In the Mirror of the Past Tomasz Ratajczak, Bogdan Trocha, 2014-09-26 These days we are ever more often confronted by overwhelming events Searching for a way to understand them we turn to mythic archetypes still present in our culture The authors of these essays pose questions about the reliability of the archetypes found in tradition history and scattered mythologemes The essays in this collection deal with the presence of mythic time in modern speculative fiction such as

fantasy and alternate histories and discuss major mythologemes and their functions in popular literature and extra literary reality The authors show how mythopoeic fiction becomes a genetically modified mythic mirror in which we hope to see answers to vexing questions or just a reality superior to the ordinary one In the Mirror of the Past Of Fantasy and History is a collection of seven essays by American and Polish authors including Brian Attebery Terri Doughty and Marek Oziewicz with Mircea Eliade s concept of return from history to History as their underlying theme **Canadian Science Fiction,**

in person Otherwise he would probably be dead already Children of Earth and Sky Guy Gavriel Kay, 2016-05-10 The bestselling author of The Fionavar Tapestry weaves a world inspired by the conflicts and dramas of Renaissance Europe Against this tumultuous backdrop the lives of men and women unfold on the borderlands where empires and faiths collide From the small coastal town of Senjan notorious for its pirates a young woman sets out to find vengeance for her lost family That same spring from the wealthy city state of Seressa famous for its canals and lagoon come two very different people a young artist traveling to the dangerous east to paint the grand khalif at his request and possibly to do more and a fiercely intelligent angry woman posing as a doctor's wife but sent by Seressa as a spy The trading ship that carries them is commanded by the accomplished younger son of a merchant family ambivalent about the life he's been born to live And farther east a boy trains to become a soldier in the elite infantry of the khalif to win glory in the war everyone knows is coming As these lives entwine their fates and those of many others will hang in the balance when the khalif sends out his massive army to take the great fortress that is the gateway to the western world **River of Stars** Guy Gavriel Kay, 2013-04-02 River of Stars is a major accomplishment the work of a master novelist in full command of his subject Michael Dirda in The Washington Post Game of Thrones in China Salon com Ren Daiyan was still just a boy when he took the lives of seven men while guarding an imperial magistrate That moment on a lonely road changed his life in entirely unexpected ways sending him into the forests of Kitai among the outlaws From there he emerges years later and his life changes again dramatically as he circles toward the court and emperor while war approaches Kitai from the north Lin Shan is the daughter of a scholar his beloved only child Educated by him in ways young women never are gifted as a songwriter and calligrapher she finds herself living a life suspended between two worlds Her intelligence captivates an emperor and alienates women at the court But when her father's life is endangered by the savage politics of the day Shan must act in ways no woman ever has In an empire divided by bitter factions circling an exquisitely cultured emperor who loves his gardens and his art far more than the burdens of governing dramatic events on the northern steppe alter the balance of power in the world leading to events no one could have foretold under the river of stars **Written on the Dark** Guy Gavriel Kay, 2025-05-27 Instant National Bestseller From the internationally bestselling author of Tigana All the Seas of the World and A Brightness Long Ago comes a majestic new novel of love and war that brilliantly evokes the drama and turbulence of medieval France Thierry Villar is a well known even notorious tavern poet intimately familiar with the rogues and shadows of that world but not at all with courts and power He is an unlikely person despite his quickness to be swept into the deadly contests of ambitious royals assassins and invading armies But he is indeed drawn into all these things on a savagely cold night in his beloved city of Orane And so Thierry must use all the intelligence and charm he can muster as power struggles merge with a decades long war to bring his country to the brink of destruction As he does he meets his poetic equal in an aristocratic woman and is drawn to more than one unsettling person with a connection to the world beyond this one He also

crosses paths with an extraordinary young woman driven by voices within to try to heal the ailing king and help his forces in war A wide and varied set of people from all walks of life take their places in the rich tapestry of this story Both sweeping and intimate Written on the Dark is an elegant tour de force about power and ambition playing out amid the equally intense human need for art and beauty and memories to be left behind
