Signet Classic edition contains 203 of Aesop s most enduring and popular fables translated into readable modern American  
English and beautifully illustrated with classic woodcuts by the great French artist J J Grandville It is both amazing and  
wonderful that so much of the richness of our language and our moral education still owes a huge debt to a Greek slave who  
was executed more than two thousand years ago Yet sour grapes crying wolf actions speak louder than words honesty is the  
best policy and literally hundreds of other metaphors axioms and ideas that are now woven into the very fabric of Western  
culture all came from Aesop s Fables An extraordinary storyteller who used cunning foxes surly dogs clever mice fearsome  
lions and foolish humans to describe the reality of a harsh world Aesop created narratives that are appealing funny politically  
astute and profoundly true And Aesop s truth often summed up in the pithy moral of the story retains an awesome power to  
affect us reaching us through both our intellects and our hearts Including The Fox and the Grapes The Ants and the
