The Spirit of Dialogue Aaron T. Wolf, 2017-09-14 Over more than twenty years as a mediator Aaron T Wolf has learned that successful conflict resolution is shaped by complicated dynamics from how comfortable the meeting room is to the participants deepest senses of self Bridging seemingly intractable issues means addressing multiple layers of needs Wolf s approach may be surprising to Westerners who are accustomed to separating rationality from spirituality and science from religion The Spirit of Dialogue draws lessons from a diversity of faith traditions to transform conflict from identifying the root cause of anger to aligning with an energy beyond oneself what Christians call grace to the true listening practiced by Buddhist monks Whether atheist or fundamentalist Muslim or Jewish Quaker or Hindu any reader involved in difficult dialogue will find concrete steps towards a meeting of souls

Children's Books in Print, 2007 , 2006 *The Armed Jew* Adam L. Fuller, 2025-06-30 In the face of rising anti Semitic violence and hate crimes The Armed Jew explores the essential role of gun ownership in the Jewish experience both historically and in contemporary society With rising threats to Jewish communities worldwide this book argues that the right to bear arms is not just a matter of self defense but an integral part of Jewish history and survival Despite the

increasingly manifest threats to American Jews in particular they remain among one of the demographic groups that are least likely to own firearms which leaves them defenseless and further invites aggression Adam L Fuller argues that guns have been vital tools in protecting Jewish communities for centuries From the medieval self defense of Jewish settlements to Jewish gangsters vigilantes soldiers law officers and resistance efforts during the Holocaust guns have been crucial in the preservation of life and dignity Drawing on a careful study of Jewish sociocultural and religious traditions in dialogue with Jewish historical experience as well as conversations with Jewish gun owners Fuller makes a compelling argument for why Jews should embrace their right to own and carry firearms as part of their broader struggle for safety and autonomy The Armed Jew challenges assumptions empowers Jewish communities and provides a thought provoking perspective on the intersection of faith identity and self defense in the modern world Parables in Changing Contexts Marcel Poorthuis, Eric Ottenheim, 2019-12-30 In Parables in Changing Contexts new venues in the comparative study of parables are addressed by scholars of Judaism New Testament Buddhism and Islam Essays cover parables in the synoptic Gospels Rabbinic midrash and parabolic tales and fables in the Babylonian Talmud Three essays address parables in Islam and Buddhism The volume shows how parables are suitably adapted in terms of form and rhetoric to enhance religious identity formation Parables serve as media as sensational forms making the sacred present albeit encoded or riddled in all cases invoking the listener's active interpretative participation and cultural imagination Adapting a multidisciplinary approach to these gems of storytelling parables in a particular way provide new insights in the cultures that produced them **Ibss: Anthropology: 1975** International Committee for Social Science, 1978-08-24 First published in 1978 Routledge is an imprint of Taylor Francis an informal company *The Spaces of Neoliberalism* Jacquelyn Chase, 2002 Annotation Explores how markets and market ideology affect the lives of Latin American people through their communities culture resource base local labor markets and households Among the topics of the eight papers are tensions between women's and indigenous groups over land rights gender and reproduction in a Brazilian company town and the restructuring of labor markets and household economies in urban Mexico Annotation c Book News Inc Portland OR booknews.com
