of the masterpieces of great world literature for all time About the Author Howard Gordon born and raised in Ohio has attended Ohio University and Ohio State University He obtained a master s degree in the field of social work from Case Western Reserve University and has worked in a varied number of capacities within the field for over forty years Be Not Thy Father s Son was written over a five year period and stresses that we must be our own person in a growing bureaucratic network that is destructive to individuality Howard has also recently completed his second novel entitled Cry Heaven Cry Hell which raises the question of how far do we go as a society in forgiving evil works when they are followed by good works and constructive behavior He is currently working on his third novel *Corn Varieties in Texas* David Thornton Killough, Elbert Brunner Reynolds, Frederick Driggs Fuller, George Stronach Fraps, Jacob Joseph Taubenhause, Letcher P. Womack, 2014-10-20 Pick up a work of typical literary criticism and you know what to expect prose that is dry pedantic well meaning but tedious slow going and essentially humorless But why should that be so Why can t more literary criticism have a political edge and be engaging and fast paced Why can t it include drama personal narrative and even humor Why can t criticism become an artistic performance rather than just a discussion of art Art as Performance Story as Criticism is Craig Womack s answer to these questions Inventive and often outrageous the book turns traditional literary

criticism on its head rejecting distanced purely theoretical argumentation for intimate engagement with literary works Focusing on Native American literature Womack mixes forms and styles He is unafraid to combine meticulous research and carefully considered historical perspectives with personal reactions and reflections The book opens with a short story The Song of Roe N ld in which a Native filmmaker loses control of his movie project in part because of his homoerotic attraction to its star The following chapters or mus e ings include original dramas while others more closely resemble traditional literary criticism such as essays discussing the lesser known plays of Lynn Riggs and the stories of Durango Mendoza Still other chapters defy easy categorization such as the piece Caught in the Current Clinging to a Twig in which Womack interweaves historical analysis of the state of the Creek Nation in 1908 with a vivid recreation of the last day on earth of Creek poet Alexander Posey Throughout the book the author offers his take on such controversial issues as the Cherokee freedmen issue and the ban on gay marriage In being different Womack seeks to breathe new life into literary analysis and introduce criticism to a wider audience Radical groundbreaking and refreshing Art as Performance Story as Criticism reinvents literary criticism for the twenty first century Weekly Weather and Crop Bulletin ,1993 Motion Pictures From the Fabulous 1940's Terry Rowan,2016-01-06 In Europe the war was already old but while feeding nickels into roadhouse jukeboxes the Presidential conventions where the biggest question would be whether That Man in the White House would shatter yet another precedent and run for a third term To many Americans there seemed little else worth worrying about As with all time periods the 1940s had a set of specific fads that were popular around the country Read this book and find out about the films of this decade and more Within Our Gates Alan Gevinson,1997 These volumes are endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr
