Don't Disappear Nina Guest, 2010 The story of the nine-year journey which took AFC Wimbledon from the very depths of non-league football back to their rightful place in the Football League. Collecting more than 100 stories from the key figures involved in the club, this is a chronicle of the ups and downs, the controversies, and the final redemption as the Dons reclaimed their place in the Football League in 2011. Far more than a simple football tale, this is a story of romance and hard work, mostly by those forgotten heroes of modern sports: the fans. When the club they loved was torn away from them, they rolled up their sleeves and refused to lie down. After the sale of Wimbledon FC to Milton Keynes, an unprecedented and unwelcome scenario in English football, the club reformed under a new name and began again in the lower leagues. With no stadium, players, money, manager, backroom staff, or kit, the fans were all that remained, and the club became a democratic supporter-run business. What happened next demonstrates that modern football is about so much more than television money and overpaid superstars. Dozens of heroes made the AFC journey possible: from the players that donned the yellow and blue, and the fans who gave up their time to operate the turnstiles on matchdays, to the fundraisers, stewards, elected Dons Trust Board members, program sellers, scouts, and fundraisers. With little

more than their history to build on they reclaimed their club and this book traces exactly how it was done through the eyes of all those that made it happen *Hegemonic Mimicry* Kyung Hyun Kim,2021-09-13 In *Hegemonic Mimicry* Kyung Hyun Kim considers the recent global success of Korean popular culture the Korean wave of pop music cinema and television which is also known as hallyu from a transnational and transcultural perspective Using the concept of mimicry to think through hallyu s adaptation of American sensibilities and genres he shows how the commercialization of Korean popular culture has upended the familiar dynamic of major to minor cultural influence enabling hallyu to become a dominant global cultural phenomenon At the same time its worldwide popularity has rendered its Koreanness opaque Kim argues that Korean cultural subjectivity over the past two decades is one steeped in ethnic rather than national identity Explaining how South Korea leaped over the linguistic and cultural walls surrounding a supposedly minor culture to achieve global ascendance Kim positions K pop Korean cinema and television serials and even electronics as transformative acts of reappropriation that have created a hegemonic global ethnic identity *The Disappearance of the Three Little Pigs* Billy St. John,2004 Nursery Land characters both human and animal coexist in this goofy 1940s spoof of classic film noir detective stories for grown up kids When her triplets disappear Mrs Pig hires detective Jack B Nimble Jack and his klutzy secretary Miss Muffet suspect B B Wolf Characters from Humpty Dumpty and Henny Penny to Jack and Mrs Sprat become involved in the investigation before Jack finds the missing boys and earns a dubious award a kiss from a pig **Super Granny (English Version)** Megan Havervlok,2022-06-01 Educational and entertaining funny and free Everyone likes having a superhero in the family At least life won t be boring But Megan Havervlok doesn t have a family She lives in an orphanage and that orphanage stands in Polderdam the most boring village in the Netherlands That makes it difficult to experience exciting adventures Everything changes on her eighth birthday On that day Granny comes to visit Granny needs help with counting and calculations with baking eggs and with experiencing adventures Granny is a superhero by profession Meg loves adventures She offers to help Granny This results in a colourful collection of short stories each more beautiful and funnier than the other Meg wrote them all in a beautiful book with a front cover by the famous artist Gerard Monster a book that grandmothers can read aloud so their grandchildren can enjoy and above all laugh out loud For grandmothers and their grandchildren aged 9 to 99 Megan Havervlok wrote numbers 1 and 2 on Google Books list of the world s most popular free Dutch children s books April 2022 When we asked Megan how an eight year old could beat all those professional authors she said Pffff Simple With a superhero like Granny around everything is possible
