FORREST MCDONALD

# The American Presidency An Intellectual History

**Charles O. Jones**

## **The American Presidency An Intellectual History:**

*The American Presidency* Forrest McDonald, 1994 McDonald explores how and why the presidency has evolved into such a complex and powerful institution unlike any other in the world He chronicles the presidency s creation implementation and evolution and explains why it s still working today despite its many perceived afflictions **Intellectuals and the**

**American Presidency** Tevi Troy, 2002 This book examines the contact relationships between U S presidents and America s intellectuals since 1960 **The American Presidency** William G. Howell, 2023-02-21 How institutions shape the American

presidency This incisive undergraduate textbook emphasizes the institutional sources of presidential power and executive governance enabling students to think more clearly and systematically about the American presidency at a time when media coverage of the White House is awash in anecdotes and personalities William Howell offers unparalleled perspective on the world s most powerful office from its original design in the Constitution to its historical growth over time its elections and transitions to governance its interactions with Congress the courts and the federal bureaucracy and its persistent efforts to shape public policy Comprehensive in scope and rooted in the latest scholarship *The American Presidency* is the perfect guide for studying the presidency at a time of acute partisan polarization and popular anxiety about the health and well being of the republic Focuses on the institutional structures that presidents must navigate the incentives and opportunities that drive them and the constraints they routinely confront Shows how legislators judges bureaucrats the media and the broader public shape the contours and limits of presidential power Encourages students to view the institutional presidency as not just an object of study but a way of thinking about executive politics Highlights the lasting effects of important historical moments on the institutional presidency Enables students to grapple with enduring themes of power rules norms and organization that undergird democracy *The American Presidency: A Very Short Introduction* Charles O. Jones, 2007-08-10

The expansion of executive powers amid the war on terrorism has brought the presidency to the center of heated public debate Now in *The American Presidency* presidential authority Charles O Jones provides invaluable background to the current controversy in a compact reliable guide to the office of the chief executive This marvelously concise survey is packed with information about the presidency some of it quite surprising We learn for example that the Founders adopted the word president over governor and other alternatives because it suggested a light hand as in one who presides rather than rules Indeed the Constitutional Convention first agreed to a weak chief executive elected by congress for one seven year term later calling for independent election and separation of powers Jones sheds much light on how assertive leaders such as Andrew Jackson Theodore Roosevelt and FDR enhanced the power of the presidency and illuminating how such factors as philosophy Reagan s anti Communist conservatism the legacy of previous presidencies Jimmy Carter following Watergate relations with Congress and the impact of outside events have all influenced presidential authority He also explores the rise of federal power and the dramatic expansion of federal agencies showing how the president takes a direct hand in this vast

bureaucracy and he examines the political process of selecting presidents from the days of deadlocked conventions to the rise of the primary after World War II In 200 years he writes the presidency had changed from that of a person Washington followed by Adams then Jefferson to a presidential enterprise with a cast of thousands Jones explains how this remarkable expansion has occurred and where it may lead in the future About the Series Combining authority with wit accessibility and style Very Short Introductions offer an introduction to some of life s most interesting topics Written by experts for the newcomer they demonstrate the finest contemporary thinking about the central problems and issues in hundreds of key topics from philosophy to Freud quantum theory to Islam

**The American Presidency** Irwin L. Morris, 2010-08-15 Presidential scholars increasingly turn to science to address the fundamental issues in the field but undergraduates are rarely taught the skills to do the same The American Presidency introduces students to new insights produced by the scientific study of the presidency and the scientific endeavor itself After chapters on the scientific study of the presidency and background information on the presidency the text discusses prominent theories of presidential power Chapters on presidential elections the president s relationship with other political actors such as Congress and the Supreme Court the president s role in foreign and economic policy and presidential greatness include guided research exercises that provide students with the opportunity to apply the scientific method to empirical questions with significant theoretical content The American Presidency provides students with the opportunity to learn about the presidency and enables them to draw their own reasoned conclusions about the nature of presidential power

Founding the American Presidency Richard J. Ellis, 1999 At a time when the institution of the presidency seems in a state of almost permanent crisis it is particularly important to understand what sort of an institution the framers of the Constitution thought they were creating Founding the American Presidency offers a first hand view of the minds of the founders by bringing together extensive selections from the constitutional convention in Philadelphia as well as representative selections from the subsequent debates over ratification Organized topically the book focuses on those issues of executive power that most deeply concerned and often sharply divided the founders including the electoral college and impeachment the presidential term and reeligibility the veto power and war powers the power of appointment and the power of pardon EllisO judicious selections mean that teachers and students no longer need to settle for the meager rations of a Federalist paper or two supplemented by a quick summary of the founders thoughts before being fast forwarded to the contemporary presidency Pointed discussion questions provoke students to consider new perspectives on the presidency Ideal for all courses on the presidency the book is also important for all citizens who want to understand not only the past but the future of the American presidency

**The Development of the American Presidency** Richard J. Ellis, 2013-06-17 Our understanding of the politics of the presidency is greatly enhanced by viewing it through a developmental lens analyzing how historical turns have shaped the modern institution The Development of the American Presidency pays great attention to that historical weight but is organized topically and

conceptually with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage this text looks at how the presidency has evolved in relation to the public to Congress to the Executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change All the while Ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts Ellis s own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages Each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts A companion website not only acts as a further resources base directing students to primary documents newspapers and data sources but also presents interactive timelines practice quizzes and key terms to help students master the book s lessons

**The Oxford Handbook of the American Presidency** George C. Edwards, William G. Howell, 2011-08-04 With engaging new contributions from major figures in the field The Oxford Handbook of the American Presidency provides the key point of reference for anyone working in American politics today

[The Development of the American Presidency](#) Richard Ellis, 2022-05-02 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage Richard J Ellis looks at how the presidency has evolved in relation to the public to Congress to the executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change Each chapter promotes active learning beginning with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts New to the Fourth Edition Explicit and expanded attention to the role of norms in shaping and constraining presidential power with special focus on Trump s norm breaking and Biden s efforts to shore up norms Enhanced focus on the prospects for institutional reform including in the electoral college presidential relations with Congress war powers and the selection of Supreme Court justices A full reckoning with the Trump presidency and its significance for the future of American democracy presidential rhetoric the unilateral executive and the administrative state Coverage of the first year of Biden s presidency including presidential rhetoric relations with Congress and the bureaucracy use of the war powers and unilateral directives Comprehensive updating of debates about the removal power including the Supreme Court cases of *Seila Law v CFPB* and *Collins v Yellen* In depth exploration of the impact of partisan polarization on the legislative presidency and effective governance Analysis of the 2020 election and its aftermath Expanded discussion of impeachment to incorporate Trump s two impeachments Examination of presidential emergency

powers with special attention to Trump's border wall declaration Review of Biden's and Trump's impact on the judiciary  
 Assessment of Biden's and Trump's place in political time      The Lost Soul of the American Presidency Stephen F. Knott, 2020-07-14 The American presidency is not what it once was Nor Stephen F. Knott contends what it was meant to be Taking on an issue as timely as Donald Trump's latest tweet and old as the American republic the distinguished presidential scholar documents the devolution of the American presidency from the neutral unifying office envisioned by the framers of the Constitution into the demagogic partisan entity of our day The presidency of popular consent or the majoritarian presidency that we have today far predates its current incarnation The executive office as James Madison George Washington and Alexander Hamilton conceived it would be a source of national pride and unity a check on the tyranny of the majority and a neutral guarantor of the nation's laws The Lost Soul of the American Presidency shows how Thomas Jefferson's Revolution of 1800 remade the presidency paving the way for Andrew Jackson to elevate majority rule into an unofficial constitutional principle and contributing to the disenfranchisement and worse of African Americans and Native Americans In Woodrow Wilson Knott finds a worthy successor to Jefferson and Jackson More than any of his predecessors Wilson altered the nation's expectations of what a president could be expected to achieve putting in place the political machinery to support a presidential government As difficult as it might be to recover the lost soul of the American presidency Knott reminds us of presidents who resisted pandering to public opinion and appealed to our better angels George Washington John Quincy Adams Abraham Lincoln and William Howard Taft among others whose presidencies suggest an alternative and offer hope for the future of the nation's highest office      *The Presidency and Women* Janet M. Martin, 2009-09-13 By identifying the parallel emergence of the women's movement and the growth in the executive branch Martin skillfully demonstrates how our political system can accommodate the demand for change and also maintain a stable government Perspectives on Political Science Martin's analysis provides overdue insight into the relationship between the presidency as an institution and women as a leading interest group National Journal      **The Politically Incorrect Guide to the Presidents** Steven F. Hayward, 2012-02-13 Argues that the United States presidents of the past hundred years have actively sought to undermine the Constitution and their constitutional responsibilities and analyzes each presidency based on their adherence to the Constitution      The Politics of the Presidency John Anthony Maltese, Andrew Rudalevige, Joseph A. Pika, 2024-02-06 The Politics of the Presidency thoroughly analyzes the change and continuity in Biden's first two and a half years in office and looks forward to the competitive setting for the 2024 presidential race      **The Politics of the Presidency** Joseph A. Pika, John Anthony Maltese, 2013 Once again delivering their comprehensive and accessible analysis of the presidency Pika and Maltese bring their trusted core text completely up to date Never losing sight of the historical foundations of the office the authors maintain a delicate balance as they examine the presidency through a modern lens      *The Presidency and Political Science: Paradigms of Presidential Power from the Founding to the Present: 2014* Raymond Tatalovich, Steven E

Schier,2014-12-18 This history of presidential studies surveys the views of leading thinkers and scholars about the constitutional powers of the highest office in the land from the founding to the present **A Companion to the United States Constitution and Its Amendments** John R. Vile,2025-07-24 Charting 250 years of history the 8th edition of this constitutional companion shows students just how revolutionary the Constitution was and how relevant it remains today After revisiting the key events leading to the Constitution s ratification including the drafting of the Declaration of Independence and the proceedings of the Constitutional Convention this book explores the Constitution article by article and amendment by amendment to help readers better understand how each section of the document shapes the America we live in today The 8th edition illuminates how recent laws political debates and Supreme Court decisions are continually reshaping our understanding of the Constitution and its role in American life and society including such issues as Donald Trump s immunity from prosecution for the January 6th riots Mike Pence s role in certifying Electoral College votes Ketanji Brown Jackson s appointment to the Supreme Court and the Dobbs decision among other controversial developments Guide to the Presidency and the Executive Branch Michael Nelson,2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president s relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama s healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First

Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president s role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions      *The Politics of the Presidency, Revised 8th Edition*

Joseph A. Pika, John Anthony Maltese, 2013-07-15 In the most up to date core text available on the presidency The Politics of the Presidency Revised Eighth Edition Joseph A Pika and John Anthony Maltese once again deliver their comprehensive and accessible analysis of the presidency Never losing sight of the foundations of the office the authors maintain a balance between historical context and contemporary scholarship on the executive A solid foundation for any presidency course the revised eighth edition features updated chapters including coverage of the 2012 election and a new chapter analyzing Obama s challenges as a second term president in an entrenched partisan environment      **The Making of the Presidential Candidates 2008** William G. Mayer, 2008 Discusses the presidential election process with eight chapters that cover such topics as how television covers the nomination process the origins of the presidential selection process and nomination finance in the post Bipartisan Campaign Reform Act era      *The Progression of the American Presidency* J. Twombly, 2013-02-12 The contemporary presidency and the nation it governs is more dependent on the individual in office than ever before The Progression of the American Presidency examines in detail the institution of the American presidency from the selection process to the president s individual responsibilities to his interactions with other actors in the political arena Twombly argues that regardless of how well suited a particular individual may be for a specific time in office he or she will leave an indelible imprint on the office for those who follow Each successful president changed the institution in which he served by expanding its scope and power and raising the bar of public and historical expectations Both scholarly and conversational The Progression of the American Presidency is essential reading for anyone interested in the evolving state of the Oval Office

This is likewise one of the factors by obtaining the soft documents of this **The American Presidency An Intellectual History** by online. You might not require more get older to spend to go to the ebook creation as with ease as search for them. In some cases, you likewise reach not discover the broadcast The American Presidency An Intellectual History that you are looking for. It will extremely squander the time.

However below, later you visit this web page, it will be as a result agreed easy to acquire as with ease as download guide The American Presidency An Intellectual History

It will not resign yourself to many get older as we accustom before. You can get it while appear in something else at home and even in your workplace. in view of that easy! So, are you question? Just exercise just what we manage to pay for under as competently as evaluation **The American Presidency An Intellectual History** what you bearing in mind to read!

### **The American Presidency An Intellectual History Introduction**

The American Presidency An Intellectual History Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The American Presidency An Intellectual History Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The American Presidency An Intellectual History : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The American Presidency An Intellectual History : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The American Presidency An Intellectual History Offers a diverse range of free eBooks across various genres. The American Presidency An Intellectual History Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The American Presidency An Intellectual History Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The American Presidency An Intellectual History, especially related to The American Presidency An Intellectual History, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The American Presidency An Intellectual History, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The American Presidency An Intellectual History books or magazines might include. Look for these in online stores or libraries. Remember that while The American Presidency An Intellectual History, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The American Presidency An Intellectual History eBooks

for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The American Presidency An Intellectual History full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The American Presidency An Intellectual History eBooks, including some popular titles.

### **FAQs About The American Presidency An Intellectual History Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The American Presidency An Intellectual History is one of the best book in our library for free trial. We provide copy of The American Presidency An Intellectual History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The American Presidency An Intellectual History. Where to download The American Presidency An Intellectual History online for free? Are you looking for The American Presidency An Intellectual History PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The American Presidency An Intellectual History. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The American Presidency An Intellectual History are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free

download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The American Presidency An Intellectual History. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The American Presidency An Intellectual History To get started finding The American Presidency An Intellectual History, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The American Presidency An Intellectual History So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The American Presidency An Intellectual History. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The American Presidency An Intellectual History, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The American Presidency An Intellectual History is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The American Presidency An Intellectual History is universally compatible with any devices to read.
