The Divine Offering:

Lectures On The Levitical Offerings: H.A. Ironside, 2014-04-16 To many believers the theme of the burnt offering is very familiar but there are large numbers of God's beloved people who have never carefully studied the marvelous types of the Person and work of Christ given us in the early chapters of Leviticus where we have five distinct offerings all setting forth various aspects of the work of the Cross and unfolding the glories of the Person who did that work a Person transcending all the sons of men for He was both Son of God and Son of Man divinely human and humanly divine We shall get great help for our souls if we meditate upon the marvelous pictures here given us of the great and wondrous truths which are unfolded in the New Testament In coming to the study of the types we should never found doctrines upon them but discovering the doctrines in the New Testament we will find them illustrated in the types of the Old The Ministry, Vol. 03, No. 07 Various Authors, 2017-10-03 In this issue of The Ministry Brother Lee gives a summary of the fellowship concerning the practice of the new way under the Lord's new leading from October 1984 to May 1986 At that time the Lord gave us a fresh leading in order to bring in an increase in number in all the localities and to spread His work over the whole earth The Lord's leading aims at a total deliverance of His recovery from the element essence background environment and tradition of Christianity The first crucial element of the new way is the building up of the meetings in every believer's home Delivering the gospel the truth and the meetings to people's homes is the best way to build the church locally in the Lord's recovery and to bring in the spread and increase universally The other two crucial elements of the new way are the teaching of the truth and keeping the Lord's word as the center of all our various meetings The next three messages are a continuation of the Crystallization study of the Epistle to the Hebrews given in the winter training of 1998 Message Nineteen shows clearly that the will of God is to have Christ as the replacement for all the offerings in the Old Testament so that we may enjoy Him as everything in living and practicing the Body life for the building up of the Body of Christ as the organism of the Triune God Message Twenty reveals that Jesus is the Author of faith the Originator the Inaugurator the source and the cause of faith The faith of the believers is actually not their own faith but Christ entering into them to be their faith Our believing is our appreciation of Christ as a reaction to His attraction Message Twenty one shows us that faith is the unique way to enjoy Christ in His heavenly ministry and to experience all the bequests in the new testament It is the unique way to carry out God's New Testament economy In the last section we include two letters from Poland and Mexico respectively concerning the Lord's move in these two countries The Collected Works of Witness Lee, 1979, volume 1 Witness Lee, The Collected Works of Witness Lee 1979 volume 1 contains messages given by Brother Witness Lee from January 4 through December 11 1979 In 1979 Brother Lee spoke one hundred twenty four messages that were published in Life study of Exodus Life study of Galatians Life study of Ephesians and Life study of Colossians The Life study messages are not included in The Collected Works of Witness Lee During the first week in January Brother Lee ministered in Anaheim California In the second week
