Son Of Groucho:

Son of Groucho Arthur Marx, 1972 Twenty years have passed since Arthur Marx wrote *Life with Groucho* One of the most surprising developments is the sudden new popularity of old Marx Brothers films Such a cult of Marx Brothers fans has sprung up in recent years that Arthur finds he is asked more questions about his father and his brothers than ever before For Arthur however life has always been about his family To paraphrase Tolstoy every celebrity's family is different in different ways This book then isn't so much about Arthur Marx as it is about a circumstance the circumstance of living life in the shadow of a world famous gentleman

Children of Hollywood Michelle Vogel, 2005-04-13 Living in the shadow of a famous parent can have powerful effects from professional opportunities to pressure so great it leads to suicide Some children of stars are proud of their roots while others live in secrecy This is a rare look into the private lives of the children and in a few cases grandchildren of these classic Hollywood icons revealing the stresses and inspirations of living with great performers who may or may not have been great parents Some movie stars protected their offspring but others used them as publicity props or even made them into rivals Despite their unusual upbringing some of the children succeeded in the movies or elsewhere but many never lived up to the public expectations Many lost their parents whether to the extremes of the celebrity lifestyle to divorce or to their careers From the beautiful bedtime stories Harpo Marx and his wife told their four adopted children to explain where they'd come from to the studded belt Bing Crosby used to punish his sons for not obeying the strict family rules this work tells the best and worst of growing up in a celebrity home Families covered include those of W C Fields the Marx Brothers Eddie Cantor Mario Lanza Ruth Hussey Jerry Lewis Douglas Fairbanks and Boris Karloff Research is drawn from interviews with celebrity offspring who also provided never before published snapshots of Hollywood legends at home

My Life with Groucho Arthur Marx, 1988 The author shares his memories of his father and provides an overview of Groucho's career and family life

The Marx Brothers Wes D. Gehring, 1987-07-28 This bio bibliography was designed to present a combined biographical critical and bibliographical portrait of the Marx Brothers It examines their significance in film comedy in particular and as popular culture figures in general The book is divided into five sections beginning with a biography which explores the public and private sides of the Marx Brothers The second section is concerned with the influences of the Marx Brothers as icons of anti establishment comedy as contributors to developments in American comedy as early examples of saturation comedy and as a crucial link between silent films and the talkies Three original articles two by Groucho and one by Gummo comprise part three A bibliographical essay which assesses key reference materials and research collections is followed by two bibliographical checklists Appendices containing a chronological biography with a timeline a filmography and a selected discography complete the work

David Bruce, 2006-06-01 *Bride of the Funniest People in Religion and Families* contains such anecdotes as these When Panamanian salsa singer Rubin Blades married Lisa Lebenzon an Anglo a white American not of Spanish descent non Spanish speaker he asked her to learn Spanish

so he could speak his native language at home She finished in only seven months a Spanish course that normally took three years Dr Louis Finkelstein chancellor of the Jewish Theological Seminary of America kept a strictly kosher diet While in Paris he and a group of rabbis ate only in kosher restaurants On leaving Paris Dr Finkelstein joked I can't understand all this fuss people make about French cooking We have the same things at home A Sufi teacher spoke about the virtue of patience As he spoke a scorpion stung his foot repeatedly His followers eventually noticed the scorpion and asked the teacher why he had not moved his foot away from it The teacher replied I was discussing the virtue of patience I could hardly have spoken about patience without also setting an example of patience I would have been ashamed before God *Brothers* George Howe Colt,2014-05-06 Blends history and memoir in an account that in alternating chapters explores the author's quest to understand the impact of his brothers on his life and the complex relationships between iconic brothers including the Thoreaus the Van Goghs and the Marxes Son of Groucho Harpo Marx,1972 **The Annotated Marx Brothers** Matthew Coniam,2015-02-12 Have you ever watched a Marx Brothers film and wondered what habeas Irish rose is What is the trial of Mary Dugan with sound What is a college widow When exactly did Don Ameche invent the telephone Their films are full of such in jokes and obscure theatrical literary and topical references that can baffle modern audiences In this viewer's guide to the Marx Brothers you will find the answer to such mysteries along with an exhaustive compilation of background information obscure trivia and even the occasional busted myth Each of the Marx Brothers 13 films is covered by a running commentary with points in the film discussed as they appear Each reference is listed by its running time with time code given for both PAL and NTSC DVD An introduction for neophytes and a resource for fanatics this book is a travel guide to the rambling landscape of these remarkable comedies **Zeppo** Robert S. Bader,2024-10-15 Marx Brothers authority Bader has done a remarkable job successfully uncovering the story of the unknown brother revealing a genuinely complex character This book is revelatory not just about Zeppo but also about the rest of the Marx Brothers Library Journal Zeppo was the Marx Brother who didn't want to go into the family business A juvenile delinquent in his teen years before joining his brothers on stage Zeppo balanced two careers auto mechanic and petty criminal Even after getting dragged into the world of entertainment for sixteen years he did his familial duty as a vaudeville Broadway and movie star he finally made his escape from the Four Marx Brothers After failed attempts to find steady work in real estate screenwriting and the restaurant business Zeppo finally hit it big as a Hollywood talent agent representing stars like Barbara Stanwyck Fred MacMurray and Lana Turner From there he bred racehorses owned a manufacturing plant tried out citrus ranching and commercial fishing and patented several new inventions He was in short a complex character and his own family never quite figured him out Zeppo The Reluctant Marx Brother gives a lively account of this checkered life and career As Robert Bader recounts Zeppo's lifelong addiction to gambling led him into relationships with several notorious organized crime figures and he would ultimately appear before grand juries more frequently than movie cameras He was certainly the only Marx Brother who saw

the corpse of a friend in a newspaper crime scene photo Socially he mixed as easily with mobsters like Mickey Cohen as he did with movie stars like Clark Gable Comprehensively researched with the full cooperation of Zeppo's estate including the first ever interviews with his two sons this is a remarkable look at the many lives of Zeppo Marx even the ones he did his best to keep secret

Groucho Marx, King of the Jungle Ron Goulart, 2005-07-01 Frank Denby and Groucho Marx arrive on the set of the new Ty Gor film a Tarzan knockoff expecting to have Groucho do his humorous walk on What they find is that Randy Spellman the star of the picture has been murdered Frank's wife Jane is only a few weeks away from having their baby and the amateur detective team has promised to lay off on the sleuthing But when a stuntwoman who has gone missing is suspected of the murder Jane insists they take up the case to clear the young woman's name In addition to being a horrible actor Spellman was a womanizer and a blackmailer Many people had reason to dislike him or even kill him and the investigation leads Frank and Groucho through the glamour and seediness of 1940s Hollywood Groucho signing autographs all the while In this latest installment of the series Ron Goulart is at the top of his game reminding readers there's no business like show business except when this charming team is wearing its gumshoes

The Marx Brothers and America Robert E. Weir, 2022-08-12 The ground has shifted from the days in which serious history and boring went hand in glove Textbooks and lectures have their place but less traditional classrooms can be powerfully immersive and insightful Take the 1929 Marx Brothers film *The Cocoanuts* and what it teaches about both the Great Depression and early sound films The Marx Brothers are among the funniest comedy teams of all time Four of their 13 films are on the American Film Institute's list of the 100 greatest American comedies ever made For many contemporary viewers though getting the jokes is not always easy because the humor can be subjective and timebound This work looks at the American past through the lens of the Marx Brothers films and other projects Each of the chapters focuses on a specific film contextualizing the world at the time and how the Marx Brothers lampooned those subjects Along the way the book demonstrates what the Marx Brothers revealed about weighty topics like gambling gender relations immigration medical care Prohibition race and war all leavened with offbeat humor
