The chakras were represented by its eight legs which were separated from it. Some said it would grant the user the aptitude to become the ultimate being and some said it was able to give life as easily as it could take it away. The Araknyd was held inside a temple on a pedestal dormant waiting to be activated by all eight of its legs which were each protected by an oracle. A part of a group called the 8 Legged Anatomy Along with the treasure there was a prophecy that spoke of a young man who was immune to poison. He could harness all eight chakras of the universe and he would be the one that brought them all together. When a boy named Paul meets a ravishing spider named Roxy she takes him to a place where he learns about the legend of the Araknyd. Before long they also conjure a demon named Violet that gets added to the team. The three of them embark on a quest defeating deities of anguish making baneful decisions and risking the fate of existence to retrieve those eight legs and not only awaken the power but stop the completed Araknyd from falling into the wrong hands **Anger Management Workbook and Curriculum** Rich Pfeiffer, Rich Pfeiffer, MDiv, PhD, 2012-03 Growth Central introduces the highly acclaimed Anger Management Workbook and Curriculum by Dr Rich Pfeiffer.
