Fraser,2019-04-22 Born in Mallorca Pere Joan Riera known professionally as Pere Joan thrived in the underground comics world beginning in the mid 1970s with the self published collections *Baladas Urbanas* and *Murdrago* both of which were released almost immediately after the death of the dictator Francisco Franco and Spain's transition to democracy The first monograph in English on a comics artist from Spain The Art of Pere Joan takes a topographical approach to reading comics applying theories of cultural and urban geography to Pere Joan's treatment of space and landscape in his singular body of work Balancing this goal with an exploration of specific works by Pere Joan Benjamin Fraser demonstrates that looking at the thematic structural and aesthetic originality of the artist's landscape driven work can help us begin to newly understand the representational properties of comics as a spatial medium This in depth examination reveals the resonance between the cultural landscapes of Mallorca and Pere Joan's metaphorical approach to both rural and urban environments in comics that weave emotional ecological and artistic strands in revolutionary ways      *Will Eisner's The Spirit: The New Adventures HC (Second Edition)* Various,2016-03-01 In 1997 almost six decades after the Spirit's first appearance in 1940 legendary artist

**Adult Comics** Roger Sabin, 2013-10-11 In a society where a comic equates with knockabout amusement for children the sudden pre-eminence of adult comics on everything from political satire to erotic fantasy has predictably attracted an enormous amount of attention Adult comics are part of the cultural landscape in a way that would have been unimaginable a decade ago In this first survey of its kind Roger Sabin traces the history of comics for older readers from the end of the nineteenth century to the present He takes in the pioneering titles pre First World War the underground comix of the 1960s and 1970s fandom in the 1970s and 1980s and the boom of the 1980s and 1990s including graphic novels and Viz Covering comics from the United States Europe and Japan Adult Comics addresses such issues as the graphic novel in context cultural overspill and the role of women By taking a broad sweep Sabin demonstrates that the widely held notion that comics grew up in the late 1980s is a mistaken one largely invented by the media Adult Comics An Introduction is intended primarily for student use but is written with the comic enthusiast very much in mind
