The Apocalypse In The Teachings Of Ancient Christianity:

The Apocalypse in the Teachings of Ancient Christianity. An Orthodox Commentary by Archbishop Averky Taushev Archbishop of Jordanville; Rose Averkii (Seraphim), 1995 **The Apocalypse** ,1998 **The Apocalypse in the Teaching of Ancient Christianity** Averkii (Archbishop of Jordanville), Seraphim Rose, 1995 The Battle for the Keys Justin W Bass, 2014-04-01 There has been a lack of serious historical investigation of the famous creedal statement Christ descended into hell that was universally affirmed by the church for the first 1 500 years of Church history This book is an in depth investigation of the history of the doctrine of Christ s descent and how Revelation 1 18 alludes to Christ s descent

COMMENDATION In The Battle for the Keys Justin Bass leads us through an exceptional exegetical historical and theological exploration of the question of both the whether and whither of the Christ s descensus ad infernos Whatever doubters or believers choose to do with Dr Bass s competent and convincing evidence arguments and conclusions they cannot choose to ignore them Michael J Svigil Dallas Theological Seminary USA **The Book of Revelation and Early Jewish Textual Culture** Garrick V. Allen, 2017-07-03 The Book of Revelation and Early Jewish Textual Culture explores the relationship between the writing of Revelation and its early audience especially its interaction with Jewish Scripture It touches on several areas of scholarly inquiry in biblical studies including modes of literary production the use of allusions practices of exegesis and early engagements with the Book of Revelation Garrick Allen brings the Book of Revelation into the broader context of early Jewish literature including the Dead Sea Scrolls and other important works Arguing that the author of the New Testament Apocalypse was a scribal expert someone who was well versed in the content of Jewish Scripture and its interpretation he demonstrates that John was not only a seer and prophet but also an erudite reader of scripture **The Epistles and the Apocalypse** Averky Taushev, 2018-04-01 This third and final volume of Archbishop Averky s New Testament commentary elucidates the moral and pastoral aspects of the Pauline and Universal Epistles and the Book of Revelation Discussion of each New Testament book is preceded by an analysis of the authorship time and place of composition and major themes within The final commentary on the Apocalypse in which Archbishop Averky relies heavily on the ancient commentary of St Andrew of Ceasaria is provided in the popular translation by Hieromonk Seraphim Rose together with the Scriptural text itself The author s approach is thoroughly patristic constantly turning to the Church Fathers for the elucidation of one or another particular verse especially to the commentaries and expositions of St John Chrysostom Blessed Theophylact of Ochrid Blessed Theodoret of Cyrus and most particularly to the voluminous Scriptural commentaries of St Theophan the Recluse The commentary has been copiously annotated with citations to primary sources which did not appear in the original text Archbishop Averky s commentaries on the New Testament have become standard textbooks in Holy Trinity Orthodox Seminary and have been published in Russia to widespread acclaim They are an indispensable addition to the library of every student of the New Testament Apocalypse. Millennium. Chiliasm and Chillegorism Valeriy

A Pentecostal Commentary on Revelation Jon K. Newton,2021-02-15 This new commentary approaches Revelation from a Pentecostal perspective but you may be surprised at what this does and doesn t mean in this case This is a serious commentary based on the Greek text and includes discussion of all the standard topics authorship date audience etc It gives interpretive priority to the original context and audience while also discussing application today Newton eschews all populist interpretations of Revelation and questions many assumptions built on futurist or historicist readings but includes a survey of recent scholarly Pentecostal work on Revelation and an extended discussion of what an authentic Pentecostal reading of Revelation might look like The commentary highlights features of Revelation that Pentecostals often look for such as its pneumatology but also draws attention to features that Pentecostal readers should take more seriously than they often do such as its missional focus the narrative flow intertextual references and the focus on atonement This makes it a more optimistic commentary than many available The commentary interacts in depth with five leading commentaries over the past twenty five years as well as over two hundred other books and articles including the oldest existing commentary on Revelation
