The American Transcendentalists

Earl Walter Booth

The American Transcendentalists:

The American Transcendentalists Ralph Waldo Emerson, Henry David Thoreau, Margaret Fuller, Nathaniel Hawthorne, 2006-01-10 Transcendentalism was the first major intellectual movement in U S history championing the inherent divinity of each individual as well as the value of collective social action In the mid nineteenth century the movement took off changing how Americans thought about religion literature the natural world class distinctions the role of women and the existence of slavery Edited by the eminent scholar Lawrence Buell this comprehensive anthology contains the essential writings of Ralph Waldo Emerson Henry David Thoreau Margaret Fuller and their fellow visionaries There are also reflections on the movement by Charles Dickens Henry James Walt Whitman Louisa May Alcott and Nathaniel Hawthorne This remarkable volume introduces the radical innovations of a brilliant group of thinkers whose impact on religious thought social reform philosophy and literature continues to reverberate in the twenty first century The American

Transcendentalists, Their Prose and Poetry Perry Miller, 1957 Anthology of works by New England writers of the early 1800 s

Selected Writings of the American Transcendentalists George Hochfield, 2004-01-01 Transcendentalism was the name given to the New England movement of the 1830s and 1840s that brought together Romanticism in literature and social reform in politics Its partisans argued for the rights of women the abolition of slavery and in some cases the socialization of labor and equal distribution of profits They were America s first avant garde This volume presents substantial selections from the writings of key American Transcendentalists such as George Ripley Margaret Fuller Orestes Brownson Theodore Parker and Bronson Alcott Included are sermons and diary entries essays on labor religion education and literature on German metaphysics and Coleridge s philosophy of mind Many are expressive of the movement s over arching project to define the innermost meanings of democracy the nature of man his place in the world and his relation to the divine First published in 1966 the book has been updated and expanded for this edition **The Spirituality of the American**

Transcendentalists Catherine L. Albanese, 1988 Albanese religion U of Cal Santa Barbara offers an anthology that highlights the forms of Transcendental spirituality and religious experience within the four featured authors works Includes a general introduction four short biographical introductions introductions for each selection extensive notes and a bibliography of Transcendental spirituality Available in paper binding ISBN 0 86554 323 3 at 34 95 Annotation copyrighted by Book News Inc Portland OR The Transcendentalists and Their World Robert A. Gross, 2021-11-09 One of The Wall Street Journal s 10 best books of 2021 One of Air Mail s 10 best books of 2021 Winner of the Peter J Gomes Memorial Book Prize In the year of the nation s bicentennial Robert A Gross published The Minutemen and Their World a paradigm shaping study of Concord Massachusetts during the American Revolution It won the prestigious Bancroft Prize and became a perennial bestseller Forty years later in this highly anticipated work Gross returns to Concord and explores the meaning of an equally crucial moment in the American story the rise of Transcendentalism The Transcendentalists and Their World offers a fresh view of the

thinkers whose outsize impact on philosophy and literature would spread from tiny Concord to all corners of the earth Ralph Waldo Emerson Henry David Thoreau Nathaniel Hawthorne and the Alcotts called this New England town home and Thoreau drew on its life extensively in his classic *Walden* But Concord from the 1820s through the 1840s was no pastoral place fit for poets and philosophers The Transcendentalists and their neighbors lived through a transformative epoch of American life A place of two thousand plus souls in the antebellum era Concord was a community in ferment whose small ordered society founded by Puritans and defended by Minutemen was dramatically unsettled through the expansive forces of capitalism and democracy and tightly integrated into the wider world These changes challenged a world of inherited institutions and involuntary associations with a new premium on autonomy and choice They exposed people to cosmopolitan currents of thought and endowed them with unparalleled opportunities They fostered uncertainties raised new hopes stirred dreams of perfection and created an audience for new ideas of individual freedom and democratic equality deeply resonant today *The Transcendentalists and Their World* is both an intimate journey into the life of a community and a searching cultural study of major American writers as they plumbed the depths of the universe for spiritual truths and surveyed the rapidly changing contours of their own neighborhoods It shows us familiar figures in American literature alongside their neighbors at every level of the social order and it reveals how this common life in Concord entered powerfully into their works No American community of the nineteenth century has been recovered so richly and with so acute an awareness of its place in the larger American story

Selected Writings of the American Transcendentalists George Hochfield, 1966 *Between Faith and Unbelief: American Transcendentalists and the Challenge of Atheism* Elisabeth Hurth, 2007-08-30 This book sets out to shed light on what is specific to American Transcendentalism by comparing it with the atheistic vision of German philosophers and theologians like Ludwig Feuerbach and Arthur Schopenhauer The study argues that atheism was part of the discursive and religious context from which Transcendentalism emerged Tendencies toward atheism were already inherent in Transcendentalist thought The atheist scenario came to the surface in the controversy about Emerson's new views Contemporary critics charged that the deity Emerson worshipped was himself Emersonian Transcendentalism thus anticipated some of the central concerns in the works of German atheists like Feuerbach From idealism to atheism seemed but a short step

Hindu Scriptures and American Transcendentalists Umesh Patri, 2019-10-17 In this extraordinarily candid book Umesh Patri presents a fresh reappraisal of the impact of Indian scriptures on American transcendentalism which flourished in New England in the 19th century The major premise of the study is that other influences on the transcendentalists such as Chinese Persian Sufi Arabic Neo Platonism and German transcendentalism are of less significance than that of Indian scriptures comprising of Hindu and Buddhist texts In the writings of Emerson Thoreau and minor transcendentalists like Alcott Fuller Channing Johnson Brownson etc the influence of Indian scriptures is clearly discernable An attempt has been made here to show that Indian scriptures have not only influenced the philosophical thinking of these

writers but also their lifestyle and social conduct It also attempts to show that transcendentalism was not an isolated movement but was a part of a cultural renaissance which swept the entire nation in the wake of avid interest and curiosity in the ancient lore of other countries Transcendentalism it is suggested here continues to affect the thinking of Americans and can be viewed as a continuing movement of thought in American intellectual history This book draws attention to many aspects of transcendentalism which have not been adequately discussed so far Frederic Henry Hedge Bryan F. LeBeau,1985-01-01 Pittsburgh Theological Monograph New Series General Editor Dikran Y Hadidian *American Transcendentalists* Joel Myerson,1988 **The Transcendentalist** Ralph Waldo Emerson,2018-02-05 Originally delivered in January 1842 as a lecture to an audience at the Masonic Temple in Boston The Transcendentalist was first printed in The Dial the literary magazine devoted to the transcendentalist movement It was then included in Emerson s 1849 Nature Addresses and Lectures In the essay Emerson offers a definition of the transcendentalist describing the follower of this philosophy of optimism and positive thinking as a rather passive even bored individual who feels misunderstood and mistreated by the general public Ralph Waldo Emerson May 25 1803 April 27 1882 was an American essayist lecturer and poet who led the transcendentalist movement of the mid 19th century He was seen as a champion of individualism and a prescient critic of the countervailing pressures of society and he disseminated his thoughts through dozens of published essays and more than 1 500 public lectures across the United States *The American Transcendentalists' Theory of the Drama* Lawrence Frisbee Bouton,1962 **The American Transcendentalists** Perry Miller,1981 Selections by authors such as Ralph Waldo Emerson Margaret Fuller and Henry David Thoreau examine religion nature literature and politics **Carlyle and the American Transcendentalists** William Silas Vance,1941 **American Transcendentalism. Features of the Movement and Relation to English Romanticism** Nizam Uddin,2018-07-17 Essay from the year 2016 in the subject American Studies Literature grade 9 International Islamic University course American Transcendentalists language English abstract This essay provides insight into two important social ideals in the 19th century the american transcendentalism and by comparison the english romanticism The fokus will hereby be on the former while the latter will provide a source of delineating characteristics established through contrasting both against each other To fully enclose the concept of american transcendentalism the essay will examine both the religious and philosophical as well as the literary and general cultural aspects of the movement **Maharishi University and the American Transcendentalists** Susan Andersen,2021-05-13 There were two great Transcendentalists schools in America One was in Concord Massachusetts in the nineteenth century with Emerson and Thoreau and the other was at Maharishi International University in Fairfield Iowa starting in 1974 This study talks about the parallels in motives and philosophy including essays on Maharishi s methods of teaching and discussions of the Transcendentalist authors **Beethoven and the American Transcendentalists** Earl Walter Booth,1970 **Slected Writings of the American Transcendentalists** Jack Norman Gregory,1966 **The American**

transcendentalists, their prose and poetry Perry Miller, 1957 *Two Cities* Daniel S. Malachuk, 2016-10-07 Since the late eighteenth century the ideals of political democracy and individual flourishing have become so entangled that most people no longer differentiate them. The American Transcendentalists did. *Two Cities* is the first comprehensive account of the original but still underrated political thought of this movement, especially that of its three major authors: Ralph Waldo Emerson, Margaret Fuller, and Henry David Thoreau. For decades, Daniel S. Malachuk contends, readers have misinterpreted the Transcendentalists as worshipping democracy and secularizing personhood. *Two Cities* proves the opposite. Focusing on their major writings, Malachuk presents the Transcendentalists as wresting apart and thus clarifying democracy as a profane project and individuality as a sacred one. Building upon this basic insight, the book affirms many recent but discrete conclusions about the movement's various contributions, especially to liberalism, environmentalism, and public religion, and shows that we will understand how these commitments hang together only when we retranscendentalize the Transcendentalists. In five useful chapters on the two cities tradition within the history of liberalism, on the rival and subsequently dominant overlap theories of Lincoln and others, and on the unique contributions to two cities thought by each of the major authors, *Two Cities* reintroduces readers to the Transcendentalists as among the most original and important contributors to American political thought.

Decoding **The American Transcendentalists**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
