No one is spared especially herself **Popular Electronics** ,1981 *Electronics Now* ,1999 *The Children's War* J.N. Stroyar, 2002-02-07 This unputdownable alternative history novel explores what would have happened if the Nazis had won World War II perfect for fans of *The Man in the High Castle* and *Fatherland* Bad papers That s how Peter s nightmare began Living in contemporary Europe under Nazi domination more than fifty years after the truce among the North American Union the Third Reich and the Soviet Union Peter has struggled to make sense of the reign of terror that governs his world Now arrested for bearing a false identity he is pulled full force into a battle against Nazi oppression The crusade for freedom that belonged to generations past is now Peter s legacy and his future depends not on running away but

on fighting back After escaping a Nazi prison camp and joining the Underground Home Army Peter dedicates himself to breaking down the system that betrayed him But by facing the evil at the heart of the Nazi political machine Peter falls deeper into a web of intrigue and adventure that risks everything he holds dear in this life and for the sake of future generations A disturbingly real vision of what could have been The Children s War is a page turning epic thriller with a mesmerizing premise and an unforgettable cast of characters J N Stroyar s searingly authentic impassioned vision of human triumph over the forces of corruption and cruelty stands as a powerful tribute to the millions who have sacrificed and died in the name of freedom

Pure Evil - How Tracie Andrews Murdered My Son, Deceived the Nation and Sentenced Me to a Life of Pain and Misery Maureen Harvey,2008-05-05 On 1st December 1996 25 year old Lee Harvey was stabbed 42 times by his girlfriend in a frenzied knife attack In this book Lee s mother Maureen shares the turmoil of a bereaved mother trying to come to terms with the brutal murder of her son while at the same time fighting to bring his killer to justice

Tracers in the Dark Andy Greenberg,2024-01-16 From the award winning author of Sandworm comes the propulsive story of a new breed of investigators who have cracked the Bitcoin blockchain exposing once anonymous realms of money drugs and violence I love the book It reads like a thriller These stories are amazing Michael Lewis Over the last decade a single innovation has massively fueled digital black markets cryptocurrency Crime lords inhabiting lawless corners of the internet have operated more freely whether in drug dealing money laundering or human trafficking than their analog counterparts could have ever dreamed of By transacting not in dollars or pounds but in currencies with anonymous ledgers overseen by no government beholden to no bankers these black marketeers have sought to rob law enforcement of their chief method of cracking down on illicit finance following the money But what if the centerpiece of this dark economy held a secret fatal flaw What if their currency wasn t so cryptic after all An investigator using the right mixture of technical wizardry financial forensics and old fashioned persistence could uncover an entire world of wrongdoing Tracers in the Dark is a story of crime and pursuit unlike any other With unprecedented access to the major players in federal law enforcement and private industry veteran cybersecurity reporter Andy Greenberg tells an astonishing saga of criminal empires built and destroyed He introduces an IRS agent with a defiant streak a Bitcoin tracing Danish entrepreneur and a colorful ensemble of hardboiled agents and prosecutors as they delve deep into the crypto underworld The result is a thrilling globe spanning story of dirty cops drug bazaars trafficking rings and the biggest takedown of an online narcotics market in the history of the Internet Utterly of our time Tracers in the Dark is a cat and mouse story and a tale of a technological one upmanship Filled with canny maneuvering and shocking twists it answers a provocative question How would some of the world s most brazen criminals behave if they were sure they could never get caught

Video Nation Jefferson Graham,2013 All kinds of people are creating video for the web bloggers small business owners web show hosts and corporate marketing departments to name just a few How do the best videos get made and go viral What secrets lie behind them In Video Nation you ll learn

everything you need to make great looking video for YouTube Facebook or your blog from one of the top experts around Cover *The Psychotronic Video Guide To Film* Michael Weldon,1996 The bible of B movies is back and better than ever From Abby to Zontar this book covers more than 9 000 amazing movies from the turn of the century right up to today s Golden Age of Video all described with Michael Weldon s dry wit More than 450 rare and wonderful illustrations round out this treasure trove of cinematic lore an essential reference for every bad film fan *Accra Noir* Nana-Ama

Danquah,2025-07-01 Accra joins Lagos Nairobi Marrakech and Addis Ababa in representing the African continent in the Noir Series arena Superb Each story reaffirms how fundamental place is to the noir genre and how the locale shapes the story as much as the characters themselves Strongly recommended Library Journal There s good writing as well as a strong sense of place and culture and the reader will absorb a side of Accra that doesn t make it into the tourist brochures New York Journal of Books Akashic Books continues its award winning series of original noir anthologies launched in 2004 with Brooklyn Noir Each book comprises all new stories each one set in a distinct neighborhood or location within the respective city Brand new stories by Nana Ekua Brew Hammond Kwame Dawes Adjoa Twum Kofi Blankson Ocansey Billie McTernan Ernest Kwame Nkrumah Addo Patrick Smith Anne Sackey Gbontwi Anyetei Nana Ama Danquah Ayesha Harruna Attah Eibhl n N Chl irigh and Anna Bossman From the introduction by Nana Ama Danquah Accra is the perfect setting for noir fiction The telling of such tales ones involving or suggesting death with a protagonist who is flawed or devious driven by either a self serving motive or one of the seven deadly sins is woven into the fabric of the city s everyday life Accra is more than just a capital city It is a microcosm of Ghana It is a virtual map of the nation s soul a complex geographical display of its indigenous presence the colonial imposition declarations of freedom followed by coups d tat decades of dictatorship and then finally a steady march forward into a promising future Much like Accra these stories are not always what they seem The contributors who penned them know too well how to spin a story into a web It is an honor and a pleasure to share them and all they reveal about Accra a city of allegories one of the most dynamic and diverse places in the world **Lost in China?** Carol A. G.

Jones,2015-04-30 Since 1997 the walls of law around Hong Kong have come under attack This book examines the strategies of resistance **Ticket to the Opera** Phil G. Goulding,2011-03-30 In Ticket to the Opera Phil G Goulding finally makes the magic and mystique of opera accessible to all Here he offers a complete operatic education including history definitions of key musical terms opera lore and gossip portraits of famous singers and the roles they immortalized as well as pithy introductions to the greatest operas of Europe and America and their composers The book s centerpiece is what Goulding terms the collection 85 classics among them Aida The Marriage of Figaro Carmen and Madama Butterfly that have been packing the world s opera houses for years This entertaining meticulously researched book also includes a fascinating chapter on American opera from George Gershwin s Porgy and Bess to Philip Glass s Einstein on the Beach and a discussion of the gems of twentieth century opera featuring works like Leos Jan cek s The Cunning Little Vixen Alban Berg s Lulu and

Serge Prokofiev's *The Love for Three Oranges* Whether you're a curious neophyte a music lover interested in branching out or an aficionado eager to compare notes with a brilliant fellow opera buff you'll prize *Ticket to the Opera* as an essential volume in your music library **Byte**, 1984 **Disturbed Earth** Reggie Nadelson, 2009-05-26 Winter 2003 Still reeling from 9/11 New York City is hit by the worst blizzard in years On the verge of making peace with his own turbulent life Artie Cohen Reggie Nadelson's Russian born angst ridden detective is called to investigate a pile of blood soaked children's clothes found on a Brooklyn beach Artie is reluctantly drawn into a case that involves the death of one child the strange disappearance of another and growing anxiety about the fate of his own godson all against the backdrop of a city already on edge In his increasingly obsessive search for the missing child Artie veers from posh parties on the Lower West Side of Manhattan to the remote coastal suburbs of Brooklyn among the Russian community he thought he had left behind only to discover truths that will haunt him in more ways than one Like Sara Paretsky in Chicago and George Pelecanos in Washington D C Nadelson a native New Yorker captures the character of New York City and its outer boroughs *Disturbed Earth* is both a riveting thriller and an insightful portrait of a post 9/11 New York *Words, Worlds, and Material Girls* Bonnie S. McElhinny, 2008-12-10 This wide ranging volume explores how gender and language are used and transformed to discuss enact and project social differences in light of global economic and political changes in the late nineteenth twentieth and early twenty first centuries It presents analyses of language and gender from a broad spectrum of national contexts Catalonia Canada China India Japan Nigeria Vietnam Philippines Tonga and the United States Cases studies consider language and gender in changing workplaces schools and immigrant integration workshops as well as in new and emerging sites for consumption and the production of identity They also analyze the changing meanings of multilingualism and the construction of ideologies about gender and language in colonial and postcolonial national ideologies The papers engage with and contribute to theoretical conceptualizations of globalization cosmopolitanism post colonialism trans nationalism and public spheres by drawing on a variety of sociolinguistic analytic strategies variation analysis media analysis interactional sociolinguistics ethnography of speaking sociology of language colonial discourse analysis *Agony of Hercules or a Farewell to Democracy (Notes of a Stranger)* Alexander Maistrovoy, 2016-01-05 *Democracy From Triumph to Suicide* What type of society most corresponds to the ideals of justice and rule of law The answer seemed obvious democracy Today it seems a paradox but ancient thought humanism as well as rational thinking with undisguised skepticism are related to democracy They knew how easy and quickly it transformed into ochlocracy However founding fathers of Liberal Democracy like de Tocqueville thought that rationalism combined with a compulsory educational system improvement of living standards and an advanced legal system would become a guarantee of democratic development Unfortunately these supporting columns are fatally destroyed today The idea of equal opportunities was changed by unrestrained craving for consumption and hedonism We see people completely disconnected from their culture their own country or the world The Principle of the

art of goodness and fairness by Celsus the Younger the Principle of pursuing and obtaining happiness and safety of The Virginia Declaration of Rights of 1776 and the Principle of Utility by Bentham and Mill have been perverted and emasculated to the extent that they have just stopped working The growing Red Green Brown Alliance threatens not only Democracy but states of the West But the most sinister metamorphosis has occurred to the concept of human rights Human rights organizations have become the new church following own ideological orientation and financial interests It canonizes human rights but despises the human as a creature that is creative intelligent and responsible for its own destiny It has a distinct racist odor and shows contempt toward minorities religious and sexual Astonishingly having lost its internal stability democracy seeks for an unrestrained expansion We observe the silliness worthy of new Moliere s pen democratic elections between tribes practicing a ritual cannibalism as in Papua New Guinea between tribal clans like in Pakistan between religious zealots as this happened in Egypt Wasn t it a cruel mockery of History that the EU that was on the verge of collapse virtually awarded itself the Nobel Peace Prize as it was done by senile Soviet leaders that the President of USA got the same prize just for empty slogans like Leonid Brezhnev As it often happens in History the most pure and noble idea degenerates into its opposite turning into a parody of itself

Unveiling the Energy of Verbal Artistry: An Psychological Sojourn through **Son Of Cheap Video**

In a global inundated with displays and the cacophony of fast conversation, the profound energy and emotional resonance of verbal beauty frequently fade in to obscurity, eclipsed by the regular assault of sound and distractions. However, located within the lyrical pages of **Son Of Cheap Video**, a captivating function of fictional elegance that impulses with organic thoughts, lies an unforgettable journey waiting to be embarked upon. Written by way of a virtuoso wordsmith, this interesting opus books readers on a mental odyssey, gently revealing the latent possible and profound influence embedded within the intricate internet of language. Within the heart-wrenching expanse with this evocative examination, we will embark upon an introspective exploration of the book is central subjects, dissect their charming writing design, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
