

Has Bill Bennett's government
gotten British Columbia moving again?

SON of SOCRED

Stan Persky

Son Of Socred

Edward Bell

Son Of Sacred:

Son of Sacred Stan Persky,1979 A study of British Columbia politics by an important gay American writer who immigrated to Canada **Son of Sacred** Stan Persky,1979 *The Perilous Trade* Roy MacSkimming,2012-01-11 A book that will fascinate and inform readers who love Canadian writing Part cultural history part personal memoir this accomplished sweeping yet intimate book demonstrates that the story of Canadian publishing is one of the cornerstones of our literary history In *The Perilous Trade* former publisher literary journalist and industry insider Roy MacSkimming chronicles the extraordinary journey of English language publishing from the Second World War to the present During a period of unparalleled transformation Canada grew from a cultural colony fed on the literary offerings of London and New York to a mature nation whose writers are celebrated around the world Crucial to that evolution were three generations of book publishers mavericks gamblers entrepreneurs political activists and true believers sharing a conviction that Canadians need books of their own Canadian publishing has long made headlines be it Jack McClelland s outrageous publicity stunts American takeovers the collapse of venerable imprints or bold political moves to ensure the industry s survival Roy MacSkimming takes us behind the headlines to draw memorable portraits of the men and women who built Canada s literary renaissance With a novelist s eye for character and incident he weaves their tangled relationships with authors agents booksellers and each other into a lively narrative rich in anecdote and revealing personal recollection Canadian publishers large and small have nurtured a literature of extraordinary diversity and breadth MacSkimming argues giving us English Canada s greatest cultural achievement The Art of the Impossible Geoff Meggs,Rod Mickleburgh,2015-06-15 At his first cabinet meeting Premier Dave Barrett takes off his shoes leaps onto the leather inlaid cabinet table and skids the length of the room Are we here for a good time or a long time he roars His answer a good time a time of change action doing what was needed and right not what was easy and conventional He set the tone for a government that changed the face of the province During the next three years he and his team passed more legislation in a shorter time than any government before or since A university or college student graduating today in BC may have been born years after Barrett s defeat but could attend a Barrett daycare live on a farm in Barrett s Agricultural Land Reserve be rushed to hospital in a provincial ambulance created by Barrett s government and attend college in a community institution founded by his government The continuing polarization of BC politics also dates back to Barrett the Fraser Institute and the right wing economic policies it preaches are as much a legacy of the Barrett years as the ALR Dave Barrett remains a unique and important figure in BC s history a symbol of how much can be achieved in government and a reminder of how quickly those achievements can be forgotten This lively and well researched book is the first in depth study of this most memorable of BC premiers **British Columbia** Patricia Roy,John Herd Thompson,2005 In this fifth volume in Oxford s Illustrated History of Canada series Patricia Roy and John Thompson present a compact narrative survey of British Columbia s economic political and social history generously

illustrated with roughly 150 paintings drawings and maps that shed their own light on the province's history British Columbia as we know it geographically and politically today did not exist until 1858 The boundaries of the present day province were defined in a piecemeal and haphazard manner and are still disputed by the First Nations who have never accepted the 1927 agreement between the federal and the provincial governments that defined the extent of their territories within the province Historians can never entirely escape superimposing the tidy political map of contemporary British Columbia over an untidy geography and an equally untidy history Human conflict and human diversity mark British Columbia's past Based on current scholarship this volume provides a detailed account of the multitude of experiences within British Columbia British Columbia Land of Promises continues the tradition of sound scholarship and easy readability of the previous volumes in Oxford's Illustrated History of Canada series Previous volumes were praised for being richly illustrated readable detailed and opinionated London Free Press and attractive as individual volumes to those who want an introduction to a particular region and as part of a series to those who are looking for a new general history of Canada Quill and Quire

Canadian History: Confederation to the present Martin Brook Taylor,Doug Owsen,1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover Social Classes and Social Credit in Alberta Edward Bell,1993 The Social Credit party in Alberta has traditionally been presented as petty bourgeois in its ideology and appeals reflecting what was believed to be the dominant class in the province at the time Edward Bell challenges these widely held interpretations of the ideology popular class basis and behaviour in office of the early Social Credit movement 1932 40 **Canadian Dimension** ,1979 *History and Origin of Alberta Constituencies* Austin Albert Mardon,Catherine A. Mardon,2011 Delve into the rich history of Alberta's constituencies from its inception through WWI and into the Roaring Twenties Gain insight into the creation and dissolution of Alberta's internal political boundaries following the turn of the century Comparative Social Dynamics Erik Cohen,2019-02-22 These original articles relate to major themes in the comparative study of the dynamics of cultures modernization and social and political change The authors ranking scholars in their fields provide fresh and important insights to the study of topics such as the interface of anthropological and sociological theory the dynamics of Latin America

Party Movements in the United States and Canada Mildred A. Schwartz,2006 Party movements can be described as political organizations that both participate in the electoral process and have social movement qualities They appear frequently in both Canada and the United States Many of these movements face huge organizational problems and yet they display remarkable resilience signaling both continuing political dissatisfactions as well as possibilities for changing political outcomes This book demonstrates how organizational theory can be useful for understanding party movements and also expands on the idea of continuity contributing new ways of thinking about how organizations change and survive in the face of recurring dilemmas This look inside party movements at the organizational

problems they face and the strategies employed to deal with them represents a new way of accounting for their history that contrasts with perspectives focusing solely on external conditions *The Winged Foot*, 1920 *The Social Credit Movement in Alberta* John A. Irving, 1959-12-15 On the night of August 22 1935 as Canadians listened to their radios they heard with amazement and incredulity that the first Social Credit government in the world had been elected that day in the province of Alberta Before the tabulation of votes was completed telephone calls from New York and London headlines in newspapers spot news in broadcasts had confirmed the slogan of Social Crediters The Eyes of the World are on Alberta The morning after the election a number of people lined up at the city hall in Calgary to collect the first installment of the Social Credit dividend of 25 monthly which they confidently believed would be immediately forthcoming from their new government This quotation from Professor Irving's book indicates how the apparent suddenness of the Social Credit rise to power and the magnitude of the victory aroused world wide comment Why had the doctrines of Social Credit promoted unsuccessfully in the British Commonwealth and the United States for nearly twenty years achieved political acceptance in Alberta Why had the people of Alberta elected to public office persons so little experienced in the economic and political world as William Aberhart and his Social Credit colleagues Professor Irving answers these questions and analyses systematically and comprehensively the rise of the movement as a phenomenon of mass psychology His study based mainly on interviews supplemented with references to private papers newspapers and government sources provides a truly fascinating record

Stephen Harper Lloyd Mackey, 2006-11 Can Harper's carefully crafted conservatism carry the day in the 21st century's third federal election **CAMUS** Peter Robbins, 2021-06-14 CAMUS Absurd North America By Peter Robbins CAMUS Absurd North America is intended as a humorous comparison of US and Canadian political language and culture more entertaining than enlightening Some of its topical references will inevitably lose topicality because of the unstoppable flow of political and other events Two aspects of it may be of special interest aboriginal affairs in Canada mostly and Social Credit government in BC a curiosity for most Canadians too One take away might be a philosophical in both senses of that word reaction to politics Thin Power Andy Marshall, 2016-07-18 Thin Power is the unauthorized biography of former mayor of Calgary Rod Sykes featuring the achievements and bitter controversies of his eight year term ending in 1977 Publicly revealed for the first time are details of Sykes unorthodox upbringing in Victoria B C his rise to the mayoralty and his doomed attempt at provincial politics as leader of the Alberta Social Credit Party in the early 1980s It offers an entertaining look into a fascinating era of growth and change in the history of Calgary and Alberta and takes the reader up close to the successes and failures of one of the nation's most divisive politicians Sykes' friendship with prominent former leaders including Prime Minister Pierre Trudeau and Alberta Premier Ernest Manning are explored in detail His fractious relationship with Alberta Premier Peter Lougheed and his strange connection to British royalty are also examined The gall and the guts of this stick thin politician in a grey suit will amaze modern readers just as it did those who watched as he single handedly transformed

Calgary's political landscape *China's Social Credit* Zhai Xuewei, Huang Xiaoye, 2023-08-24 This book analyses credit crisis issues in China from the aspect of individuals enterprises and government through investigations of six Chinese urban and rural areas After China's reform and opening up in the 1970s a slew of new problems involving integrity trust and credit appeared with the establishment of a market economy and the creation of new business opportunities To track these phenomena down to their very origins and to explore the theoretical principles underlying them through a truly holistic sociology this book highlights a native Chinese perspective when dissecting and analysing the characteristics of their origins mechanisms and manifestations The book will be of great interest to students and scholars of economic sociology Chinese studies and those who are interested in the sociology of credibility in general **Margaret Pearmain Welch (1893-1984)** Elizabeth F. Fideler, 2017-12-14 In a bygone era when twentieth century Proper Bostonians mixed Beacon Hill formalities with countryside pleasures Margaret Pearmain Welch 1893 1984 defied the mores of her social set and got away with it She was the epitome of everything expected and much that was scandalous Known as a debutante dancer world traveler and hostess she was also an indefatigable activist writer lecturer lobbyist fundraiser and opinion shaper grande dame as well as proverbial little old lady in combat boots footwear more appropriate to confrontation than tennis shoes A descendant of seventeenth century dissenter Anne Hutchinson and just as independent she embraced Quaker ideals of religious tolerance conscientious objection and civil liberties as well as worship without the benefit of clergy Margaret was the quintessential socialite who established Waltz Evenings in her Louisburg Square drawing room and also the beauty whose marriages and divorces caused ostracism At the same time she worked tirelessly on women's suffrage reproductive rights world peace environmental protection monetary reform land conservation and more As the indomitable matriarch of an extended family and chronicler of its history her efforts at self-fashioning produced a unique persona blending insistence on proprieties with a keen awareness of twentieth century social cultural political and economic shifts **Toward Defining the Prairies** Robert Wardhaugh, 2001-04-30 New ways of thinking about literature and history have radically changed how we think about or even define a region like the Prairie West In fact the very concept of defining has come into question by new theoretical approaches and it may now seem a hopeless endeavour But the process of defining can be just as important as the actual production of a definition *Toward Defining the Prairies* highlights recent approaches to thinking about the Prairie West Bounded by pieces from well known historian Gerald Friesen and Governor General's Award winning writer Robert Kroetsch these 13 essays are as diverse as the region itself In their examination of different aspects of Prairie history literature climate society culture and identity they help to provide a new understanding of this place and of the complexities of its definition *The Social Credit Phenomenon in Alberta* Alvin Finkel, 1989-01-01 In this account of the Social Credit transformation Alvin Finkel challenges earlier works which focus purely on Social Credit monetary fixations and religiosity
