Terry L. Cook

The Antichrist:

Naming the Antichrist Robert C. Fuller, 1996-11-21 The Antichrist though mentioned a mere four times in the Bible and then only obscurely has exercised a tight hold on popular imagination throughout history This has been particularly true in the U S says author Robert C Fuller where Americans have tended to view our nation as uniquely blessed by God a belief that leaves us especially prone to demonizing our enemies In Naming the Antichrist Fuller takes us on a fascinating journey through the dark side of the American religious psyche from the earliest American colonists right up to contemporary fundamentalists such as Pat Robertson and Hal Lindsey Fuller begins by offering a brief history of the idea of the Antichrist and its origins in the apocalyptic thought in the Judeo Christian tradition and traces the eventual 71Gws how the colonists saw Antichrist personified in native Americans and French Catholics in Anne Hutchinson Roger Williams and the witches of Salem in the Church of England and the King He looks at the Second Great Awakening in the early nineteenth century showing how such prominent Americans as Yale president Timothy Dwight and the Reverend Jedidiah Morse father of Samuel Morse saw the work of the Antichrist in phenomena ranging from the French Revolution to Masonry In the twentieth century he finds a startling array of hate mongers from Gerald Winrod who vilified Roosevelt as a pawn of the Antichrist to the Ku Klux Klan who drew on apocalyptic imagery in their attacks on Jews Catholics blacks socialists and others Finally Fuller considers contemporary fundamentalist writers such as Hal Lindsey author of The Late Great Planet Earth with some 19 million copies sold Mary Stewart Relfe whose candidates for the Antichrist have included such figures as Henry Kissinger Pope John Paul II and Anwar Sadat and a host of others who have found Antichrist in the sinister guise of the European Economic Community the National Council of Churches feminism New Age religions and even supermarket barcodes and fibre optics the latter functioning as the eye of the Antichrist Throughout Fuller reveals in vivid detail how our unique American obsession with the Antichrist reflects the struggle to understand ourselves and our enemies within the mythic context of the battle of absolute good versus absolute evil From the Scofield Reference Bible no other book had greater impact on the American Antichrist tradition to the Scopes Monkey Trial Fuller provides an informative and often startling look at a thread that weaves persistently throughout American religious and cultural life

The Man of Sin Kim Riddlebarger, 2006-06-01 The doctrine of the Antichrist is one of the most interesting doctrines found in Scripture says author Kim Riddlebarger Unfortunately it s also one which has been subject to far more speculation than sound biblical exegesis Until now Unlike other resources available on the Antichrist The Man of Sin focuses on Scripture not contemporary events to uncover the truth about this mysterious entity With skilled exegesis Riddlebarger asserts that contrary to popular speculation the Antichrist is not a singular individual but a series of beings that will arise to challenge Christ throughout the inter advental age before culminating in an end times Antichrist Backing this claim first in Scripture Riddlebarger also draws from historical teachings including those of the church fathers the Reformation and historic Protestantism before contrasting

Pink,2023-12-24 In *The Antichrist* A W Pink delves into the profound biblical and theological implications of what he identifies as the ultimate adversary of Christ With a meticulous approach Pink employs an expository style enriched by scripture historical context and prophetic interpretations to unravel the nature characteristics and eventual demise of the Antichrist The book engages deeply with eschatological themes drawing on scriptural references from both the Old and New Testaments and positions the figure of the Antichrist within the broader narrative of the Christian faith Pink s work is marked by a conviction in divine sovereignty and an unyielding commitment to biblical truth making it an essential text for those studying prophetic literature A W Pink 1886 1952 was a British minister and theologian whose writings continue to influence contemporary evangelical thought His keen interest in Reformed theology and eschatology combined with a life dedicated to scriptural study informed his perspectives on prophetic matters Having lived through tumultuous times Pink s reflections on the Antichrist can be seen as a response to the challenges facing the Church in an increasingly secular world This book is highly recommended for theologians scholars and lay readers alike who seek a deeper understanding of eschatology through a biblical lens Pink s insights provide not only a comprehension of the figure of the Antichrist but also an impetus for spiritual vigilance in a world fraught with moral ambiguity *The Anti-Christ Is Here* Thomas McShea,2008-05 **The Antichrist Revised** Arthur W. The Antichrist's New World Order Terry L. Cook,2009-06-13 The coming New World Order is an international political and religious system of Satanically inspired Islamic communism in which America first must be brutally crushed conquered and enslaved This very serious book discloses why how and approximately when that will happen Indeed their secret target date for accomplishing this diabolical New World Order plan is the end of the year 2010 just a few short months from now Therefore you need to read this book immediately and prepare quickly for some very shocking and extremely tough times ahead of us Indeed a perfect storm of unimaginable geopolitical magnitude is just a few months away Knowledge is power and you need the powerful knowledge contained in this book Buy it today study it carefully and prepare immediately May God bless you *The Antichrist and the Lollards: Apocalypticism in Late Medieval and Reformation England* Curtis V. The Antichrist: Studies on the End Times A.W Pink, Rev Terry Kulakowski, Editor, 2017-10-20 The contents of this book were first given out by the author at Bible Conferences and then appeared in their present form in *Studies in the Scriptures* 1 As the subject of them is of such importance to students of prophecy and as so little has been published thereon we have deemed it advisable to issue them complete in book form So far as the writer is aware only two or three comparatively brief booklets and essays have appeared on this particular theme though to their contents we are indebted for a number of helpful suggestions Our aim has been to present as comprehensive an outline as our space would allow Much of what we have advanced will no doubt be new to the great majority of our readers Frequently we have been obliged to deviate from the interpretations of those who have gone before us Nevertheless we have sought to give clear proof texts for everything advanced
