Love Your Enemies Sharon Salzberg, Robert Thurman, 2013-10-01 When people and circumstances upset us, how do we deal with them? Often we feel victimized. We become hurt, angry, and defensive. We end up seeing others as enemies, and when things don't go our way, we become enemies to ourselves. But what if we could move past this pain, anger, and defensiveness? Inspired by Buddhist philosophy, this book introduces us to the four kinds of enemies we encounter in life: the outer enemy (people, institutions, and situations that mean to harm us), the inner enemy (anger, hatred, fear, and other destructive emotions), the secret enemy (self-obsession that isolates us from others), and the super-secret enemy (deep-seated self-loathing that prevents us from finding inner freedom and true happiness). In this practical guide, we learn not only how to identify our enemies but more important, how to transform our relationship to them. *Love Your Enemies* teaches us
