The Dismemberment Of Orpheus Toward A Postmodern Literature:

The Dismemberment of Orpheus Ihab Hassan, 1982 In this book the first edition of which was published in 1971 by Oxford University Press Ihab Hassan takes Orphic dismemberment and regeneration as his metaphor for a radical crisis in art and language culture and consciousness which prefigures postmodern literature The modern Orpheus he writes sings on a lyre without strings Thus his sensitive critique traces a hypothetical line from Sade through four modern authors Hemingway Kafka Genet and Beckett to a literature still to come But the line also breaks into two Interludes one concerning Pataphysics Dada and Surrealism and the other concerning Existentialism and Aliterature Combining literary history brief biography and critical analysis Hassan surrounds these authors with a complement of avant garde writers whose works also foreshadow the postmodern temper These include Jarry Apollinaire Tzara Breton Sartre Camus Nathalie Sarraute Robbe Grillet and in America Cage Salinger Ginsberg Barth and Burroughs Hassan takes account also of related contemporary developments in art music and philosophy and of many works of literary theory and criticism For this new edition Hassan has added a new preface and postface on the developing character of postmodernism a concept which has gained currency since the first edition of this work and which he himself has done much to theorize

Indeterminacy in Terminology and LSP Bassey Edem Antia, 2007-01-01 This book deals with the oft neglected tensions between perspicuity and fuzziness in specialised communication It describes the manifestations functions and implications of indeterminacy phenomena in a range of LSP specialisations where it has been customary to expect precision and consistency The volume presents case studies and methodological frameworks that draw on theoretical anthropological and cognitive linguistics safety critical translating history and theory of terminology studies development of ontologies software localisation jurisprudence macroeconomics and interoperability of digital knowledge representation resources With chapters by leading scholars drawn from eleven countries this book contributes to the benchmarking of indeterminacy scholarship in LSP studies and is a fitting tribute to its dedicatee Professor Heribert Picht who even in retirement remains a constant presence in LSP and terminology studies The book should be of interest to scholars of the aforementioned areas

Postmodernism of Resistance in Roberto Bolaño's Fiction and Poetry J. Agustín Pastén B., 2020-12-01 Postmodernism of Resistance in Roberto Bolaño's Fiction and Poetry examines the ways in which Bolaño employs a type of literary aesthetics that subverts traits traditionally associated with postmodernism Pastén B coins these aesthetics postmodernism of resistance and argues that this resistance stands in direct opposition to critical discourses that construe the presence of hopeless characters and marginal settings in Bolaño's works as signs of the writer's disillusionment with the political as a consequence of the defeat of the Left in Latin America Rather he contends Bolaño creates a fictional world comprised of characters and situations that paradoxically refuse to accept defeat even while displaying the scars of terrible historical events In this work Pastén B challenges some critical assumptions about Bolaño's fiction and poetry that led

to decontextualized interpretations of his work and offers a singularly comprehensive investigation that synthesizes multiple perspectives of a complicated author into one text *The Idea of the Postmodern* Hans Bertens, 2003-09-02 At last Everything you ever wanted to know about postmodernism but were afraid to ask Hans Bertens Postmodernism is the first introductory overview of postmodernism to succeed in providing a witty and accessible guide for the bemused student In clear and straightforward but always elegant prose Bertens sets out the interdisciplinary aspects the critical debates and the key theorists of postmodernism He also explains in thoughtful and illuminating language the relationship between postmodernism and poststructuralism and that between modernism and postmodernism An enjoyable and indispensable text for today's student

The Postmodern Simon Malpas, 2005 Simon Malpas investigates the theories and definitions of postmodernism and postmodernity and explores their impact in such areas as identity history art literature and culture In attempting to map the different forms of the postmodern and the contrasting experiences of postmodernity in the Western and developing worlds he looks closely at modernism and postmodernism modernity and postmodernity subjectivity history politics This useful guidebook will introduce students to a range of key thinkers who have sought to question the contemporary situation and will enable readers to begin to approach the primary texts of postmodern theory and culture with confidence

The Routledge Companion to Postmodernism Stuart Sim, 2001 Recent years have witnessed radical changes in our social and political existence with traditional ideas and ways of living increasingly being called into question Such questioning has led to a crisis of authority that goes under the general name of postmodernism But what does this word mean and why is it so important The Routledge Companion to Postmodernism provides all the answers you need It is an accessible and comprehensive survey of the intellectual developments that have brought about a wholesale shift in cultural perspectives Combining detailed essays written by experts in the subject with an invaluable A Z guide to who's who and what's what in postmodernism this is the guide to a phenomenon that has shaped today's world En la solapa

Approaching Postmodernism Douwe Wessel Fokkema, Johannes Willem Bertens, 1986 Most of the essays collected in this volume deal with theoretical issues that dominate the international debate on Postmodernism issues such as the shifting nature of the concept the problem of periodization and the problem of historicity Other essays offer readings of Postmodernist texts and relate practical criticism to a theoretical framework Hans Bertens Utrecht sketches the historical development of the concept Postmodernism in American criticism distinguishing between the various definitions that have been proposed over the last twenty five years in an attempt to bring some order to the field and to facilitate future discussion Brian McHale Tel Aviv and Douwe Fokkema Utrecht offer models for the description of Postmodernist texts Richard Todd Amsterdam argues convincingly that Postmodernism is much more of a presence in contemporary British fiction than has so far been assumed and Herta Schmid Munich presents a similar argument with respect to Russian avant garde theater Elrud Ibsch Amsterdam presents a contrastive analysis of Thomas Bernhard and Robert Musil Ulla Musarra Nijmegen writes on Italo Calvino The

relation between Existentialism and Postmodernism is examined by Gerhard Hoffman Wurzburg Theo D haen Utrecht finds important parallels between Postmodernism in literature and in the visual arts Matei Calinescu Bloomington Ind relates literary Postmodernism to a far more general cultural shift rejecting however Foucault s notion of an epistemic break and arguing for both continuity and discontinuity Finally Helmut Lethen Utrecht and Susan Suleiman Harvard sharply question the concept of Postmodernism Suleiman argues that the supposed Postmodernist reaction against Modernism may well be a critical myth or if it isn t a reaction limited to the American literary situation

John Barth and Postmodernism

Berndt Clavier,2007 John Barth s eminence as a postmodernist is indisputable However much of the criticism dealing with his work is prompted by his own theories of exhaustion and subsequent replenishment leaving his writing relatively untouched by theories of postmodernism in general This book changes that by focusing on the relationship between Barth s aesthetic and the ideology critique of the historical avant gardes which were the first to mobilize art against itself and its institutional practices and demands Examining Barth s metafictional parodies in the light of theories of space and subjectivity Clavier engages the question of ideology critique in postmodernism by offering the montage as a possible model for understanding Barth s fiction In such a light postmodernism may well be perceived as a mimesis of reality particularly a recognition of the collective nature of self and the world
