**The Anti-slavery Cause in America and Its Martyrs** Eliza Wigham, 1863 Eliza Wigham 1820-99 Scots philanthropist and champion of women's rights was raised as a Quaker and from an early age was involved in fundraising and other support for the abolitionist cause in the United States. She published this short book in 1863 with the aim of countering pressure on the British government to support the Confederacy by describing the frightful reality of scenes daily and hourly acting in the United States a complication of crimes and wrongs and cruelties that make angels weep. She takes the story of the American abolitionist movement from its beginnings in Philadelphia in 1775 through the founding of the American Anti Slavery Society in 1833 to the present state of hostilities between the north and the south. Interwoven with this narrative are stories of individual hardship and cruelty that make harrowing reading and justify the use of the term martyrs in the book's title.

Wingham, 2017-04-15 Excerpt from *The Anti Slavery Cause in America And Its Martyrs*. A philanthropist named Benjamin Lundy had started in Baltimore the first journal in America devoted to the defence of the negro's rights; it was called the *Genius of Universal Emancipation*. Garrison read this paper; his heart was aroused at once to see a new purpose and aim of his existence, and he vowed henceforth to consecrate his life as far as possible to the deliverance of his enslaved fellow countrymen. About this time he was employed at Bennington in the state of Vermont as editor to a paper called *The Spirit of the Times*, which was started mainly to promote the election to Congress of John Quincy Adams, but the editor likewise advocated temperance, peace, moral reforms, and the abolition of slavery in its columns, and he also took measures to procure from the state a petition against slavery which was very numerous. When these efforts became known to Benjamin Lundy, he visited this talented and energetic worker and at once offered him a partnership in his paper, entreating him to help in this great work, and as a ready vent for the hatred of slavery which burned within him, Garrison promptly consented. **Reporter**, 1863 New ser v 3 8 1855 1860 include the 16th 21st annual reports of the British and Foreign Anti-slavery Society v 9 11 1861 1863 include the 22nd 24th annual reports The Martyrdom of Abolitionist Charles Torrey E. Fuller

Torrey, 2013-11-06 During his brief yet remarkable career, abolitionist Charles Torrey, called the father of the Underground Railroad by his peers, assisted almost four hundred slaves in gaining their freedom. A Yale graduate and an ordained minister, Torrey set up a well-organized route for escaped slaves traveling from Washington and Baltimore to Philadelphia and Albany. Arrested in Baltimore in 1844 for his activities, Torrey spent two years in prison before he succumbed to tuberculosis. By then, other abolitionists widely recognized and celebrated Torrey's exploits running wagonloads of slaves northward in the night, dodging slave catchers and sheriffs and involving members of Congress in his schemes. Nonetheless, the historiography of abolitionism has largely overlooked Torrey's fascinating and compelling story. *The Martyrdom of Abolitionist Charles Torrey* presents the first comprehensive biography of one of America's most dedicated abolitionists. According to author E. Fuller Torrey, a distant relative, Charles Torrey pushed the abolitionist movement to become more political and active. He helped advance the faction that challenged the leadership of William Lloyd Garrison, provoking an irreversible schism in the movement and making Torrey and Garrison bitter enemies. Torrey played an important role in the formation of the Liberty Party and in the emergence of political abolitionism. Not satisfied with the slow pace of change, he also pioneered aggressive abolitionism by personally freeing slaves, likely liberating more than any other person. In doing so, he inspired many others, including John Brown, who cited Torrey as one of his role models. E. Fuller Torrey's study not only fills a substantial gap in the history of abolitionism but restores Charles Torrey to his rightful place as one of the most dedicated and significant abolitionists in American history. **The Evangelical War Against Slavery and Caste** Victor B. This book is a biography of John G. Fee, who was a product of the Great Awakening of the early nineteenth century, the economies of the small slave-holding farm, and the intimacies and comradeship of black and white children. Born in Bracken County, Kentucky, in 1816, Fee is a unique figure in the antislavery movement. Most abolitionists were northern-born, but they were assisted and supported by many antislavery men who left the South and worked against slavery from the northern states. Both groups addressed themselves to the problem of slavery from the security of the North, but Fee was born in the South and chose to live there and work against the peculiar institution from within its stronghold. He became the most important and influential reformer to wage war against slavery in the South during the nineteenth century and ultimately had the longest career in
