The Angels of December Thomas Fletcher-Michaels,1995-12-01 Tom had two choices He could either change his life of rampant debilitating addiction or he could die It came down to that After nearly 40 years of isolation stealing lying alcoholism injecting drugs holding a job for only short periods of time being repeatedly incarcerated hating all of humanity he had reached the point of being hopelessly out of control The only thing left was to follow the process to its logical conclusion die at his own hand THE ANGELS OF DECEMBER is written on the reading level for 6th grade higher It is recommended for libraries bookstores places of recovery The first two thirds of this book describes in detail Tom s descent into crime addiction The last third describes his close personal encounters with angels messengers from God He traces his growth from December 1 1991 to present Printed published by Park Press Quality Printing Inc 355 6th Ave No Waite Park MN 56387 Phone FAX 320 255 8937 Published 12 95 The Jean Harlow Films James L. Neibaur,2019-03-28 One of the powerful icons of 1930s Hollywood film Jean Harlow died a tragically early death in 1937 at age 26 During her brief career she delivered memorable performances in such MGM classics as Red Dust 1932 Bombshell 1933 Dinner at Eight 1933 and Libeled Lady 1936 among others Taking a film by film look at Harlow s work and her own impressions of her costars and directors this retrospective traces her growth as an actress from tentative supporting player to top star at a prestigious studio and how her often tumultuous life informed her performances *December* Sabine Baring-Gould,1898 **Howard Hughes and the Creation of Modern Hollywood** Jeffrey Richardson,2019-07-04 Howard Hughes was an industrialist aviator and eccentric but he was also the most important movie producer during the golden age of Hollywood At a time when filmmaking was tightly controlled and highly formulaic Hughes used his enormous wealth to challenge the dictates and restrictions that defined the motion picture industry Tackling subjects that were explicitly forbidden he pushed the boundaries of onscreen sex and violence He pioneered production and marketing techniques that were revolutionary including the multimillion dollar blockbuster and the promotion of scandal When Hughes became the first person to completely own a major Hollywood studio he continued his maverick approach to filmmaking as a mogul Most importantly Hughes s role in the federal government s antitrust case against the industry led to the collapse of the entire studio system and the transformation of American cinema Although his contributions are often overlooked Hughes was instrumental in shaping the motion picture industry that exists today *Christology in Context* Gabriel Fackre,2006-07-05 Christology In Context the newest volume in Gabriel Fackre s long standing Christian Story relates the classical teaching about Christ to present day issues that preachers teachers and believers face religious pluralism evangelism the place of angels the problem of evil and more Drawing together reflections on Christology from throughout his life Fackre moves from specific responses to church ministry and parishioners questions through evangelical and ecumenical perspectives to concluding chapters on Christ s life death and resurrection His Christology in Context solidly locates the incarnation and the atonement within the overarching biblical narrative in a way

that will assist those who tell the story of Christ whether from pulpit study or sidewalk Praise for previous volumes of The Christian Story A Pastoral Systematics The Christian Story should be a welcome relief to those who are weary of rationalistic theology The people who will welcome it are intuitive thinkers who up to now have not had a theology written for them Robert Webber Gabriel Fackre is a good theologian and an excellent storyteller at the same time His narrative interpretation of basic Christian doctrine is a fascinating adventure in Christian doctrine and Christian life J rgen Moltmann A penetrating and illuminating study by a respected ecumenical theologian While pioneering and innovative this work nevertheless stands in unmistakable continuity with the basic insights of the Reformation and the apostolic tradition Donald Bloesch **Biker**
