The American Occupation of the Philippines 1898-1912 (Annotated) James H Blount, 2020-02-03 Differentiated book It has a historical context with research of the time Any narrative covering our acquisition of the Philippine Islands must of course centre in the outset about Admiral Dewey and the destruction by him of the Spanish fleet in Manila Bay on Sunday morning May 1 1898 But as the Admiral had brought Aguinaldo down from Hong Kong to Manila after the battle and landed him on May 19th to start an auxiliary insurrection which insurrection kept the Spaniards bottled up in Manila on the land side for three and a half months while Dewey did the same by sea until ten thousand American troops arrived and easily completed the reduction and capture of the beleaguered and famished city on August 13th it is necessary to a clear understanding of the de facto alliance between the Americans and Aguinaldo thus created to know who brought the Admiral and Aguinaldo together and how and why The United States declared war against Spain April 21 1898 to free Cuba and at once arranged an understanding with the Cuban revolutionists looking to co operation between their forces and ours to that end For some years prior to this political conditions in the Philippines had been quite similar to those in Cuba so that when two days after war broke out the Honorable Spencer Pratt Consul General of the United States at Singapore The British Straits Settlements found Aguinaldo who had headed the last organized outbreak against Spain in the Philippines temporarily sojourning as a political refugee at Singapore in the Filipino colony there he naturally sought to arrange for his co operating with us against Spain as Gomez and Garcia were doing in Cuba Thereby hangs the story of Mr Pratt s Serenade However before we listen to the band whose strains spoke the gratitude of the Filipinos to Mr Pratt for having introduced Aguinaldo to Dewey let us learn somewhat of Aguinaldo s antecedents as related to the purposes of the introduction The first low rumbling of official thunder premonitory

book is an attempt by one whose intimate acquaintance with two remotely separated peoples will be denied in no quarter to interpret each to the other How intelligent that acquaintance is is of course altogether another matter which the reader will determine for himself The task here undertaken is to make audible to a great free nation the voice of a weaker subject people who passionately and rightly long to be also free but whose longings have been systematically denied for the last fourteen years sometimes ignorantly sometimes viciously and always cruelly on the wholly erroneous vi idea that where the end is benevolent it justifies the means regardless of the means necessary to the end *The American Occupation of the Philippines* James Henderson Blount, 2016-07-11 Excerpt from *The American Occupation of the Philippines* 1898 1912 This book is an attempt by one whose intimate acquaintance with two remotely separated peoples will be denied in no quarter to interpret each to the other How intelligent that acquaintance is is of course altogether another matter which the reader will determine for himself About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The American Occupation of the Philippines* James Henderson Blount, 1912

The Friar's Daughter Charles Lincoln Phifer, 1909 This is a story founded on truth Practically every incident told about really happened yet some liberty has been taken with the arrangements of these incidents into a story Events are sometimes grouped outside of their natural order and place of occurrence and the time of action is shortened Conversation is necessarily invented and is used to bring out the setting of the story and give it life Another thing Every writer recognizes that it is desirable to not have too many characters in a story and to not drag it through unimportant incidents Therefore I have omitted many incidents of the occupation of the Philippines and have in places ascribed to one person in an effort to keep down the number of characters acts which properly belonged to other persons so that some of the characters are representative and composite To illustrate my meaning that a love story in the simplest form might run through the tale I have made Saguanaldo appear as a lover as well as a general though this is acknowledged to be fiction *The American Occupation of the Philippines, 1898-1912* James Henderson Blount, 1913 *List of Works Relating to the American Occupation of the Philippine Islands, 1898-1903 (Classic Reprint)* Appleton Prentiss Clark Griffin, 2018-01-25 Excerpt from *List of Works Relating to the American Occupation of the Philippine Islands* 1898 1903 The Philippine question is first discussed from a constitutional standpoint and in conclusion the author reviews the commercial and moral considerations involved in the retention of the Philippines Notes on the law of territorial expansion with special reference to the Philip pines Submitted to the Committee on the Judiciary of the Senate of the United States March 16 1900 About the Publisher
